NEW

Tailoring Establishment.

JAMES S. CHILDS, of Baltimore, takes this method of returning his acknowledgments to his friends of Easton, Greensborough, Denton, and the shore generally, for their liberal patronage during his short stay among them. He is now ready to execute any orders with punctuality, and flatters himself that from an experience of ten years' close application to public business in Baltimore city, he has gained sufficient knowledge of the trade to furnish garments combining as much taste, and of as good style, as they can be furnished in Baltimore, Philadelphia, or elsewhere; and ensures all work at the establishment to give satisfaction.

STANTON'S EXTERNAL REMEDY.

HUNT'S LINIMENT

HAS now given abundant evidence of its healing powers, and proved itself the most extraordinary and wonderful medicine in the world. In the short space of two years, it has acquired a reputation for curing disease and relieving pain far greater than any medicine ever discovered. Its wonderful cures have astonished the Medical Faculty, who now universally concede its great value. They speak of it in the highest terms and recommend its use.

It is condemned by none. On the contrary, *ITS PRAISE IS UNIVERSAL.*—The cases of cures are so numerous, that it would take volumes to recount them; and it is a fixed fact, and it is not disputed, that *AS A PAIN EXTRACTOR, IT HAS NO EQUAL.* For the many astonishing cures, see the pamphlet, to be had of each agent. If you suffer with either of the diseases for which it is recommended, resort at once to its use and be cured. For the following diseases it is an infalliable remedy: *Spinal affections, Rheumatism, Paralysis, and all Nervous affections. Salt Rheum, Croup or Hives, Ague in the Breast and Face, Weakness of the Joints, Colds, Tooth Ache, Sore Throat and Quinsy, Ulcerated sores, Indolent ulcers, Burns, Frosted feet, Corns, Bunyons, Fresh Wounds, Swellings and Bruises, Scrofulous Affections, Musquito Bites, and Poisons.*

NEW MARKET, Kent Co. Sept. 6, 1847.

It is with great pleasure that I add my testimony in favor of the valuable external remedy called Hunt's Liniment. Having been afflicted with a severe pain in the back, which, for the time MADE ME ALMOST HELPLESS, by the advice of a physician, I made use of this excellent preparation, and although not used as directed, it in a very short time, entirely restored me; and I now do most confidently recommend it as worthy of the attention of all such as are afflicted with nervous or rheumatic pains.

George E. Stanton Esq.—SIR: Having been restored to perfect health from a Paralytic Attack, by the use of your Hunt's Liniment, I feel it a duty incumbent upon me to inform you of this fact. I was attacked with the Erysipelas and took a very severe cold and confined to my bed for three weeks, perfectly helpless, I was not able to move my limbs the slightest, not even my finger. The Physician gave me up as a hopeless case, and one for which they could do nothing. As a last resort my friends procured your Liniment, and the first application restored animation at once and by the use of three bottles, I am enjoying my health and strength. I believe that Hunt's Liniment saved my life, and am very desirous that every one should know the value of this wonderful Medicine. My whole neighborhood will attest to the the truth of the statement. Yours respectfully,

GRAHAM'S VEGETABLE SPECIFIC PILLS, the only certain remedy yet discovered *without Mercury, Quinine, Arsenic*, or any other *poisonous* drug. Will you let this destroyer of health, which has long baffled the efforts of science, prey up on your constitution until it eventuates in Liver Disease, Jaundice, Dropsy, Enlargement of the Spleen, Palpitation of the Heart, Flatulency of the Stomach, Dyspepsy, Slow Fevers, General Debility, a hacking cough, and Night Sweats, which prepare thousands for untimely graves. These Pills will *positively cure* all the above mentioned diseases, if within the reach of medicine. They are highly approved of and prescribed by physicians, and admitted by thousands to be the finest preparation for the Liver ever discovered, and will effect more in forty-eight hours than any other medicine will in months.
