MODISH TAILORED FROCK which uses ribbons and beads for its attractive and original trimming. Grosgrain ribbon is applied in a simple up and down design, with beads placed between the rows of ribbons at regular intervals and also on the ribbon itself. Photo-Art and News Service

PROUD FATHER. — Richard Barthelmess, now making a new film, "The Enchanted Cottage," a First National attraction, finds plenty of enchantment in real as well as reel life in playing with his little two-year-old daughter, Mary Hay Barthelmess.

SIMPLE YET DISTINCTIVE is this American-designed frock of printed silk, with the fan-shaped girdle garniture of tight little ribbon rosebuds in three colors, with eight streaming loops of scalloped ombre ribbon bordering the hem of the skirt.
