Threshing Machines.

Linton's Iron Geared Threshing Machines--Warranted to be the very best in the Market.

THIS machine is driven with an iron rod in the place of a band. There is no slipping of bands about this machine, which has been a great trouble and expense by losing time to fix the bands, which often occurs to all machines worked with a band. This IRON GEARED MACHINE is warranted to thresh faster, with less horse power, than any band-machine. It is warranted to give perfect satisfaction. We sold last year 63 of these machines in Anne Arundel and Charles Counties. We give some few references:

Owen Cecil, George Claytor, Mathew Hardesty, N. L. Darnall, John Jones, Dr. Jacobs, } Anne Arundel County.
John T. Barber, W. P. Hardesty, Captain Stallings, } Calvert County.
Francis T. Soper, Prince George's County.
H. L. Mudd, Josiah Hawkins, J. N. Harrison, } Charles County.

Any farmer wanting one of these machines will please call on H. M. LITCH, JOHN KEPLINGER, (our agent,) or GEORGE CLAYTOR, who will give all the information desired. The price of our best six horse machines, with PLATE, BARS, HORSE POWER and STRAW CARRIER, all complete for threshing is $165, delivered on board vessels in Baltimore. Four Horse Power and Machine, finished in the same style, $150—and fully warranted.

We have machines for less money, but it is the interest of the farmer to have the best, as it will last double as long. This machine was exhibited at Upper Marlborough at April Court, Annapolis and Port Tobacco, Charles County. When a farmer purchases one one of these machines, and is ready to use it, if he will let me know, I will send a man, free of charge, and set the machine up and start it, and if it does not give perfect satisfaction, he can return it again.

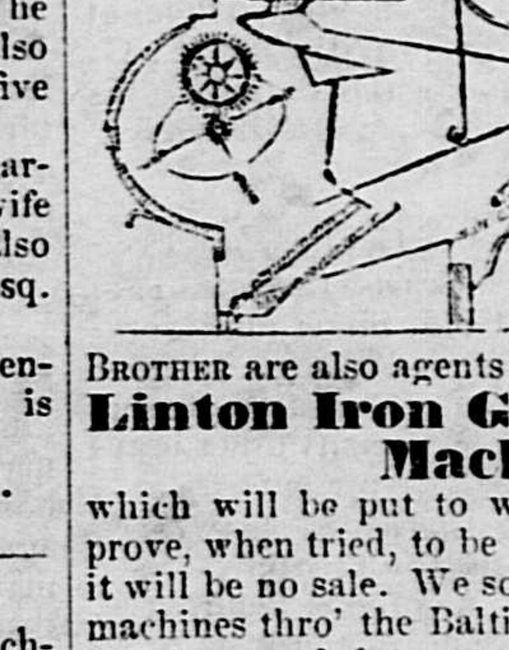

Farmers will please send in their orders at an early day, so that we can ship in good time.

This horse-power can be attached to any mill or corn sheller without any extra expense. Old horse-powers and every kind of old iron taken in exchange. All orders will be promptly attended to. ☞ Warehouse and Office No. 151 North High Street, between Hillen and Gay Streets, Baltimore.

FOR CONGRESS.

AS the time is approaching when the National Union Democratic party of this Congressional District will again be called upon to select a standard bearer for the approaching Congressional contest, I would beg leave to suggest the name of our late distinguished Representative, General THOMAS F. BOWIE, as one that will be the most likely to harmonize all discordant views—unite all who not only profess but practice devotion to constitutional liberty and be certain to lead us to a second victory over a wily, dangerous and now desperate faction. It will be borne in mind that at the last Congressional canvass, the new Union party was but an experiment—an experiment, it is true, fraught with momentous consequences to our future political and social well-being—still, it was but an experiment, and under the leadership of General BOWIE, our cause prospered—our principles triumphed—our enemy was discomfited. Another such canvass, and the Union party would become a "fixed institution" in this Congressional District. Such another canvass can be had if we select as our leader the gentleman who has so satisfactorily to his constituents and so creditably to himself fulfiled all the duties and met all the responsibilities of our Representative in Congress. Under any other standard bearer, I foresee nothing but distraction—division and defeat—General BOWIE for himself, I am confidident, will acquiesce in whatever may be the will of the convention, and labor for its nominee with his accustomed energy and zeal—but he cannot control the voters of the District who think that justice, gratitude, honor, and the success of our principles demand that he shall not be pretermitted to gratify mere caprice or even individual ambition at the sacrifice of most important and vital interests of the district. Success now will make our party the permanently triumphant party of this district.—General BOWIE then would I am sure cheerfully give way to others if the voters of the district should desire a change. But let us make our party; and see the way clear before we presume too much on our own strength or our enemy's weakness.

AN ORIGINAL DEMOCRAT.
April 8, 1857—tf

MR. EDITOR:—As the question of a change in our Congressional delegate has been agitated (although it appears to me we could hardly be more ably represented) I would suggest the name of one of our own countrymen,

MAJOR SAMUEL H. BERRY.

It would be superfluous to mention anything here of Major BERRY's qualifications for the honorable station. Suffice it to say as to experience, energy, highmindedness, and the most pleasing and captivating eloquence, Major BERRY has hardly an equal in the district. His nomination would be hailed with pleasure—and his election certain—as Democrats and Old Line Whigs would support him to a man. R.

$100 REWARD.

RANAWAY from the subscriber, living near Upper Marlborough, Prince George's County, Maryland, negro man

ISAAC.

He is about fifty-five years of age; about five feet ten or eleven inches high; very black. One of his legs bend—but which one not recollected. There is one peculiarity about him, and that is, when spoken to, he is apt to raise his hand and scratch his head. He has a wife belonging to Samuel B. Anderson, Esq., living near Tenally Town, Montgomery County, where, I have no doubt, he is lurking. He has also relations belonging to the estate of the late Col. Trueman Cross, on his plantation, near Upper Marlborough.

I will give the above reward for his apprehension,—no matter where taken,—provided he is brought home or secured in jail, so that I get him again.

I purchased him from Mr. Edmund B. Duvall. His father and mother belongs to Mr. Marcus Du Val, near Buena Vista Post Office, in this county; and he, no doubt, may be found in that neighborhood.

BEN is of a dark ginger color, about twenty-five years of age, five feet ten or eleven inches high; has an impediment in his speech, and when spoken to has a down look and pats his left foot. His clothing not recollected, as he has various kinds.

I will give the above reward for his apprehension—no matter where taken—provided he is brought home or secured in jail, so that I get him again.

☞ As he will have no other stand, there will be no disappointment in sending to him.

He is so well known, a description is unnecessary. His pedigree embraces the most fashionable strains, and he is closely allied to the first trotting horses of the day. His appearance does full credit to his stock, combining in an eminent degree the points of a first class Road Horse, with the most perfect disposition.

SIR HENRY CLINTON.

THIS thorough-bred Horse, and celebrated Trotter, will be let to mares the present season, at the low price of Ten Dollars. If more than two mares are sent by one owner, Eight Dollars each will only be charged. No insurance under any circumstancee.

☞ Fifty Cents to the Groom in every case.

This fine Northern bred trotter was purchased by his present owner with the sole view of improving the breed of draft horses in this section of country, and, looking to his own performances as a fast trotter, and to those of his stock on Long Island, it is believed that no more suitable horse for that purpose could have been selected. SIR HENRY CLINTON has proved himself to be a sure foal getter—as his last season's standing most fully attests.

PEDIGREE:

Sir Henry Clinton was foaled on Long Island, and was got by HENRY DUROC, (a fine race horse,) his dam by imported ROMAN. Through his sire he traces to the celebrated Henry, Eclipse, Old Duroc and Messenger—all fast horses as well as the fastest of trotters. Flying Dutchman, Lady Suffolk, Taconi, and nearly all the fastest trotters of the North are of this family of horses.

He will stand at the stables of his owner, in Upper Marlborough, on *Mondays, Tuesdays* and *Wednesdays.*

On the other days of the week he will visit the plantations of those who may be disposed to patronize him.

☞ The season will commence on the first of April and end on the first of July.

BEN BOLT.

THIS finely formed young horse will be let to mares the ensuing season, commencing on the 20th March, and ending on the 13th of June, at $15 the season, to be discharged by the payment of $10, if paid within the season—insurance $20. Fifty cents to the groom in each case. ☞ A good groom will be provided, but no liability for accidents.

He will stand at Upper Marlborough on *Monday;* (the place for standing on *Wednesday* will be fixed hereafter;) at Queen Anne on *Saturday* of each week; and the remainder of the week at the subscriber's farm.

☞ Where there are three or more mares to be let on one farm the horse will be sent, if the distance be convenient.

BEN BOLT

is a chestnut sorrel, full sixteen hands high, finely formed, and is one of the best saddle and harness horses in the county. The subscriber deems it unnecessary to give a lengthy description, as the horse's appearance and action is his best recommendation. He is six years old next grass. He is by the celebrated horse "RED BUCK," out of a thorough-bred RATTLER mare. He has proved himself a sure foal getter.

STEPHEN BELT.

Fifty Cents to the Groom in every case. ☞ A careful groom will be provided, and every care taken to prevent accidents, but if any, the subscriber will not be responsible for them.

DESCRIPTION AND PEDIGREE:

PRIAM is a dark chestnut sorrel, about sixteen hands high, of fine points and form for action and durability. His superior qualities as a saddle and harness horse cannot be surpassed.—His sire Antrobus, by Imported Priam, out of Aurora; his grand dam Ellen Hoe, by Imported Margrave, out of Lady Culpepper; his dam by Emigrant, which gives him a first rate cross for farming purposes.

He is, for a thorough-bred horse, in good condition, possesses that style and ambition for which he has been especially noted, and has been always considered one of the surest foal-getters, having proved faithful to repeated mares that did not succeed to other blooded horses. He will stand the present season at the following places:

Mondays and Tuesdays—At the Plantation of Col. John D. Bowling, near Woodville.

Wednesdays and Thursdays—At the Plantation of Col. John Henry Waring.

Fridays and Saturdays—At the Plantation of C. C. Magruder, Esq.
