## Beauty

In the elevator of a big store she noticed a very attractive poster advertising beauty treatment. Out of curiosity she asked the elevator attendant (a funny little Cockney) where the beauty parlor was. He turned and gave her a good look, noticed presumably that she did not use make-up at all, and then said, "You don't want ter go there mucking your face about. Why not stay as y'are— plain but 'olesome!" —Troy Times-Record.

## Truss It

She had just begun housekeeping, with the laudable intention of paying ready money upon all occasions, and she entered a high-class poultryer's shop to purchase a chicken. She selected one, and while she was fumbling in her handbag for a purse the shopman politely asked: "Trussed, madam?" "Oh, dear, no," she indignantly replied. "I wish to pay for it now." —Sydney (Australia) Mail.
