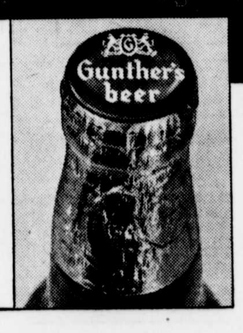
WHO ELSE WANTS TO DRINK BEER *from a Clean Bottle?*

1 → THE PROTECTING **FOIL TOP** *Found on most Premium Beers*



2 → ZIP OFF THE CAP.. **CLEAN! SAFE!** *Untouched by dirt or human hands*

AT BALL GAMES, Picnics, Fishing Trips . . . wherever you drink beer from the bottle . . . it pays to insist on the new Gunther foil-protected bottle. Even when you pour your beer into glasses, dirt and dust is often lodged under the cap of ordinary bottles. But you KNOW you're SAFE with Gunther's at all times.

You'll enjoy the grand flavor of Gunther's more than ever, when you KNOW that dirt, or human hands have never touched the surface you drink (or pour) from!

GUNTHER'S has long been the leading beer in this part of the country . . . and during the past few years the sales of Gunther's bottle beer have soared. Doubled! And *then* some!

And as sales increased Gunther's have done everything to make its product the finest that could be brewed . . . Since every logical method had already been used to improve the product itself, Gunther's took the next step:

To return greater value to you for your increased patronage, Gunther's has improved the package, so that today it is not only handsome and attractive, BUT (and this is *more* important) it is the *first* local beer to bring you the foil-protected top used by premium beers.

Thus again . . . Gunther's thinks FIRST of YOUR interests. That makes it easy for you to insist on Gunther's *FIRST*, LAST and ALWAYS!
