FOR CONGRESS.

AS the time is approaching when the National Union Democratic party of this Congressional District will again be called upon to select a standard bearer for the approaching Congressional contest, I would beg leave to suggest the name of our late distinguished Representative, General THOMAS F. BOWIE, as one that will be the most likely to harmonize all discordant views—unite all who not only profess but practice devotion to constitutional liberty and be certain to lead us to a second victory over a wily, dangerous and now desperate faction. It will be borne in mind that at the last Congressional canvass, the new Union party was but an experiment—an experiment, it is true, fraught with momentous consequences to our future political and social well-being—still, it was but an experiment, and under the leadership of General BOWIE, our cause prospered—our principles triumphed—our enemy was discomfited. Another such canvass, and the Union party would become a "fixed institution" in this Congressional District. Such another canvass can be had if we select as our leader the gentleman who has so satisfactorily to his constituents and so creditably to himself fulfiled all the duties and met all the responsibilities of our Representative in Congress. Under any other standard bearer, I foresee nothing but distraction—division and defeat—General BOWIE for himself, I am confididient, will acquiesce in whatever may be the will of the convention, and labor for its nominee with his accustomed energy and zeal—but he cannot control the voters of the District who think that justice, gratitude, honor, and the success of our principles demand that he shall not be pretermitted to gratify mere caprice or even individual ambition at the sacrifice of most important and vital interests of the district. Success now will make our party the permanently triumphant party of this district.—General BOWIE then would I am sure cheerfully give way to others if the voters of the district should desire a change. But let us make our party; and see the way clear before we presume too much on our own strength or our enemy's weakness.

AN ORIGINAL DEMOCRAT.

April 8, 1857—tf

MR. EDITOR:—As the question of a change in our Congressional delegate has been agitated (although it appears to me we could hardly be more ably represented) I would suggest the name of one of our own countrymen,

MAJOR SAMUEL H. BERRY.

It would be superfluous to mention anything here of Major BERRY'S qualifications for the honorable station. Suffice it to say as to experience, energy, highmindedness, and the most pleasing and captivating eloquence, Major BERRY has hardly an equal in the district. His nomination would be hailed with pleasure—and his election certain—as Democrats and Old Line Whigs would support him to a man.
