"MOSES" GOOD COMMANDMENTS.

THOU shalt have no other Moses in Baltimore but "Moses Kahn of Old Town," for there is no other Moses that sells "Kahn's Good Klothes," and there's none that sells at his low prices.

Thou shalt honor "Moses Kahn of Old Town" and speak well of him, for indeed, he is your friend and is ready at all times to serve you in time of need.

Thou shalt pay no heed to those who would take "Moses" good name in vain and bear false witness against him, for there are many who envy him because his people like him and follow him and keep his commandments.

And be not deceived by the vain boasts of "Moses" adversaries. They would play upon you as they would upon a stringed instrument and take your last penny and give you the glad ha!

For their ways are ways of wickedness and their paths are set with snares and pitfalls.

There is But One "Moses Kahn of Old Town"

MOSES KAHN OF OLD TOWN

"MOSES" GOOD COMMANDMENTS.

COVET not the suit nor the coat nor the pants which thy neighbor wears, but come straight to "Mose" and get as good or better for less money, if you want it.

And be sure when you start here that you get here. There are those along the highway who would intercept you and even tell you that they were "Moses Kahn of Old Town." Give not thine ear to them, but pass them by as you would the idle wind.

"Moses Kahn of Old Town" writes these things because he is a jealous "Mose" and he loves his people and watches over them as the great loving Father watches over us all.

And the last of "Moses" good commandments is that thou shalt attend his great Suit and Pants Sale promptly. Every suit in the house is reduced to less than manufacturer's cost and Pants are almost given away.

Come and stock up for another season.

CHAPTER 319.
AN ACT to propose an amendment to Section 15 of Article III, of the Constitution of the State of Maryland, title "Legislative Department," regulating the compensation of the members of both Houses of the General Assembly of Maryland; and to provide for the submission of said amendment to the qualified voters of the State of Maryland for adoption or rejection.

SECTION 1. Be it enacted by the General Assembly of Maryland, (three-fifths of all members of each of the two Houses concurring) That the following be and the same is hereby proposed as an amendment to Section 15 of Article III of the Constitution of the State of Maryland, title "Legislative Department," the same if adopted by the legally qualified voters of the State, as herein provided, to become Section 15 of Article III of the Constitution of the State of Maryland.

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried everything I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. . . I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 85

Here's the Little Machine That Is Revolutionizing Wood Cutting

WADE'S Gasoline DRAG SAW
Cuts 25 Cords A Day

Has a capacity of 25 cords a day and will pay for itself in a season's work and leave you a handsome profit besides.

When loaded with gasoline and water it weighs only 285 pounds. One man can move it on a log and it only takes two to shift it from one log to another. Don't be fooled with rigs mounted on wheels. They could not be hauled otherwise on account of their weight. They have 4-cycle engines of only 3 horse power with valves and springs. Our 2-cycle engine is compact light weight (being 1/2 or only 285 pounds complete) 4 horse power and eliminates valve and spring trouble. We furnish 6 foot blade regular; 5 or 7 foot if desired. There is only ONE WADE and it has half a century reputation behind it.

Cuts a 40-inch log in five minutes, about ten times as fast as two men with a cross-cut saw can do it in the oldfashioned way.

It's just as far ahead of hand power as the automobile is ahead of walking—in fact, it's the application of the auto principle to the saw.

The WADE SAW is equipped with a 4 horse power, 2-cycle gasoline engine, driving the saw with abundant power, while a safety clutch prevents the saw pinching in the cut. Saw has 20-inch stroke and one gallon of gasoline will cut about ten cords of wood.
