Andrew Mehaffey. The object of this bill is to obtain the recording of a deed bearing date on the 21st day of November, in the year 1807, from the said Andrew Mehaffey to John Kelso, for the assignment of a mortgage, heretofore given by a certain Thomas Culberson to the said Andrew Mehaffey, bearing date on or about the 4th day of March, in the year 1806, which assignment of said mortgage hath not been recorded with-

in the period prescribed by law. The bill states that the said Medcalf hath purchased the said mortgaged property without a knowledge that the legal title was outstanding in a mortgage, that the omission to record said assignment was from ignorance and not from any fraudulent design, that said John Kelso is willing when said assignment shall be recorded, to make conveyance thereof to said Medcalf, thereby to complete his title in the property described in said deed. The bill states that the said Andrew Mehaffey resides out of the state of Maryland. It is thereupon ordered that the complainants by causing a copy of this order to be inserted at least once a week in each of three sucessive weeks before the 10th day of February next, give notice to the said Andrew Mehaffey the defendant, that he be and appear in this court in person or by solicitor, before the 10th day of June next, to answer the premises and to shew cause if any he hath why said decree shall not pass as prayed.
