## Subtle Compliment

"Why did you put the sign over your desk, 'This is my busy day'?"

"It makes a good impression," answered Senator Sorghum, "when an influential constituent calls."

"But it might give offense."

"Not at all. It adds to a visitor's sense of importance when I give him a cigar and tell him I want to have a long chat with him."

## Major Repairs

Man—I understand you had a slight operation?

Friend—That's what I thought I had, but I got the bill for it yesterday, and I'm inclined to think now that while I was under the ether the surgeon gave me everything he had in stock.

"Better'n I expected," replied Farmer Cortossel. "Time and again it sounds like it was goin' to pieces, but Josh always has the luck to hold it together somehow."

## Early State Names

If President Thomas Jefferson had had his say-so, there would have been more than the present states comprising the Northwest Territory and most of their names would have been tongue twisters. As you know, the Northwest Territory consists of Ohio, Indiana, Michigan, Wisconsin and part of Minnesota, but Jefferson's suggested names were Sylvania, Cheronesus, Michigania, Assensipia, Metropotamia, Illinois, Saratoga, Washington, Polypotamia and Pelisipia. These names can be found on the early maps.—Cleveland Plain Dealer.

## GOOD RELIEF of constipation by a GOOD LAXATIVE

Many folks get such refreshing relief by taking Black-Draught for constipation that they prefer it to other laxatives and urge their friends to try it. Black-Draught is made of the leaves and roots of plants. It does not disturb digestion but stimulates the lower bowel so that constipation is relieved.

## WOMEN WHO HOLD THEIR MEN NEVER LET THEM KNOW

NO matter how much your back aches and your nerves scream, your husband, because he is only a man, can never understand why you are so hard to live with one week in every month. Too often the honeymoon express is wrecked by the nagging tongue of a three-quarter wife. The wise woman never lets her husband know by outward sign that she is a victim of periodic pain. For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three ordeals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age." Don't be a three-quarter wife; take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."

## Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail in their function Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feet tired, nervous, all worn out. Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body wastes. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Inask on Doan's. Sold at all drug stores.
