NEW YEAR'S COMING

WISHING YOU "A HAPPY NEW YEAR"

KAHN'S GOOD CLOTHES

"MOSE" has been selling his good clothes to the good folks of Baltimore and Harford counties for going on thirty-seven years—and his dealings with them have always been pleasant. "Mose" knows the kind of clothes the country "boys" want—good, strong, serviceable and dressy clothes—and that's the kind he has always given them. Kahns Clothes ARE good clothes—because "Mose" makes every stitch of them right here on his own premises—cuts them from the cloth in the bolt and sews them—and when you buy a suit or an overcoat or a pair of pants from him you are not only getting the full worth of your money, but you are getting satisfaction—for "Mose" says if the goods don't "pan out"—if they are not as good as he says they are—you can come back and get your good money.

MOSES KAHN

KAHN'S LOW PRICES

"MOSE" sells his good clothing from 30 to 40 per cent. less than the same class of goods can be bought for in any other clothing store in Baltimore. This is because "Mose" owns his own premises and he doesn't have to pay high store rent—nor does he have to pay manufacturer's and jobbers' and wholesalers' profits—for he is his own manufacturer and jobber and wholesaler—and these profits are that much saved and just that much less you have to pay him. "Mose" wants to see all of his old county friends this Christmas—and to make the inducement strong he is going to make prices so low that all of his old friends will want to see him. This sale holds good as long as the suits and overcoats do—but don't be too long about coming. Drop in anytime on market days—or any other day—and pick out what you want and have it over.
