

Gift of Good Nature

Good nature is generally born with us; health, prosperity, and kind treatment from the world are great cherishes of it where they find it, but nothing is capable of forcing it up where it does not grow of itself.

How Many Pennies Your Child's Life?

Don't Try to 'Save' on Home Remedies—Ask Your Doctor

There is one point, on which practically all doctors agree. That is: Don't give your child unknown remedies without asking your doctor first.

All mothers know this. But sometimes the instinct to save a few pennies by buying "something just as good" overcomes caution.

When it comes to the widely used children's remedy—"milk of magnesia"—many doctors for over half a century have said "PHILLIPS."

Keep this in mind, and say "PHILLIPS' MILK OF MAGNESIA" when you buy. Comes now, also in tablet form. Get the form you prefer. But see that what you get is labeled "Genuine Phillips' Milk of Magnesia."

ALSO IN TABLET FORM: Each tiny tablet is the equivalent of a teaspoonful of genuine Phillips' Milk of Magnesia.
