TAPS By GLUYAS WILLIAMS

Stationary

There was a dense summer fog and the officer on the bridge was becoming more and more exasperated.

As he leaned over the side of the bridge trying to pierce the gloom he saw a hazy figure leaning on a rail a few yards from his ship.

He almost choked.

"What do you think you're doing with your blinking ship?" he roared. "Don't you know the rules of the sea?"

"This ain't no blinking ship, guv'nor," said a quiet voice; "this 'ere's a lighthouse."—Answers.

Gets Most Blame

Little Sarah and her little brother quarreled one day. An older sister trying to find which child was at fault finally said:

"Oh, I think it was just six of one and half-dozen of the other."

Little Sarah began to cry. "I know you mean I'm the half-dozen," she sobbed. "I always get the most blame."—Indianapolis News.

"Peg Leg" Convict Robs Blind Woman; Asks for Cell Again

Alex (Old Peg) Rhoda, fifty-nine, wooden legged ex-convict, has spent 29 of the last 40 years in penitentiaries. Recently in Chicago he robbed a blind woman. Witnesses chased him. One of them cried out that he was the lowest of thieves. Old Peg halted. Shamefacedly he surrendered. He gave police a revolver he carried in a secret compartment of his wooden leg, then asked to be sent back to prison.

FERRY'S SEEDS are at home in ANY climate

Claims that special seeds are necessary for certain climates are misleading. The successful cultivation of gorgeous flowers and tender vegetables depends primarily on the quality of the seeds, and the care you give them.

Ferry-Morse Seed Co. has devoted 80 years to developing and improving the quality of vegetable and flower seeds. At The Ferry-Morse Seed Breeding Institute Stations in Rochester, Mich., and Salinas, Cal., over 52,000 germination tests are conducted annually to assure you that Ferry seeds will grow . . . over 9000 purity trials are conducted to insure uniformly superb quality.

That's why you can plant Ferry's seeds in any part of the country — any climate—and reap the rewards of the quality bred into them.

Look for the Ferry display at your local stores. Write for your free copy of our Home Garden Catalog. Ferry-Morse Seed Co., Detroit and San Francisco.

Mrs. P. W. Johnson of 1207 W. Cary St., Richmond, Va., said: "Some years ago I was not feeling well at all. A Laxative That Thousands Prefer

Black-Draught has helped so many men and women that others, needing a purely vegetable laxative, should have no hesitancy in trying it. Black-Draught relieves constipation in an easy, natural way.

"We have found Black-Draught so satisfactory, I do not see any need to change," writes Mr. Ralph Burch, of Black, Ala. "I take Black-Draught for biliousness and constipation which make me feel sluggish, tired and no account. Black-Draught surely will relieve me."

Proper use of this old reliable laxative tends to leave the bowels acting regularly.
