RAISE MORE HOGS
AT LESS COST
BY USING

HOG FEED

The most valuable pig for a breeder to raise is the one that will give him the most money for the feed consumed.

Spring Garden Hog Feed is all food, no waste. The protein content is practically all digestible as compared with 70% digestibility in corn.

It is made from corn germ or hearts, corn oil meal, corn bran and part of the crown portion of the kernel. Thoroughly kiln-dried and sterilized; packed clean by machinery; free from dust and adulterants. Guaranteed to keep pure and sweet and do all we claim for it or money back.

Spring Garden Hog Feed is the most economical pork producer on the market. Superior feeding value proven by Agricultural Station tests.

Farmers who raise both cereal crops and stock can profitably sell their corn and use Spring Garden Hog Feed. This can be readily demonstrated by breeders who will compare results.

Write for samples and prices if your dealer cannot supply you with "Spring Garden" Brand.

The Lowest Priced 4,000-lb. Capacity Truck in the World.

It takes 10 acres to grow the feed a team of horses consumes in a year. Traffic Trucks feed on gasoline, which is cheaper. It costs on an average of \$1.20 a day to feed a team—for \$1.20 worth of gasoline a Traffic will haul a 4,000 lb. load 56 miles in 4 hours. Figure it out for yourself, brother—and besides, the Traffic is the lowest priced 4,000-lb. capacity truck in the world. It saves you hundreds of dollars in first cost and cuts the cost of hauling with teams in half.

See it today.

Service MOTOR TRUCKS
BUILDERS of BUSINESS

Mean Assured
Transportation
For The
Farmers.

NOTE the increased number of FARMERS, who are now using SERVICE MOTOR TRUCKS to bring their products direct from the farm to the city markets. Every day you can see new faces driving up to the commission houses with a new truck, loaded heavily with fresh vegetables, getting exceptional prices for them, due to their quality.

The farmer with a horse and wagon is looked upon as one of the old days, when rapid transit meant practically nothing. This means of transportation is steadily passing away and the SERVICE MOTOR TRUCK is taking its place. NOW IS YOUR TIME, MR. FARMER, to get into the new way of doing business and buy a truck.

We have one of the largest service stations in the East, which is at your disposal day and night. This department is well supplied with every part needed in adjusting your truck and in charge of only the very best motor experts.
