

A Job, and Ability to do it.

AS the pick-up truck with every fleet of heavy dump trucks—the all-purpose body about the industrial plant—equipment for the contractor or farmer—the steel Commerence Dump Body with worm gear Hoist is proving its ability.

The tail gate is reversible—the tire equipment Pneumatic Cord—capacity 1½-2 tons.

Steel body and Hoist weigh 865 pounds as against 1050 pounds allowable weight for a 1½ ton truck. This means added pay load capacity without loss of strength.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. I saw after taking some Cardui . . . that I was improving. The result was surprising. I felt like a different person."

"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me . . . My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it."

Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments. For sale everywhere. E.33
