WILMINGTON SPRING DOLLAR DAY

Lincoln's Birthday, Wednesday, February 12, will be celebrated in Wilmington by the observance of the official Spring Dollar Day, which will be conducted under the auspices of the Mercantile Section of the Chamber of Commerce. This date was selected particularly because, all schools being closed on that day, it would be a peculiarly opportune time for parents to visit Wilmington from other portions of the State and Peninsula.

Weeks of advance preparation have enabled the more than a hundred leading Wilmington merchants to participate in this event to an even greater extent than ever before, and placed them in a position where they are able to offer to visiting shoppers a long line of unusual values. As usual, official Dollar Day stores will be designated by distinctive Dollar Day window and interior cards which bear the copyrighted emblem of the Chamber of Commerce.

With its usual determination to offer to visitors to Wilmington every possible consideration and courtesy, the Police Bureau will protect visiting motorists from parking restrictions. There is published in this paper a coupon, which, if cut out by the shopper and displayed on the windshield, will permit parking as long as necessary in Wilmington on Dollar Day without interference.

Elbert D. Griffenberg, chairman of the special committee in charge of the Dollar Day, after a thorough survey of preparations made by Wilmington merchants, states that in all the long history of these special sales events he never has seen such values as will be offered on February 12. Arrangements have been made through the employment of additional sales forces to care for any demands that may be made, in a manner which will necessitate no waiting. There will be no advance sales of Dollar Day merchandise, and weather conditions will not prevent Wilmington stores being open promptly at 9 o'clock in the morning.

CHRISTIAN SCIENCE SERVICES

"Spirit" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, Feb. 9. The Golden Text will be from I Cor. 2:10—"The Spirit searcheth all things, yea, the deep things of God." Among the citations comprising the Lesson-Sermon will be the following from the Bible—John 4:24—"God is a Spirit; and they that worship him in spirit and in truth." The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures, page 334—"Spirit being God, there is but one Spirit, for there can be but one infinite and therefore one God."

ECONOMIST AND MILK SPECIALIST EXAMINATIONS

The United States Civil Service Commission has announced open competitive examinations as follows: Economist, various grades, \$2,600 to \$5,600 a year. Associate milk specialist, \$3,200 a year, and assistant milk specialist, \$2,600 a year, Public Health Service, Treasury Department. Full information may be obtained from the secretary of the United States Civil Service Board of Examiners at the post office or customhouse in any city which has a post office of the first or second class, or from the United States Civil Service Commission, Washington, D. C.

SPECIAL PARKING ARRANGEMENTS PROVIDED FOR VISITING WILMINGTON "DOLLAR DAY" SHOPPERS

As it is expected that there will be a great influx of automobiles bringing shoppers from out-of-town into Wilmington to participate in the official Semi-annual "Dollar Day," Wednesday, February 12th, the Mercantile Section of the Wilmington Chamber of Commerce has arranged special parking privileges for the city's visitors. The coupon printed below has been sanctioned by the Bureau of Police of the City of Wilmington, and is provided exclusively for the use of visiting "Dollar Day" patrons.

ADVANCES IN INDUSTRIAL SAFETY

Marked advances in industrial safety made during 1935, in the manufacturing plants of the Chevrolet Motor Company, were celebrated Jan. 20 at a dinner in the Book-Cadillac Hotel, at which W. J. Scott, manager of the Chevrolet Spring and Bumper plant, Detroit, was awarded a plaque in recognition of having achieved the greatest improvement. Chevrolet's 24 manufacturing plants showed an average improvement of 47 per cent, and the record of the Spring and Bumper plant was 81 per cent. The Forge plant, also managed by Scott, was second in the list, with 75 per cent improvement.

The record hung up by the two plants under Scott's supervision is considered especially noteworthy, in banquet, it was announced.

asmuch as one of these units is the big forge plant, a type of operation in which industrial safety is reputedly difficult to assure. Figures for the two divisions of the contest—manufacturing plants and assembly plants—indicate that both made great headway last year. Hugh Dean, assistant general manufacturing manager, acted as toastmaster at the dinner, and speakers included M. E. Coyle, president and general manager, C. E. Wetherald, vice president and general manufacturing manager, in charge of all manufacturing and assembly operations, and C. E. Wilson, vice president of General Motors Corporation. The manufacturing plants included in the contest are located in Detroit, Flint, and Bay City, Mich., in Toledo, O., and in Muncie, Ind. All these units were represented at the

Editorial

The first Scholastic issue for the second semester was published this week. The Scholastic is a current magazine which is sent to us weekly. Almost every member of the Junior and Senior classes and about ten members of the Sophomore class take this magazine. The price of it is fifty cents a semester and the contents of the magazines for this semester would really be worth a set of twenty-one books. This magazine is so popular with the students that almost everyone renewed his subscription for the rest of the year.

Every Friday is devoted to the study of the Scholastic. Both the English and History teachers use the material in this magazine. In the English section there is always an editorial, a short story, a biographical sketch of the author of the story, and a page of poetry. Sometimes there are one-act plays, too. In the history section there is usually an article on some question of world importance, and there is always a section devoted to the news of the week at home and abroad. Besides all of this there are movie reviews, an article written about some sport, a student forum and a few jokes. This magazine, besides being interesting to read, is of great importance to every student for it keeps us up to the minute on current happenings. Everyone wants to be able to read and understand what is going on in the world of which we are a part.

Junior-Senior Party

The Junior and Senior classes had their second party Wednesday, January 29, from 2:45 o'clock to 3:30. The program was sponsored by Miss Lute, Mrs. Mackie, Mr. Warren, and Mr. Hovermill. The time was spent in playing games and races. There was a peanut race, a game of passing match boxes from one person's nose to another and a race between two teams where the girls had to tie the boys' neckties and see which team finished first. Each team had different colors and a point was scored each time a team won.

Dramatic Club Plays

No doubt all of you remember the great success of the Dramatic Club last year when they staged "Eimer," which was their biggest hit. This year under the sponsorship of Mr. Prettyman the club is giving another play called "The Ramped Darling," written by the author of "Eimer." Another play that is to be presented is entitled "A Little Fowl Play." In this the famous actor-playwright, Noel Coward, made one of his earliest stage hits when a very small boy.

Final tryouts for the casts were held on Monday, but are not yet known.

Our dramatic ability in school this year seems to have increased since last year, which gives us high hopes of a great success for each of these plays when presented before the school assembly and the public.

—Ida Toms.

Home Room Program

The Freshman home room program was held on January 29th, from 2:45 to 3:30. This week the program was rather brief because of the number of absent pupils. First on the program was a poem by Lorraine Farmer entitled "What is Success." Next were some jokes and riddles told by Mildred Garvin and Mary Robinson. Several members of the class also told several jokes and riddles. The committee in charge of the program was Mary Robinson and Mildred Reynolds.

P. T. A. Meeting

On Friday, February 7th, the Parent-teachers Association will hold its meeting in the Rising Sun High School auditorium. This meeting was postponed in January. At the beginning of the exercises, there will be a short business meeting. Afterwards the Ladies Aid Society will put on a play, which is in the style of a minstrel show and will probably last about an hour. All patrons are welcome to attend this meeting, even though they are not members of the associations.

COLORA MARYLAND

The Astrologer Forecasts

FOR YOU—If you were born between Feb. 7-13, incl., of any year, your twelvemonth ahead will bring you considerable emphasis on an emotional nature as affecting your finances of legal relationships—your money as such concerns others and the money of others as such concerns you. This condition will be doubly accentuated during the period October 10-November 5, 1936.

FOR EVERYBODY

Speculation, social matters, children's interests, religious and international affairs will be the departments of Human Affairs stressed by planetary vibrations during the period Feb. 7-13, incl. Excess of feeling and extremes of all sorts may precipitate both national and individual strife and contention during this period. Avoid unwise changes and keep the emotions under control.

Feb. 7—Over-optimistic and extravagant. Evening: O K.

Feb. 8—Be diplomatic with elders. Avoid forcing issues.

Feb. 9—A dangerous sort of day. Also extravagant.

Feb. 10—Morning hours very good for romance and all affectional interests.

Feb. 11—Make no hasty changes. Careful with the new. The evening hours are socially favorable.

Feb. 12—Contact superiors with worthwhile plans of an occupational nature. During the evening hours be careful in legal, matrimonial and partnership affairs.

Feb. 13—Watch personal decisions; go slow in all partnership matters. Avoid changes. The evening hours favor contacting elders and dealing with old matters.

All persons born between March 10; June 5-10; Sept. 7-13 and Dec. 6-12 will feel powerful emotional stimulus and irritation during the period Feb. 7-13, this year.

RAT-SNAP KILLS RATS

Kills mice, roaches and beetles. One package proves this. RAT-SNAP comes in cakes. They eat it without any bait. Doesn't matter how much other kinds of food is around. Apply it 1st, 4th and 7th day and eat each cake in 80 pieces, place it where the vermin is seen to run.

25c size—1 cake—enough for Pantry, Kitchen or Cellar.
35c size—2 cakes—for Chicken House, coops, or small buildings.
75c size—5 cakes—enough for all farm and out-buildings, storage buildings, or factory buildings.
Papka & Zuelke, Campbell, Minn., say they "tried a 5-cake package and did wonders. Will most certainly make short work of them after Rat-Snap gets on the ground."
