RASPEBURG.
Mrs. Catherine Hofstetter, widow of the late Lawrence Hofstetter, of Gardenville, died on Sunday evening, aged 93 years. Mrs. Hofstetter has enjoyed excellent health until a month ago, when she was paralyzed and remained helpless until her death. She is survived by two sons, Mr. Wm. H. Hofstetter, Sr., and John H. Hofstetter; three daughters, Mrs. J. Harmon Schone, Mrs. Henry Schone and Miss Anna Hofstetter, and 14 grandchildren. Burial was made in Jerusalem Cemetery, adjoining the Hofstetter property, on the Belair Road. Overlaid M. E. Sunday-school will be held on Tuesday evening, December 28, in the Sunday-school room. Old Santa has promised to be present.

ARMACOST.
Mr. Boring of Boring, is not in it with his big hogs, for Howard Fowle, of near here, slaughtered one that tipped the scales at 735 lbs. dressed. That beats Mr. Boring by 200 lbs.

Undoubtedly Mr. William Rhoten has the fastest horse in this section. One evening while driving to Hampstead an auto passed him, fairly scraping his wheels. Not liking the way it was done, he came to the conclusion that he would take the lead himself, so he spirited up the old sorrel mare and within one hundred yards he was leading again and remained there until reaching Hampstead. Mr. Rhoten contemplates taking her to the "Great Allentown Fair" next season.

Miss Daisy Bull is a cracker-jack on home-made candles. No wonder the boys like to go to the blacksmith shop. Mrs. H. P. Kelley, who suffered a severe attack of quinsy, is convalescing.

Miss Maria Armacost had a slight cold. The Christmas trees struck the end of M. Adams's last, shortening the glass and causing a severe attack of cold. The office of the great sale grows as it goes.

It's the great confidence that the people have in "Mose" that gives him such a wonderful business.

His great sale of Suits and Overcoats now going on is something out of the ordinary.

It is exceptional because the goods are from 30 to 40 per cent. under the regular market price.

And it is most exceptional because every suit and overcoat that "Mose" gives in this sale is his own good make—Kahn's Good Clothes—cut from the cloth in the hall that comes from the best wooden mills in the country—and tailored and made up right here on his own premises.

Here's the Little Machine That Is Revolutionizing Wood Cutting

WADE'S Gasoline DRAG SAW
Cuts 25 Cords A Day

Has a capacity of 25 cords a day and will pay for itself in a season's work and leave you a handsome profit besides.

When loaded with gasoline and water it weighs only 285 pounds. One man can move it one log and it only takes two to shift it from one log to another. Don't be fooled with rigs mounted on wheels. They could not be hauled otherwise on account of their weight. They have 4-cycle engines of only 3 horse power with valves and springs. Our 2-cycle engine is compact light weight (100 lbs.) or only 285 pounds complete. 4 horse power and eliminates valve and spring trouble. We furnish 6 foot blade regular, 5 or 7 foot if desired. There is only ONE WADE and it has half a century reputation behind it.

Cuts a 40 inch log in five minutes, about ten times as fast as two men with a cross-cut saw can do it in the old-fashioned way.

It's just as far ahead of hand power as the automobile is ahead of walking-in fact, it's the application of the auto principle to the saw.

The WADE SAW is equipped with a 4 horse power, 2-cycle gasoline engine, driving the saw with a single power shaft, shaft and gears, and a single power shaft, shaft and gears, and a single power shaft, shaft and gears.
