MILK PRICE TO GO BACK TO FORMER PRICE IN JULY

Two And A Half Month Cut To End July 15th

The graduated cut in first, second and third class milk going to Philadelphia is scheduled to end July 15th. The cut was ordered by the Pennsylvania Milk Control Board which according to their statement was caused by over-production, small sales and high taxes and labor costs to the distributors.

The effect on local distributors of the cut amounted to approximately 11 cents per hundred pounds including the three classes of milk and effects the May, June and half of July milk checks.

Reports from markets in almost every section of the United States indicate that, within the past six months, there have been price reductions of a few cents to as much as 50 cents or more per hundred.

Charles Hines Dies Suddenly In California

Dr. Frank B. Hines, of Chestertown, received a telegram Friday morning notifying him that his brother Charles Gilpin Hines died suddenly at his home in a Los Angeles hotel Thursday night.

Mr. Hines, who was 51 years of age, spent the early part of his life in Chestertown and at the time he left here in 1917 was a member of the fertilizer firm of Massey & Hines, now Massey Wilmer. After leaving Chestertown he went to Chicago and then to Los Angeles where he has since made his home.

He was the son of the late Dr. and Mrs. W. Frank Hines and is survived by two brothers and two sisters, Dr. Frank B. Hines and E. Massey Hines, of Chestertown, Mrs. Jennie Houston, of New York and Mrs. Mary Curry, of Connecticut.

The remains will be cremated and brought here later for burial.

NEW TELEPHONE BOOKS NEXT WEEK

To Be Distributed Over Week-end

The new issue of the Chestertown and vicinity telephone directory will be delivered to subscribers in this area on June 25, 26, 27, according to an announcement just made by E. P. Volke, manager of the Chesapeake and Potomac Telephone Company of Baltiomre City here. This directory also includes the listings of subscribers at Centreville, Church Hill, Galena, Millington, Queenstown, Rock Hall and Still Pond.

The cover on the new directory features a symbolic figure, "The Spirit of Communication," which since 1916 has crowned the tower of the headquarters building of the American Telephone and Telegraph Company in New York City.

Subscribers are requested by Mr. Volke to be careful to remove personal papers from their directories before discarding them. Because of many changes in directories, it is urged that all old directories either be turned in or destroyed when the new book is delivered.

JAPANESE BEETLE TRAPS BEING PUT OUT THIS WEEK

A Number Of Pests Reported In County

Work on erecting Japanese Beetle traps in the various parts of Kent County started on Thursday and a real intensive drive is planned to keep this pest from making inroads in the county.

These traps are being erected through the cooperation of the Federal and State governments, the County Commissioners and the Commissioners of the various incorporated towns in the county.

The traps and bait are being furnished by the Federal and State governments and are to be serviced by the towns with the assistance of a number of boys employed under the National Youth Administration.

There are a number of traps available for the rural sections but due to the remoteness of these sections it will be necessary for the farmers on whose property they are to service them.

A number of beetles have been reported in the vicinity of Betterton and the upper part of the county. The pests have made no great inroads in Kent County and the purpose of the present campaign is to keep them out.

In adjoining states much damage has been reported in shrubbery and orchards. Farm crops are not particularly attractive to the beetle if these other foods are available.

The towns that are cooperating in the eradication campaign are Chestertown, Betterton, Millington, Galena and Massey.

MIRACLE HOUSE TO OPEN MONDAY

State Preventorium Accomodates 140 Boys and Girls

The Miracle House, the tuberculosis preventorium for children at Claiborne, Maryland, will be opened for its twentieth season on June 27, it was announced by the Maryland Tuberculosis Association.

The preventorium is for children who have been living in direct contact with tuberculosis and need to be removed from the sources of infection so that they will not get the disease. Most of the children are underweight and malnourished and need to have their strength and resistance built up so that they can fight against it.

There are accommodations for 140 boys and girls. These children are between the ages of six and twelve. They are all from Maryland and are almost evenly divided between Baltimore City and the counties of the state.

It has not been unusual during past seasons to have children gain from ten to fifteen pounds, Mr. Matthews said, and last summer one girl gained twenty-four pounds.

SAILING RACES TO START SUNDAY AT COUNTRY CLUB

Course Has Been Changed From Last Year

Commodore Wilmer has shortened the course for the Sunday Races at the Chester River Yacht and Country Club which start Sunday June 26. The course this year will be 2 miles instead of 3 as. The race will be 4 miles or twice around the course. The following are the handicap and sailing rules.

HANDICAP RACES
CHESTER RIVER YACHT AND COUNTRY CLUB
1938 SEASON

The Course to be 4 miles, each race twice around the course. Six races for each series to be run off on Sunday afternoons at 2 p. m.

The first to be held off the Club pier on Sunday, June 26, 1938.

All types of sailing craft may be entered.

In handicapping the over all length will be taken, the time allowance to be 7 seconds per mile for each foot of difference in rating; that is, a 15 foot would have 35 seconds per mile allowance over a 20 foot boat.

The winner of the first race will have two feet added to his rating and the one coming in second will have one foot added to his rating.

The last boat will have two feet deducted from his rating and the next to last will have one foot deducted from his rating.

The same change will take place after each race.

Points to be awarded each boat according to the reverse order in which they finish, for example, according to time allowance, the first of eight would get eight points, the second seven points, etc. In addition, each

SCHOOL BOARD MUST APPOINT SUPT. OF SCHOOLS

State Board Rules Hold-Over Appointment Illegal

May Withhold State School Funds

According to a ruling made this week by the office of the Attorney General of Maryland, the hold over of the Superintendant of Schools, of Kent County until next May, due to the failure to make a three year appointment, is contrary to the act of 1922.

It will be remembered that at the May meeting of the Kent County Board of Education that body failed to make an appointment of Superintendant of Schools due to the fact that the Board was deadlocked in the selection of one of three men whose names were proposed for the office. It was generally supposed that the result of this action was that the present encumbent, Professor Louis C. Robinson would automatically hold that office until the May meeting next year.

The State Board of Education, which has apparently kept nands of in the matter of appointment other thna the fact that the appointee must have its approval, stated this week that the regular three year term appointment must be made of the present encumbent or some one else who meets the approval of the State Board.

To further bear out the importance of making the appointment immediately the State Board further stated that State educational funds due Kent County will be withheld until the appointment is made.

It is apparent that following this ruling, the Kent County Board will have to take immediate action on the matter.

At the regular May meeting, when the apjpointment was due to be made the local Board could not agree due to fact that each of the three members voted for a different man. Following this deadlock a special meeting was held the latter part of that month with the same result. The three men who were under consideration by the Board were Mr. Louis C. Robinson, the present encumbent, Mr. W. J. Stenger, principal of the Chestertown High School and Herbert C. Caldwell, principal of the Cordova High School, all three are graduates of Washington College.

LOCAL FACTION NAMES TICKET FOR COMING PRIMARY

Endorses Mayor Jackson As Candidate For Governor

The first definite steps taken in the local political situation took place this week when a group of local Democrats, under the name of the Independant Democrats, named a ticket for the forthcoming primary.

This ticket is complete with the exception of candidates for the State Central Committee, Delegates to the Convention, a Sheriff and States Attorney, and is as follows:

SENATE— Charles F. Wheatley, Chestertown.

HOUSE OF DELEGATES—J. Horton Silcox, Worton; Tilghman Hubbard, Rock Hall.

CLERK OF CIRCUIT COURT—Robert A. Shallcross, Rock Hall.

REGISTER OF WILLS, W. Paul Joiner, Worton.

TREASURER—James J. Hadaway, Chestertown.

COUNTY COMMISSIONER—Robert W. Johnson, Sassafras; Samuel J. Massey, Chestertown; Wm. C. Francis, Rock Hall.

JUDGES OF ORPHANS' COURT—L. Rochester Vansant, Galena; Harry Redmile, Kennedyville; Frank Cranor, Chestertown, R. R.

Later this week this faction endorsed the candidacy of Mayor Howard Jackson for Governor.

SCHEDULE FOR TOLCHESTER BOAT CHANGED FRIDAY

Morning Ferry Leaves One Hour Later

The schedule of the Tolchester ferry was changed on Friday effecting the morning schedule only.

The time for leaving Baltimore has been changed from 6.30 a. m. to 7.30 a. m.

Arrive Tolchester 9.30 a. m. instead of 8.30 a. m.

Leave Tolchester 9.45 a. m. instead of 8.45 a. m.

Arrive Baltimore 11.45 a. m. instead of 10.45 a. m.

This change in no way effects the afternoon schedule as that schedule remains leaving Baltimore at 5.30 p. m.

Arrive Tolchester 7.30 p. m.
Leave Tolchester 7.45 p. m.
Arrive Baltimore 9.45 p. m.

It is understood that this change was made due to the fact that the 6.30 a. m. boat from Baltimore was too early for traffic coming to the Eastern Shore.

Colin F. Stam Gets Important Tax Position

Colin F. Stam, widely known Washington attorney and tax expert, today was named as chief of staff of the joint congressional committee on internal revenue taxation.

Mr. Stam who has been counsel to the committee, succeeds Lovell H. Parker, who has resigned, effective July 1. A native of Maryland, he holds a law degree from Georgetown University, and during the World War served as an ensign in the Navy. He was formerly an attorney in the Treasury Department.

Mr. Stam graduated from Washington College and is the son of Mrs. Annie H. Stam, of Washington, formerly of Chestertown. He is a brother of Mr. Donald F. Stam, of Chestertown.

STATE TO ENFORCE DISPOSAL PLANT IN CHESTERTOWN

Mayor and Council Met With State Board Thursday

At the request of the State Board of Health, Mayor Philip G. Wilmer and Councilmen R. H. Rogers and Charles Wheatley met with that body in Baltimore on Thursday of this week with reference to a correction of the present method of sewerage disposal. It will be remembered that in 1932 the State Board of Health, after conducting a series of tests of Chester River within a three mile radius of Chestertown, ordered the town authorities to cease emptying raw sewerage in the river by February 1933. The State Board put the matter in the hands of the Attorney General's office for enforcement under an existing State law.

The Mayor and Council of Chestertown at that time proceeded to comply with the order by buying a plot of ground near Radcliffe and employed an engineering firm to make a survey of the town for a disposal plant system. The matter was then dropped following a plea by town authorities that due to the economic conditions at that time, such a program would be a hardship.

The estimated cost of the plant has been put at $40,000 and it is understood that there is a possibility of securing a 45 per cent grant from the Federal government. It has been further stated that the maintenance cost of the plant would be approximately $1,500 a year. As a result of the meeting on Thursday it is very apparent that the State is going to enforce their previous order at an early date. In view of this order the town authorities requested the State to find out as to whether the Federal grant could be secured and if not to arrange another meeting before final action was taken.

Park Services To Start July 3rd

The Union Sunday evening Park services will be conducted through the months of July and August with the Methodist Protestant, Methodist Episcopal, and Protestant Episcopal Churches cooperating. The first service will be held Sunday evening, July 3 at 7 o'clock. Dr. C. L. Atwater will be in charge of the service. The special committees fo the three churches met and elected the following men to have charge of the Park services: Platform and benches, Everett Lamdin; lights, Hope Hudson; loud speaker, Ernest Leverage; piano, Conlyn Noland; Treasurer, Robert Huey; ushers, Charles Wheatley, Clinton Jones, J. S. Kregeer, John Starkey, Mr. Schreiber, and Mr. Wood. Each minister will arrange for the music for his service. The public is invited to participate in all these services that they might be the means of serving the community to the largest and most profitable degree.

Charles Harrison Dies At Rock Hall

Charles Henry Harrison, aged 61 years, died at his home in Rock Hall Thursday, June 23rd. He followed the water as a profession and was caretaker at Turkey Point Gun Club on Kent Island.

He is survived by his wife, Nettie V. Harrison 1 brother, Richard Harrison, of Rock Hall, and the following children, Ray W. Harrison of Rock Hall and Mrs. Margaret Goodman and Mrs. Oliver Kendall of Baltimore.

Funeral services will be held Sunday at 2 p. m. at the Rock Hall M. E. Church, to be conducted by Rev. Louhoff. Interment will be in Wesley Chapel cemetery. The bearers will be: Messrs. Richard Harrison, Samuel and Thomas Collyer, Charles Jewell, John Joiner and Joseph Gogalski. Marvin Williams is in charge of funeral arrangements.

Miss Mary Carroll Resigns Teaching Position

Miss Mary W. Carroll tendered her resignation as teacher at the Chestertown High School after having served in the high and elementary departments for the past 40 years. No appointment has been made to fill the vacancy.

The vacancy caused by the resignation of Mr. Lamborn as commercial teacher was filled by the appointment of Mr. John W. Martin who resigned that position last year to accept a position at the State Normal School at Salisbury.

The School Board also received the resignation of Miss Mary Horner of the Morgnec School.
