and is now prepared to cut and make all garments in his line of business, in the latest and most fashionable style. All work done by me is guaranteed to fit, and to be made in the very best manner, and at the shortest notice.

He may be found at his old stand, opposite the frame tavern, where he will be always ready to wait upon the public. It would be well for my friends to give me a call before they look elsewhere, as it will give me pleasure to work for them on the most liberal terms for cash, or short credit. A liberal deduction made for cash. All accounts considered cash if paid within six months from the time they are made.

P. S.—I would also say to my friends whose accounts have been standing over six months, that I would be very glad if they would visit me and pour the oil of comfort upon my troubled spirits by furnishing me either with the cash or good promises, as I stand in great need of the *dimes* at this time.

The public's ob't. serv't.,

MARTIN & WHITELEY'S
NATIONAL TONIC

FOR AGUE AND FEVER AND DYSPEPSIA.

THERE are no diseases so generally prevalent in this county as Ague and Fever, and Dyspepsia. The *Ague & Fever* most generally prevails in the summer and fall months as an epidemical disease. Its effects on the constitution is such, as to leave the *stomach, liver,* and *spleen* much deranged, from which Dyspepsia frequently ensues. *Dyspepsia* however is more generally the result of overloading the stomach, or indulging in high seasoned food. To find out a remedy for the cure of these most distressing maladies, has been our study for many years, and now think, by the aid of *Chemical science,* we have effected that object.—Read the following:—

DR. MARTIN; Dr. Sir; Having used your *National Tonic* in the case of my son, I take great pleasure in giving you the result of its effects on him. I considered it a bad case of *Ague & Fever,* and have to assure you it speedily put a stop to his chills, &c., as it has in every instance I have heard of. There was one case however, which was a most extraordinary one. I had a little negro boy, whom I had put out with Mr. C. Sherwood. Mr. S. brought the boy to my store to see what could be done for him. I felt satisfied it was one of those cases of *Ague,* which had terminated in *Dropsy.* I determined at once to be his *Doctor,* and to give him *your Tonic,* after giving him a simple purgative. I did so,—and thea commenced with the *Tonic.* In a few days from being dull and sleepy, he began to brighten up, and soon the swelling left him. He is now a hearty, active boy.

DR. MARTIN'S
COMPOUND SYRUP OF WILD CHERRY
AND SARSAPARILLA.

THE Wild Cherry and Sarsaparilla, which are the basis of this preparation have been long known and celebrated in Consumption and Scrofula, Coughs, Colds, Spitting of Blood, &c. The Boonsborough Odd Fellow, Washington county, Md. of Jan. 6th 1848, says of it.

A Sovereign Balm.—We are not in the habit of puffing medicines, but having tested the virtue of Dr. Martin's Syrup of Wild Cherry, we must, in justice to him and the public, say that it has proved a medicine worthy of the confidence of those afflicted with Coughs, Colds, Ashma, Whooping Cough, and that fell destroyer, Consumption. It has performed several important cures in this neighborhood, (certificates of which we will publish shortly) among which was the wife of the editor of this paper, who had been laboring under a serious cold for some three years, accompanied with a bad cough, and which was evidently rapidly verging into consumption. One bottle and a half wrought a sound cure. Such a medicine is worthy of all commendation. Those laboring under attacks, like stated above, should not delay its immediate use. Read the following:

November 18th, 1848.

Dear Sir: I take great pleasure in saying to you that Mrs. Ross has been entirely relieved from her cough by the use of your Syrup of Wild Cherry. It had continued for fully eighteen months. She had used several preparations of the wild Cherry now in popular use, but not with the slightest benefit, until she took yours. She only took six bottles, and I am pleased to say she is now in good health. Every one who saw Mrs. Ross thought her in a deep decline.

CAN BE EFFECTUALLY CURED BY

Dr. HOOFLAND'S
Celebrated German Bitters,

PREPARED BY

Dr. C. M. Jackson,

AT THE

GERMAN MEDICINE STORE,

No. 120 Arch street, Philadelphia.

THEIR power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.

CHAS. ROBINSON, Esq., Easton, Md., in a letter to Dr. Jackson, Jan. 9, 1850, said:

"My wife and myself have received more benefit from your medicine than any other we have ever taken for the *Dyspepsia and Liver Disease.*"

The "Philadelphia Democrat," the leading German journal of Philadelphia, of Nov. 24th, said:—

"We again call attention to the removal of the German Medicine Store, the principal depot for the sale of *Dr. Hoofland's German Bitters,* from 278 Race to 120 Arch street, one door below Sixth. Owing to the increased demand for this medicine, and for the accommodation of his numerous patients, Dr. Jackson has been compelled to occupy a larger store. We wish him success in his new quarters: he is deserving of it. The Bitters Mixture is without doubt the greatest medicine extant for diseases of the Liver and Bowels. A stubborn case of Chronic Diarrhœa has come under our notice, wherein the patient had exhausted the Materia Medicas of the different schools of medicine with no apparent benefit. He was induced to use these bitters, and a few bottles of them have entirely cured him. Many such cases we could refer to. We hope our readers will recollect this great restorative, should they be so unfortunate as to require its use.

JUDGE M. M. NOAH, a gentleman with great scientific and literary attainments, said in his "*New York Weekly Messenger,*" Jan. 6, 1850.

"*Dr. Hoofland's German Bitters.*—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of *humbug,* and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors speak of its effects from their own individual experience. Under these circumstances, we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.

The "*Philadelphia Saturday Gazette,*" the best family newspaper published in the United States, the editor says of

Dr. Hoofland's German Bitters.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, *and the strongest testimony in its favor is,* that there is more of it used in the practice of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form. That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in *all bilious diseases*—the effect is immediate. They can be administered to *females* or *infants* with safety and reliable benefit, at any time.

☞*Beware of Counterfeits.*☜

This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.

Look well to the marks of the genuine.—They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, *without which they are spurious.*

For sale, wholesale and retail, at the *German Medicine Store,* No. 120 Arch st., one door below Sixth, (late of 278 Race st.) Philadelphia, and by respectable dealers generally throughout the country.

HOPKINS'
ANTALGIC LINIMENT,

FOR THE CURE OF

RHEUMATISM, LUMBAGO, SCIATICA, NEURALGIA, FACE-ACHE, TOOTH-ACHE, HEAD-ACHE, SORE THROAT, BRUISES, SPRAINS, &c.

PREPARED BY

S. B. HOPKINS & CO.,

EASTON, MD.

THE most painful and distressing maladies known to humanity may be embraced under the general term *Neuralgia.* Algic affections of the nerves are as common as they are intolerable, attacking all classes and ages in every possible variety and form.

Tooth-Ache (bad as it is,) presents but a modification of that class of disorders whose most fearful developments may be traced in the insufferable agonies of *Tic Douloureux.* Rheumatism, too, while it keeps on the rack the tortured sensibilities of so many sufferers, disqualifies a large portion of those means of locomotion so necessary to their maintenance and comfort. Crippled and care-worn, the victims of this universal malady appeal strongly to us for our sympathy and aid.

To assuage pain, and thus contribute to the duration and happiness of human life, is certainly an object worthy the exertions of the benevolent and philanthropic, and every contribution to so important and praiseworthy an object should be hailed by all as a blessing.

The design of HOPKINS' LINIMENT is to relieve the affections referred to, as well as all others of a kindred character; and it may be permitted us to add, that we promised nothing that we are not competent to perform. It is no part of the proprietor's place to indulge the terms of fulsome laudation with which so many of the popular medicines of the day have been trumpeted before the public. They desire only a candid and impartial test of the virtues of the Liniment, convinced that the results will amply vindicate its claim to public confidence.—In all Neuralgic and Rheumatic affections, such as *Facial Neuralgia. Tic Douloureux, Lumbago, Sciatica,* as well as external application in *Sore-Throat, Tooth-Ache, &c. &c.,* this Liniment will prove indeed an invaluable boon to the afflicted.

In the vicinity of the Proprietors' own residence it enjoys the most exalted reputation, as might be demonstrated by certificates of the most judicious and reputable persons. The certificates appended will recommend themselves by the clearness and directness of their statements, and the intelligent and highly reputable source from whence they emanate.

Certificates.

Mr. S. B. Hopkins—Dear Sir:—I feel great satisfaction in certifying to the good effect your Liniment has produced in the several cases (four in number) that have come under my supervision. My wife, who has suffered most acutely for years past from that appalling, and in her case hitherto incurable disease, *Neuralgia,* has found decided relief from the simple application of the Liniment to the part affected. The application was made upon the approach of an attack, and no discoloration or other unpleasant effects are left on the skin.

Yours very truly,
JAS. N. GOLDSBOROUGH

Woodstock, near Easton, April 25, 1850.

This is to certify that I have used Hopkins' Liniment in my family with the most satisfactory success. My sister, Mrs. Harrison, was afflicted with a pain in the neck and shoulder so severely that she could not turn her head without great suffering; but one bottle of the Liniment effected a complete cure. One of my servants was also afflicted with Rheumatism, and was cured effectually by using the Liniment. I give this certificate with great pleasure.

THOS. ATKINSON.

Near Trappe, Talbot co., Sep. 20, 1850

TOBACCO STICK, Dorchester co., Md. May 28th, 1850.

Dear Sir:—This is to certify that my wife suffered severely for a long time with a violent pain in her left jaw, so intense that she was unable to chew upon it for five or six weeks. I procured a bottle of your Liniment, and before she had used one half she was entirely cured. REUBEN TALL.

Dear Sir:—I received a bottle of your Liniment from my son and its effects were beyond my most sanguine expectations. I was troubled with the Rheumatism for about a year in both arms, so that I could scarcely dress myself or raise my hand to my head. It seemed to be in the bone, and by the time I had used the bottle all the soreness was removed, and I can use my arms as well as ever. Considering my age, 75 years next month, the effect was truly wonderful. Yours respectfully,

MARTHA MERVIN.

Manayunk, Pa., Aug. 28, 1850.

COLLEGE GREEN, Cecil co., Md.

Mr. Hopkins, Dear Sir:—My mother, an elderly lady, sprained her knee joint badly, which caused her the most excrutiating pain—the joint was also much swollen.—The only remedy at hand was the bottle of Liniment you presented me with, was immediately applied and entirely relieved the pain and had great effect in reducing the swelling.

We have no doubt of the good effect of your Liniment in this case, and if you see proper to make this statement public, you can do so with pleasure. With much respect, your ob't serv't,

FLETCHER WHITE.
