MONTH AFTER MONTH Where there have been severe pains every month from functional disturbances resulting from poor nourishment, Cardui has helped thousands of women to obtain relief.

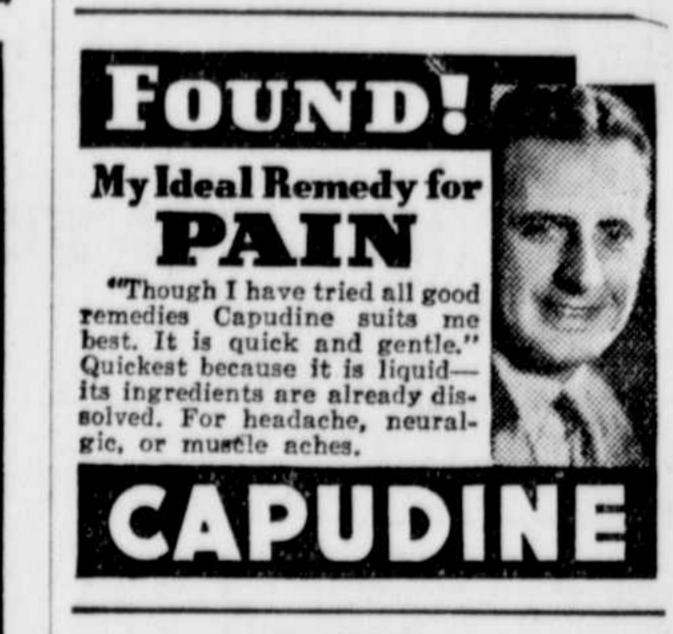

"I suffered a great deal with pain in my side and a weakness in my back," writes Mrs. Walter Page, of Evansville, Ind.

"Each month I would suffer all over and would have to go to bed. One of my neighbors told me how Cardui helped her, so I took it and it helped me. After taking eight bottles, I was better. I surely can recommend Cardui for weakness and pain."

Of course, if Cardui does not benefit YOU, consult a physician.
