Editor of the Chestertown Transcript, Chestertown, Mrayland.

Dear Sir:

At the regular meeting of the State Board of Health held on Thursday, April 28, attention was called to the editorial appearing in the Chestertown Transcript, under date of April 9th, 1938, relative to the failure of the State Board of Health to enforce its order on Chestertown for the installation of a sewage disposal plant.

After discussion the editorial was incorporated in the minutes of the meeting and I was requested to inform you and the Mayor of Chestertown that this entire matter is being studied by our Financail Officer and our Chief Engineer.

Yours very truly,
R. H. Riley, M. D., Director.

Old Timer Comments On Politics

Dear Mr. Editor:

It seems as how the supper at Wesley Chapel revived the politikal talk that has been dead as a door nail for the past two months. They were all there, the politicians, would be politicians and has been politicians gathering around in small groups talking but keeping one eye on the slant so as not to miss shaking hands, smiling and tipping hats to all who came and went which was plenty. In case you wern't there, I'll tell you that Mayor Jackson was on hand, cause if you were there you know it. How many of the local boys went out in the kitchen and shook hands with the ladies. I've been telling them right along to watch the Mayor's tactics cause they are very effective. As one Mayor to another, Mayor Wilmer was very much on hand showing the Baltimore Mayor around as was Mr. Shallcross and Mr. Walter Hadaway and a lot more. Anybody who tried to talk about anything else except politicks might as well been talking about the weather cause nobody paid no attention to them. I hope I havn't made nobody think that the talk was just Democra tic politicks cause there were plenty of Republicans there too. I did hear some of the boys say that all is not harmony in the Republican ranks like also among the Democrats. From the looks of things the general election is going to be just a mild affair as compared to the primaries. I can say one thing about the gathering and that is nobady seemed to be made and as I said before people just ain't mad enough to create interest among those who are trying to make a living and just get along ni the world.

UNCLE JAKE.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. 25c. Stubbornly refuse anything else.
