Pretty Wall Hanging
of Colorful Peacocks

PATTERN 1014

How rarely one sees a peacock with all his lovely plumage displayed! This proud pair of colorful birds will hold this unique pose as long as your wall panel lasts. You'll want it done in a short time, of course, and it will be, for the actual embroidery goes very quickly, using only single, running and outline stitches. You may use either silk, wool or cotton floss, but remember—the more colorful it is, the prettier!

Pattern 1014 comes to you with a transfer pattern of a picture 15 by 20 inches; a color chart and key; material requirements; illustrations of all stitches needed. Send 15 cents in coins or stamps (coins preferred) to The Sewing Circle, Needlecraft Dept., 82 Eighth Ave., New York, N. Y.

No Need to Suffer "Morning Sickness"

"Morning sickness"—is caused by an acid condition. To avoid it, acid must be offset by alkalis—such as magnesia.

Why Physicians Recommend Milnesia Wafers

These mint-flavored, candy-like wafers are pure milk of magnesia in solid form—the most pleasant way to take it. Each wafer is approximately equal to a full adult dose of liquid milk of magnesia. Chewed thoroughly, then swallowed, they correct acidity in the mouth and throughout the digestive system and insure quick, complete elimination of the waste matters that cause gas, headaches, bloated feelings and a dozen other discomforts.

Milnesia Wafers come in bottles of 20 and 48, at 35¢ and 60¢ respectively, and in convenient tins for your handbag containing 12 at 20¢. Each wafer is approximately one adult dose of milk of magnesia. All good drug stores sell and recommend them.

Monkey Argument

Jones and Smith were arguing about monkeys. Jones said that the monkey was the animal most resembling mankind.

Smith snorted.

"Monkeys!" he scoffed. "They are no more like human beings than I am!"—Pearson's Weekly.
