"MOSES" GOOD COMMANDMENTS.

THOU shalt have no other Moses in Baltimore but "Moses Kahn of Old Town" for there is no other Moses that sells "Kahn's Good Klothes" and there's none that sells at his low prices.

Thou shalt honor "Moses Kahn of Old Town" and speak well of him, for indeed, he is your friend and is ready at all times to serve you in time of need.

Thou shalt pay no heed to those who would take "Moses" good name in vain and bear false witness against him, for there are many who envy him because his people like him and follow him and keep his commandments.

And be not deceived by the vain boasts of "Moses" adversaries. They would play upon you as they would upon a stringed instrument and take your last penny and give you the glad ha!

For their ways are ways of wickedness and their paths are set with snares and pitfalls.

There is But One "Moses Kahn of Old Town"

MOSES KAHN OF OLD TOWN

"MOSES" GOOD COMMANDMENTS.

COVET not the suit nor the coat nor the pants which thy neighbor wears, but come straight to "Mose" and get as good or better for less money, if you want it.

And be sure when you start here that you get here. There are those along the highway who would intercept you and even tell you that they were "Moses Kahn of Old Town." Give not thine ear to them, but pass them by as you would the idle wind.

"Moses Kahn of Old Town" writes these things because he is a jealous "Mose," and he loves his people and watches over them as the great loving Father watches over us all.

And the last of "Moses" good commandments is that thou shalt attend his great Suit and Pants Sale promptly. Every suit in the house is reduced to less than manufacturer's cost and Pants are almost given away.

Come and stock up for another season.

Whereas, at the January Session of the General Assembly of Maryland, held in the year 1920, Acts were passed, to wit: Chapter 319 proposing an amendment to Section 15 of Article III of the Constitution of the State, title "Legislative Department," regulating the compensation of Members of both Houses of the General Assembly; and Chapter 326 proposing an amendment to Section 37 of Article 4 of the Constitution of the State, title "Judiciary Department," regulating the pay of Clerks of Courts, and which said Chapters 319 and 326 are in the words and figures following:

CHAPTER 319.

AN ACT to propose an amendment to Section 15 of Article III of the Constitution of the State of Maryland, title "Legislative Department," regulating the compensation of the members of both Houses of the General Assembly of Maryland, and to provide for the submission of said amendment to the qualified voters of the State of Maryland for adoption or rejection.

SECTION 1. Be it enacted by the General Assembly of Maryland, (three fifths of all the members of each of the two Houses concurring), That the following be and the same is hereby proposed as an amendment to Section 15 of Article III of the Constitution of the State of Maryland, title "Legislative Department," as now provided, to be submitted to the qualified voters of the State of Maryland for adoption or rejection.

15. The General Assembly may continue its session so long as it in its judgment the public interest may require for a period not longer than ninety days, and each member thereof shall receive a compensation of three hundred dollars per annum and five dollars per day, he shall not attend the session, but not for such days as he may be absent, unless absent on account of sickness or by leave of the House of which he is a member and he shall also receive such mileage as may be fixed by law, not exceeding twenty cents per mile; and the presiding officer of each House shall receive an additional compensation of five dollars per day.

SECTION 2. And be it further enacted by the authority aforesaid, That said amendment to Section 15 of Article III of the Constitution of the State of Maryland shall, at the next general election for Members of Congress held in this State, be submitted to the legal and qualified voters of the State, for their adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of the State of Maryland, and at the said general election the vote on the said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment," and "Against the Constitutional Amendment," as now provided by law, and immediately after the said election due returns shall be made to the Governor of the State, for and against said proposed amendment, as directed by said Fourteen Article of the Constitution, and the proceedings had in accordance with said Article Fourteen.

WEAK, NERVOUS, ALL RUN-DOWN

Missouri Lady Suffered Until She Tried Cardui.—Says "Result Was Surprising."—Got Along Fine, Became Normal and Healthy.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. 'I saw after taking some Cardui... that I was improving. The result was surprising. I felt like a different person.'"

"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me. . . . My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it."

Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments.

Here's the Little Machine That Is Revolutionizing Wood Cutting

WADE'S Gasoline DRAG SAW

Cuts 25 Cords A Day

Has a capacity of 25 cords a day and will pay for itself in a season's work and leave you a handsome profit besides.

When loaded with gasoline and water it weighs only 285 pounds. One man can move it on a log and it only takes two to shift it from one log to another. Don't be fooled with rigs mounted on wheels. They could not be hauled otherwise on account of their weight. They have 4-cycle engines of only 3 horse power with valves and springs. Our 2-cycle engine is compact light weight (being 1/2 or only 285 pounds complete) 4 horse power and eliminates valve and spring trouble. We furnish 6 foot blade regular; 5 or 7 foot if desired. There is only ONE WADE and it has half a century reputation behind it.

Cuts a 40-inch log in five minutes, about ten times as fast as two men with a cross-cut saw can do it in the old-fashioned way.

It's just as far ahead of hand power as the automobile is ahead of walking—in fact, it's the application of the auto principle to the saw.

The WADE SAW is equipped with a 4 horse power, 2-cycle gasoline engine, driving the saw with abundant power, while a safety clutch prevents the saw pinching in the cut. Saw has 20-inch stroke and one gallon of gasoline will cut about ten cords of wood.

PRODUCE MORE EGG!

THEY CAN'T HELP IT

IT'S BUILT IN THE MASH

You can do it easy and sure if you get away from the old-fashioned idea of feeding nothing but Scratch Feed alone. While Scratch Feed is absolutely essential, it will not make eggs when fed alone. You must furnish your birds a variety of protein and there is no greater mash feed on the market that will fill this requirement as well as RED COMB MASH FEED WITH DRIED BUTTERMILK, and in considering a mash feed it is well to study the ingredients from which it is composed. It is the quality that counts, not the quantity. Rich, heavy feed that force eggs are most liable to injure the birds' health and breeding qualities. RED COMB MASH FEED is made from Dried Buttermilk, Linseed Oil Meal, Corn Feed Meal, Meat Scraps, Wheat Middlings, Wheat Bran, Ground Oats, Alfalfa Meal, and not over 5 per cent. shell. These ingredients are all highly digestible, and you can always rely on Red Comb to produce natural, steady layers.

WHY RED COME IS GREATEST EGG PRODUCER

IT CONTAINS GREATEST VARIETY OF HIGHLY DIGESTIBLE PROTEINS

This is a very important point in regard to the protein contents. It is not only the quantity of protein, but the variety of highly digestible protein that encourages heavy egg production. Red Comb Mash Feed is far in advance of the average mash feed on the market because the birds get more from the feeds than from other rations. You get:

Animal Protein from the Meat Scraps, Leaf Protein from the Alfalfa Meal, Cereal Protein from the other ingredients, Milk Protein from the DRIED BUTTERMILK.
