BOARD MEETING OF CHILDREN'S AID SOCIETY

Plan Drive For Funds In April—Work Handicapped During Past Year

The Cecil County Children's Aid Society held a Board Meeting on March 6th at the home of Mrs. Henry Young, in Elkton, with Mr. Wallace Williams presiding and ten members present. Miss Katherine T. Kirwan, of the Maryland C. A. S., had planned to be present but was prevented by illness. She did, however, by letter inform the Cecil County Branch of recent developments and of the fact that money which may come to Maryland from Federal funds provided by the Social Security act for dependent children, if the state legislature makes it possible, will not be available for children requiring foster home care.

Miss Marian Sibbet gave a very interesting report, introducing the Board to its family of thirty-five children and showed that in most cases these children in different home surroundings suited to their several needs, are developing very satisfactorily in their new homes and in school.

The members of the Board who were present felt that Cecil County would respond in answer to the Annual Appeal for funds to continue this work, and are planning to put on the drive in April with Mr. Lynn B. Gillespie as chairman of the campaign committee.

The work has been very much handicapped during the past year by shortage of funds and as a consequence some little tots very much in need of better surroundings have been deprived of assistance because the money was not available to help them. Many families have been receiving aid thru the Cecil County Welfare board and in no case is a child removed from its own home if poverty is the only difficulty, as all agree that an own home is every child's rightful heritage.

She is survived by three brothers, Lewis, of New York; Curtis, of Conowingo; Paul, of Cape May, N. J., and two sisters, Martha Stewart, of Conowingo, and Agnes M., of Philadelphia.

Requiem Mass was held Tuesday at 10 a. m., at St. Patrick's Chapel, Pilot, and interment made in the adjoining cemetery.

Written on the death of Catherine McGuigan by her close friend Martha J. Abbott who held her hand as she passed away.

"Dear as remembered kisses after death,
And sweet as those by hopeless fancy feigned
On lips that are for others; deep as love,
Deep as first love and wild with all regret—
O death in Life the days that are no more."

Catherine E. McGuigan, she of the happy smile, the never-fading good humor, the faithful friend, passed into the bounds which to discover we must too. After a brief illness, and then like a weary child she fell asleep.

"We shall meet but we shall miss her. We shall gather to caress her. There will be one vacant chair. We shall linger to caress her. As we chant our evening prayer."
Farewell Catherine till we meet in the dawn of eternal light and joy. There will be no night here.
NARTHA.

WEST NOTTINGHAM 22—NORTH EAST 17

By C. K. VAUGHAN
Last Friday West Nottingham's quintet triumphed over the North East High School basketball team 22-17 on the latter's floor.

The Maroon gained a slight lead at the beginning of the first period and managed to hold it throughout the entire conflict which was marked by the imposition of many personal fouls on the part of both contestants.

From the standpoint of the spectator this game gave all the promise of being a tight and interesting battle, but soon after the opening whistle, the game was retarded to a great degree by these free tosses. The result being that a foul shooting contest seemed to be in order.

Nottingham led the first quarter 7-3; the half time score showed the Maroon on the long side of a 12-8 mark. When the three-quarter point was reached the Colormen had a scant margin of a 15-12 score—finally taking the game 22-17.

Captain Reed led his team in point score by snaring three field shots and a brace of foul tosses. Reeder, at left forward for North East, was high man in his aggregation with four points to his credit. The lineup:
W. N. A. NORTH EAST
Byrd L.F. Reeder
Roak R.F. Reynolds
Pennington C. Lake
Rowland L.G. Demond
Dickson R.E. Shepherd
Substitutes: W. N. —Buchanan,
Phillips, Wheatley, North East—Williams, Hamilton, L. Buchanan.

The West Nottingham Academy hockey team engaged the Forest Park Jayvee sextet down at Iceiland, Baltimore, last Saturday, only to be turned away by the very close margin of a 2-1 score.

Lilly and Robosky each snapped one into the Maroon net during the early part of the first period and the chucker was a draw with the Maroon gaining a point on a shot by Hallock, the Nottingham left wing.

Period number three was played for the most part in the Forest Park territory—Cosnell making several nice saves for the winners.

Saltzman and Atwood were outstanding for the visitors as was Ford for the locals. Linup:

Keeney w Robosky
Hallock w Lilly
Respass d Sussman
Saltzman d Shephard
Atwood d Horan

An Ill Wind Is Often A "Bill" Wind

The wind that is described as "a good stiff breeze" often brings a discouraging repair bill to luckless home owners . . . for wind does not have to be of cyclonic severity to unroof houses and cause other expensive damage.

March is not the only month noted for heavy damages by windstorm, and statistics show that no section of the country is immune. Windstorm causes damage totaling many millions of dollars yearly. A Windstorm Policy will protect you against having to pay a part of that heavy loss. Let us tell you how little it costs.
