A grubby urchin walked into the men's outfitting department of a large

Addressing an assistant, he said:

"A soft man's collar, please!" The other assistants tittered and the addressed said stiffly: "You mean a man's soft collar, my boy!" Pointing to his own collar, he asked: "Do you mean one like this?" The boy eyed it momentarily. Then

he replied: "No! A clean one.".

Like the Schoolmarm, Wild Duck Appreciates Hospitality

Remember the country "schoolmarm"? Spending one week with one family and the next with another, she fared well on good food and comfortable sleeping quarters. "If wild ducks could have such hospitality for three years, their annual migrations would soon resemble those of 50 years ago," says Col. H. P. Sheldon of the United States bureau of biological survey. "Like the 'schoolmarm,' a wild duck appreciates good food and good resting places."

"The 'schoolmarm' wouldn't have lasted long on starvation rations and a plank bed. Our ducks won't last long either if the public continues to let itself be guided by the slogan, "Let's kill 'em while they're here."
