Luke 3:6-"All flesh shall see the salvation of God."

Among the citations comprising Miss Jessie Snow Visits High School the Lesson-Sermon will be the following from the Bible-Rev. 9:9 & 10-"After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands; And cried with a loud voice saying, "Salvation to our God, which sitteth upon the

throne, and unto the Lamb." The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, page 593-"Salvation. Life, Truth, and Love understood and demonstrated as supreme over all: sin, sickness, and death destroyed."

More than 5,000,000 reports lay in obtaining the relatively few must be handled by the Bureau, and reports still out. Since the first few delay in Rising Sun delays the statistics for the entire State."

"The inquiries have been made as simple as possible," he continued, "to make the task of supplying the information easy, and have been shaped to secure facts that will be of maximum value to business."

Mr. Davis declared that the Census now being taken is a continuation of the regular Business Census work of the Bureau of the Census, and is for business use, not for Governmental

purposes. Its scope is the result of requests from business organizations, and it has the full support of all branches of business.

He reiterated previous assurances that all enumerators and other persons connected with the Census are under oath not to disclose or discuss sus purposes, and that under the Census law no access to individual "We realize that some firms re- reports is permitted, not even to
