SIDE ONE

Baltimore 6th. April 1784

D.r Brother

Yours of the 1st. Instt. was delivered to me by Packer — & I now send you the Cask by Harrisons boat & have put it under the Care of Allen. As well as this Packet — Inclosed is a Lr. from Bingley — He was to have paid me Hoorky bak: this day — Nicholson has beg off till the latter end of the Week — — I opened the Cask — & have took out my Garters & a Parcel of Papers directed to Mr. Jas. Brice which he has wrote home about, & shall forward them to him to day — there was also left by the Schooner 1 doz Knives & Forks I now send them by Allen — Coll. Sam Smith is about Chartering a Philadelphia built Brig that will carry between 2 & 300 hhds — If he succeeds he says his Part of the Cargo is now ready to put on board — Mr. Merryman Also wants to put some flax seed on board — I was in hopes it would have been in my Power to Advise you of its being settled —

Coll. Smith can furnish You with Cash for Your Bills when You want to draw — & had You not better come up here before You go to the Eastern Shore. I think something will be done in a day or two — You can come to Annapolis from thence take the Stage & there is constantly Boats going to Rock Hall —

Mr. Hutchings has been with me several times since You left Town, he says if you can refrain, she shall be able to give £90 by the
