CHURCH NOTES

RADIANT LIVING

Christ's Compelling Calmness

By Rev. C. M. Griffeth
Methodist Pastor of
Deals Island, Md.

Treacherous Galilee met its master when Jesus commanded it to be still.

The beautiful blue lake at Galilee shining out there in the sunlight one of the most treacherous [illegible] water on the face of the globe.

The clear sky, the [illegible] glistening water [illegible] like a mirror [illegible] ing fish, [illegible] loves to feed [illegible] sel over small [illegible] ough the day and as [illegible] oach- ed, Jesus and his [illegible] began to cross the lake in one [illegible] the fishing boats.

In the gathering twilight the rising zephyrs dispelled the heat of the day. The gentle rythmatic sway of the vessel, the occasional rattle of the gear and the swish of the water—all seemed to add charm to the crossing. Jesus, relaxed, fell asleep.

Suddenly there burst upon them one of these treacherous gales. The skiff seemed to stand on end. Great quantities of water leaped abroad. The fishermen, although veterans, quailed with fear. Jesus, however, continued to sleep. Distracted, they awoke Him. And, He, arising, faced the wind and cried out, "Peace, be still!" Immediately there was a calm that was in itself frightful.

On the treacherous lake of life, the burst of sudden squalls send many a craft to the unknown depths, but when Christ is on board, the old lake of life must just simply act differently!

Whatever may be the storm that lifts up over the horizon of your life its massive black angry clouds and sweeps down upon you with a blast, lashing your life into a raging tempest, you will find that the penotrating voice of Jesus can compel such a tempest into a marvelous calm!

HELP KIDNEYS

To Get Rid of Acid and Poisonous Waste

Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.

Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.

You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.

In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use *Doan's Pills*. A multitude of grateful people recommend *Doan's*. Ask your neighbor!
