FRANK PINDER IS KILLED WHEN RUN OVER BY TRACTOR

Found Dead In Field Near Farm House

T. Frank Pinder, 52 year old prominent farmer of near Kennedyville, was found dead in a field near his home in Shallcross neck Wednesday morning. When found he was between the tractor and a spring-tooth harrow with which he was working.
At 10.30 he had gone to the house to get a glass of milk and said he would be through the plot he was working in a short time. When he did not again return to the house at 11.45 his wife sent their son to look for him and he found him crushed between the tractor and harrow. It is thought he reversed the tractor while standing back of it in order to hook to the harrow and fell. The harrow was torn up and the tractor wheels had become chocked digging themselves into the ground. With the aid of neighbors it was necessary to remove the tractor wheel and jack the machine up in order to remove Mr. Pinder's body. Besides his wife he is survived by four sons and two daughters, Arthur F. Pinder, Chestertown; Mrs. Evelyn Johnston, Kennedyville; Earl H. Pinder, of Randallstown; Mrs. Helen Freeman, of Baltimore; Philip and Kennard at home.
Funeral services will be held from his home, Locust Grove, on Sunday, May 29th, at 1 P. M.

NEW MILK STATION TO BE BUILT AT WORTON STATION

Work On Central Plant Expected To Start Soon

Officials of the Supplee-Wills-Jones Milk Company, of Philadelphia, indicated this week that the new central milk plant will be located at Worton Station following a request backed up by a free site that it be located in Chestertown.
The new plant at Worton will replace the present plants at Chestertown and Kenndyville which have been condemned by health authorities.
The new plants at Worton will be located on the site of a former plant which was operated there until a few years ago, although it is understood that an entire new building will be constructed by plans that have been worked out engineers of the company.
This new plant will be equipped to handle all of the milk now being delivered to the Chestertown and Kendyville stations. It is reported that it will be equipped to manufacture butter and dried milk with surplus milk if conditions justify it.
It is thought that construction work will start as soon as details can be worked out as health authorities demanded that definite plans be completed to replace the Chestertown and Kennedyville plants by June 1st.

COLLEGE PLAYERS TO PRESENT PLAY

"Three Cornered Moon" a hilarious comedy by Gertrude Tomkonogy, wil be presented by the Washington Players on Thursday evening June 2 in William Smith Hall. The story of a hare-brained family living outside of NewYork, this play was the first of this type comedy, and gained considerable fame when portrayed on the screen a few years ago by Claudette Colbert. One of the best of Miss Tomkonogy's many plays. "Three Cornered Moon", is well suited as a Washington Players production and is a excellent choiceto finish up a particularly good season with a bang.
"Three Cornered Moon" wil be particularly interesting to local theatre goers because it marks the final appearance on the local stage for several of the seniors who have been largely responsible for the sucess of the Washington Players.

SCHOOL BOARD FAIL TO AGREE ON HEAD OF KENT SCHOOLS

Professor Robinson Will Hold Office Until Successor Is Named

The special meeting of the Kent County School Board, called for Thursday of this week to appoint a Superintendant of Schools failed to give a majority to any one of the three men under consideration. Each of the three member board voted for a different man resulting in the same deadlock that existed at the meeting the first part of this month.
The result of the vote was:
Mr. L. Bates Russell, President of the Board, for Mr. Robinson, the present encumbent.
Mrs. Charles Whaland, vice-President of the Board, for Mr. Stenger, principal of the Chestertown High School.
Mr. Herbert Urie for Mr. Caldwell, principal of the Cordova High School.
It is interesting to note that all three men under consideration are graduates of Washington College.
The result of the failure in making the appointment means that Mr. Louis C. Robinson, who has served in that capacity for the past sixteen years, will hold the office until his successor is named which cannot be done until next May.
