

AT THE  
**Great Timonium Fair**

one of the most interesting exhibits, and one that you do not want to miss, is the Seitz line of SERVICE TRUCKS, the powerful brutes that will give more ton mileage for the least cost of any truck made.

Made in all sizes for all purposes, one to five tons. Also in solid or pneumatic giant tires.

**MOTOR TRUCKS**  
BUILDERS of BUSINESS

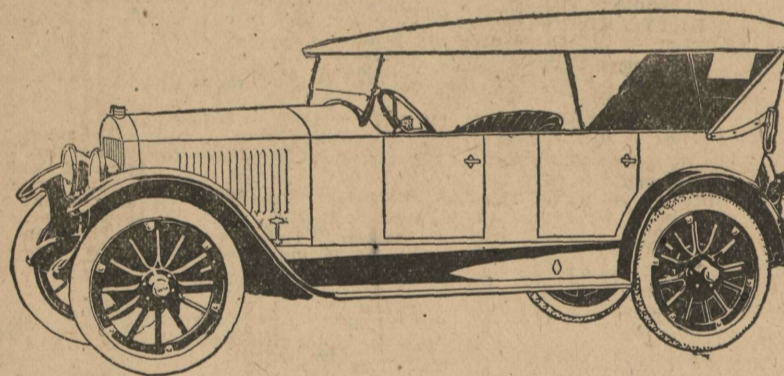

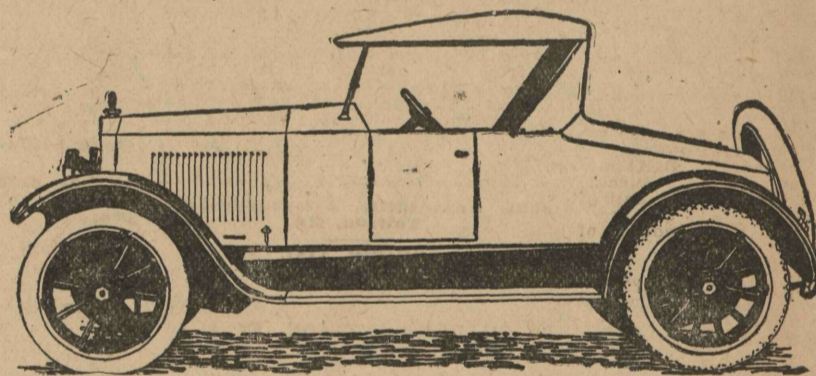

Take up your hauling problems with the men in charge. We can save you money and future regrets.

The well-known VELIE line is undoubtedly the most constant line of cars made, every year having produced a good model. The line this year has developed the leading lines of their price class for the year.

The Big Six model 48, made in touring, sport model, sedan, coupe and roadster.  
The Light Six touring car, which sells at \$1585, factory, is the leader in its price class.
