His Problem

Into the night court they marched a man who had all the earmarks of a professional tough guy. This chap was as desperate looking as any gorilla you've ever seen.

The magistrate looked down at the surly prisoner.

"Well," asked His Honor, "guilty or not guilty?"

The prisoner scowled.

"Figure it out yourself," he snarled. "That's what yer gettin' paid for!"—Mark Hellinger in New York American.

Not Needed

"In this scene, Miss Trimm, the young man rushes into the room, grabs you, binds you with rope from head to foot, and then smothers you with kisses," explained the film director.

"Is the young man tall, fair, and handsome?" the actress asked.

"Yes. Why?" he asked.

"Then he won't need an' rope," she replied.—Stray Stories Magazine.

Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained.

Then you may suffer nagging backache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes; feel nervous, miserable—all upset.

Don't delay? Use **Doan's Pills.** Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.
