CARRY YOUR ALKALIZER WITH YOU

IF OVER-EATING CAUSES ACID INDIGESTION—

—HERE'S THE SENSIBLE THING TO DO

The fastest way to "alkalize" is to carry your alkalizer with you. That's what thousands do now that genuine Phillips' comes in tiny, peppermint flavored tablets—in a flat tin for pocket or purse. Then you are always ready.

Use it this way. Take 2 Phillips' tablets—equal in "alkalizing" effect to 2 teaspoonsful of liquid Phillips' from the bottle. At once you feel "gas," nausea, "over-crowding" from hyper-acidity begin to ease. "Acid headaches," "acid breath," over-acid stomach are corrected at the source. This is the quick way to ease your own distress—avoid offense to others.

Besides easing certain pains, Cardui aids in building up the whole system by helping women to get more strength from their food. Cardui is a purely vegetable medicine which you can buy at the drug store and take at home. Pronounced "Card-ee."

HELP KIDNEYS

To Get Rid of Acid and Poisonous Waste

Your kidneys help to keep you well by constantly filtering waste matter from the blood. If they get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.

Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.

You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—find weak, nervous, all played out.

In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills. A multitude of grateful people recommend Doan's. Ask your neighbor.

Divining Rod Failure as Discoverer of Water

State College, Pa.—If you want to know where to dig a water well, throw away your divining rod and just take a guess. You'll have better luck that way, tests conducted by Pennsylvania State college psychologists reveal.

After controlled experiments on a Pennsylvanian who claimed the power to locate water with the legendary willow wand, two instructors

found that the "diviner's" average was even lower than the results obtained by "sneezer" guess.

The willow wand wielder was asked to "do his stuff" over two specially prepared boxes. With the bough-bender out of the room the professors secreted water bottles under one of the boxes, then under both boxes and then left the water out altogether.

The score card revealed that the twig-tipper was slightly less successful in locating the water bottles

than was the country boy at the county fair in naming the walnut shell under which the pea rested.

Favorite Recipe of the Week

FRESH fruit pies are always good, but fresh grape pies are worthy of superlatives in description. The thickening may be cornstarch, eggs, flour or tapioca, depending upon preference. Tapioca is suggested in this recipe.

Grape Pie.
3 1/2 cups prepared grapes
2 1/2 tablespoons quick-cooking tapioca
1/4 teaspoon salt
1 1/2 cups sugar

Wash and stem the grapes. Press the pulp from the skins with the fingers. Simmer pulp slowly until soft, then press through sieve to remove the seeds. Combine 3/4 cups of pulp and skins together with salt, sugar and tapioca and let stand for 15 minutes. Place rolled pastry in pie pan. Fill pan with grape mixture. Moisten edge of pastry and fold inward, even with the edge of the pan. Moisten edge again and place top pastry on pie. Press edges together with a fork and trim off surplus crust. Bake in hot oven (425 degrees) for fifteen minutes. Decrease heat to 350 degrees, moderate heat and bake about twenty-five minutes longer.

Uncle Phil Says:

Laws Are a Retreat

It isn't laws that Americans need to enable them to get along together, but a decent regard for each other.

You cannot often communicate the lesson you have learned by experience.

The hardy pioneer, rest his soul, cut down so many trees that his descendants, bless their souls, now have to restore them for their descendants.

Truth is stranger than fiction, but most of the facts about truth never come out.

A Very Salutary One

The best part of experience is the scares it puts into you.

Photograph albums should be reviewed. That was the only way of getting some idea of the family tree.

Be free with compliments. They cost you nothing, but the surrender of your stiff-necked will.

Boys who run away from home usually repent within a week and they have learned a valuable, lasting lesson: that imagination can't be trusted.

One way to learn patriotism toward your country is to have to live in a foreign land.

It's Considered Eccentricity

In a village, as elsewhere, genius is usually not encouraged. But few know that is what it is.

Logic, in time, conquers all. Because logic is distilled common sense.

Display windows of a large city are a great exhibitional delight, even if one can't afford many objects he sees or cares not to have them.

87 SPEED RECORDS BROKEN TO MAKE TIRES SAFER FOR YOU

Never Before Have Tires Been Put to Such Gruelling Torture

Ab Jenkins, World's Safest Driver, Establishes 87 New Records for Safety, Speed, Mileage and Endurance... He Drove 3,774 Miles in 24 Hours on the Sharp Granite Surface of the Bonneville Salt Bed at Average Speed of 157.27 Miles an Hour

AT SPEEDS as high as 180 miles an hour—with the hot, coarse, abrasive salt grinding, tearing, scorching his tires—Ab Jenkins' special racer, weighing nearly three tons, pounded over the Bonneville Salt Beds at such terrific speed that it caused the surface to break up. Before the end of the run the track was so pitted and rough that it was almost impossible to hold the car on its course. Yet Jenkins set 87 new World, International and American speed records on Firestone Tires.

Building tires capable of establishing such records is made possible by patented Firestone manufacturing processes. These exclusive features enable Firestone to provide car owners with extra safe tires.

For the greatest protection equip your car with Firestone TRIPLE-SAFE Tires. By TRIPLE-SAFE we mean—

- 1 PROTECTION AGAINST SKIDDING—The scientific tread design stops your car up to 25% quicker.
- 2 PROTECTION AGAINST BLOWOUTS—The Firestone patented Gum-Dipping process contracts internal friction and heat that ordinarily cause blowouts.
- 3 PROTECTION AGAINST PUNCTURES—Two extra layers of Gum-Dipped cords under the tread give extra protection against punctures.

Make your car tire-safe for fall and winter driving. Join the Firestone SAVE A LIFE Campaign today by letting your Firestone Dealer or Firestone Auto Supply and Service Store equip your car with a set of new FIRESTONE TRIPLE-SAFE Tires—the safest tires that money can buy!
