THE GREAT
KENTUCKY REMEDY!

DR. JOHN BULL'S
SARSAPARILLA.

This medicine, when used according to directions will cure, without fail:—

Scrofula, or King's Evil, Cancers, Eruptions of the Skin, Erysipelas, Tumors, Chronic Sore Eyes, Ringworm or Tetters, Scald Head, Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Coughs, Colds, Dropsy, Jaundice, Costiveness, Bronchitis, Weakness of the Chest, Sore Throat, Pulmonary Affections, and all other Diseases tending to produce Consumption. Liver Complaints, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures, or Imprudences in Life, Chronic Constitutional Diseases, and as a Spring and Summer Drink, and General Tonic for the System, and a gentle and pleasant purgative, it is superior to Blue Lick and Congress Water,

Price of Sarsaparilla Powders, $.

It is a remarkable fact, that among the hundreds of eminent physicians who have examined the recipe by which Bull's Sarsaparilla is prepared, not one has condemned it, but all approved it, and commend it in the highest terms. Many physicians recommend it strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been placed before the public. Although there are many physicians who feel a repugnance to having their names appended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree, there are others who frankly yield their support in favor of a remedy which they know is capable of doing so much good in an afflicted community. As an evidence, read the following from old and respectable physicians, of high standing in the community in which they live:

TESTIMONY.

☞ Testimony like the following renders superfluous all comments on the efficacy of Bull's Sarsaparilla: From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College: I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable. L. P. YANDELL, M. D.

Louisville, June 6, 1848.

What Dr. Pyles, physician by appointment to the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 20, 1848.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and I believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla now in use.

M. PYLES, M. D.,
Resident Physician Louisville Marine Hospital.

LOUDON, KY., April 25th, 1850.

SIR—Permit me to address to you a few lines, and do me the favor to reply to a request that I will make in the conclusion of this letter, etc.

I am a graduate of Transylvania Medical University; I have practiced medicine in this wilderness country about five years, but owing to exposure to bitter cold weather, I have been indisposed with Acute Rheumatism about six months. After having exhausted my skill in the treatment of my case, and deriving no benefit, I was induced to give your FLUID EXTRACT OF SARSAPARILLA a fair trial, and accordingly purchased a bottle of your medicine from your agent, Mr. George P. Brown, about two weeks ago, and I must confess that one bottle has entirely cured me.

It is my opinion, that your preparation of Sarsaparilla is decidedly superior to any other preparation now in use, and I will take great pleasure in recommending it to the afflicted as being a remedial agent, and I will advise the physicians to use it in their practice, etc.

Respectfully yours, B. B. ALLEN, M. D.

LOUISVILLE, July 13th, 1849

I have examined the list of articles that compose John Bull's Extract of Sarsaparilla, and I have no hesitation in saying that it is a safe and valuable compound. I would prefer it to any article now in use, for the diseases arising from an impure state of the blood or taint of the system. I confidently recommend it to my friends as being a powerful Extract, and one that I believe will cure all classes of diseases, for which it is recommended, if used according to directions. I believe it to be a valuable succedaneum to Mercury.—Nay, I have my doubts whether in the most violent and protracted cases of Syphilis, accompanied with Nodes Trophe, in caries of the bones, whether it ought not to succeed every other remedy.

S. R. MCCONACHIE, M. D.
Honorary member of the Medical Society, Philadelphia.

☞ Hear, what Dr. Stapp, a physician who stands at the top of his profession, says of John Bull's Sarsaparilla: I have been using John Bull's Sarsaparilla, in a great variety of chronic diseases, with the most happy effects, and I have no hesitation in recommending it to the public for the cure of scrofula, syphilis, and all cutaneous and glandular diseases. Yours, most fervently,

Lewisport, Ky., April 6, 1849. WM. STAPP, M. D.

Rev. E. W. SEHON,—Rev. E. STEVENSON.

CONCLUSIVE.—Rev. E. W. Sehon is widely and generally known as an eloquent and accomplished pastor of the M. E. church, and Rev. E. Stevenson has been known as one of the most talented and zealous members that the Kentucky Conference could boast of for many years, and at this time is filling the high and responsible station of agent for the M. E. Book Concern.

LOUISVILLE, May 20th, 1849.

We have used John Bull's Sarsaparilla, and have known it to be used, with entire satisfaction; and we have no hesitation in stating our belief, that it is a safe and valuable medical compound, and calculated to produce much good and relieve much suffering; and therefore would cheerfully and most earnestly recommend it to the afflicted. E. W. SEHON,
(Signed) E. STEVENSON.

We earnestly invite all persons who are suffering with any of "the ills that flesh is heir to," to call on Dr. John Bull's agent, and get a copy of Bull's Family Journal GRATIS; and for the sake of humanity, we hope that a single individual will not be found unwilling to give Bull's Sarsaparilla a trial, after reading, and recollecting, at the same time, that it is impossible for the Doctor to publish the tenth part of the number of certificates of astounding cures performed by his Sarsaparilla. The amount of testimony spontaneously showered on Dr. Bull's Sarsaparilla, from well-known and distinguished individuals, both in public and private life, has been perfectly overwhelming.

The AMERICAN'S FRIEND!

HOLLOWAY'S PILLS.

TO THE CITIZENS OF THE U. STATES,—I most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Ancestors were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York.

THOMAS HOLLOWAY.

38 *Corner of Ann & Nassau sts. N. York*

Purification of the Blood and Liver and Bilious Complaints.

The Citizens of the Union suffer much from disorders of the Liver and Stomach, scarcely any are free from the influence of these destructive maladies, hence life wears fast. The fair sex, perhaps the most handsome in the World, up to a certain period when, distressing to say, many loose their teeth and good looks, while yet in the heyday of life, such sad evils may be effectually remedied by continually keeping the blood pure, and the Liver and the Stomach in a healthy action, when life will flow smoothly, and resemble plants in a congenial clime, where an eternal spring appears to reign. As it regards the preservation of the human frame, and the duration of life, much may be effected, and I say fearlessly, that health and life can be prolonged for many years beyond their ordinary limits, if Holloway's Pills are taken to purify the blood according to the rules laid down for health contained in the directions which accompany each box.

A Case of Weakness and Debility of 10 Years' Standing, cured by Holloway's Pills.

To PROFESSOR HOLLOWAY.

38, Corner of Ann and Nassau streets, N. Y.

SIR,—It is with the most heartfelt pleasure I have to inform you that I have been restored to health and strength by taking your Pills. For the last ten years, I suffered from a derangement of the Liver and Stomach, and was reduced to such an extremity that I gave up my Ship, never expecting to go to sea any more, as I had tried every Remedy that was recommended to me, but all to no purpose, and had given myself up to despair, when I was at last recommended to take your Pills. After using them for three months, the result is that I am now in better health than I have been for eleven years past, and indeed as well as ever I was in my life. You are quite at liberty to make this known for the benefit of others. I remain, sir, yours respectfully,

Signed, JOHN JOHNSON.

These celebrated Pills are tenderfully efficacious in the following complaints:—

Ague	Erysipelas		Liver Complaints

AN ANTIDOTE
FOR MALARIA.

DR. SHALLENBERGER

CLAIMS to have discovered a medicine, which, when taken into the stomach, passes into the circulation, and, by coming in contact with the *cause* of the disease, viz: Malaria, neutralizes or destroys it, and is, emphatically, an *antidote to the poison.* The advantage in this treatment, therefore, is that a cure must be radical and complete, without the necessity of breaking down the system in one part to remove disease in another.

We wish it to be distinctly understood, that this medicine cures Fever and Ague *in all its forms*, by operating on the cause of it.

Let us glance at a few of the advantages of the new method:

1st. It has never failed in a single instance.

2d. It cures a case in less than one third the time required by any other known remedy.

3d. It accomplishes the work by destroying the cause of disease, which no other remedy pretends to do.

4th. The patient must imbibe a fresh portion of the malarious poison before the disease is again developed, *which need never happen*, as four pills, taken every ten days during that period of the year in which the poison is generated, will effectually neutralize it in the system, and thus prevent its consequences.

5th. It contains no Arsenic or poisonous ingredients of any kind, it produces no unpleasant effects upon the system, and may be administered with perfect safety to an infant ten days old.

German Bitters,

PHILADELPHIA.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures at once after skilful physicians had failed.

These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are with safe, certain and pleasant.

Read the Testimony from Delaware and Maryland.

Nathaniel P. Luff, Frederica, Del., Aug 2d, 1853, says: "I would inform you that I have used one bottle of your German Bitters for the Liver Complaint, and have found great relief therefrom. Please send me a dozen of it, and some of the Tar Ointment.'

Chas. Robinson, Easton, Md., Jan. 9th, 1850, said: 'My wife and myself have received more benefit from your medicine, than any other we have ever taken for the Dyspepsia and Liver Disease."

Daniel Hope, Jr., St. Michaels, Md., March 1, 1852, said: "I have sold all of your Hofland's Bitters. It has taken well and rendered satisfaction."

Solomon Rutter, Denton, Md., Sept. 30, 1851, said: "I am entirely out of your German Bitters. They sell well and give satisfaction."

John H. King, Princess Anne, Md., June 24, 1852, said: "The Holland Bitters are esteemed an excellent medicine, and does take with all classes in this section. No doubt large quantities will be sold in this county."

They are entirely vegetable, free from all injurious ingredients, or alcoholic stimulants, always strengthening and never prostrating the system.

Astonishing Cure of Sore Legs, after Nine Years Standing.

Copy of a Letter from Mr. W. J. Langley, of Huntsville, Yadkin County, North Carolina, U. S., dated November 1st, 1853

READ HIS OWN WORDS.

TO PROFESSOR HOLLOWAY,—Sir: It is not my wish to become notorious, neither is this letter written for the mere sake of writing, but to say, that your Ointment cured me of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health to my agreeable surprise and delight and to the astonishment of my friends.

TO PROFESSOR HOLLOWAY,

Dear Sir—It is with heartfelt gratitude I have to inform you that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature.) I was told that nothing could save her; she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Charles st., New Orleans. I send this from 'Hotel des Princes' Paris, although I had written it at New Orleans, before we finally left, at that time not knowing your address at New York.

The Best Cauldron Furnace or Agricultural Boiler in use—for Wood or Coal.

MACGREGOR'S PATENT CAULDRON FURNACES,
OR
AGRICULTURAL BOILER.

THE subscribers have made arrangements with James MacGregor, Jr., for the exclusive privilege of Manufacturing and selling his Patent Cauldron Furnaces for the entire Southern country.

These Cauldron Furnaces are so constructed that they take less than one half the fuel (either wood or coal,) to accomplish the same amount of work than any other article for a like purpose, either set in Iron or Brick.

They boil equally as quick in front as back, consequently they are admirably suited for all purposes which require an equal and governable heat. The appearance is of the most approved style, and having been in use and thoroughly tested for the last six years, we can warrant them with certainty.

Farmers wishing to have boiling going on during the night, so as to have potatoes and other articles ready for use in the morning, can do so with this Cauldron Furnace to their entire satisfaction, and thereby effect a saving of much time and trouble eve before offered to the public. This is done by means of a damper at the bottom of the pipe, by drawing which after the usual amount of fuel has been ignited, the liquid will continue to boil from three to five hours without any further attention from the operator. Any person purchasing any of the above articles can try it for thirty days, and if in his opinion it does not fully sustain the above recommendations, he is at liberty to return the same, free from any deductions; and the money will be refunded in full. PERMIT us to place one of our celebrated improved Old Dominion Cook Stoves in your Kitchen, upon trial; if you like it keep it; if not, return it, at our risk and expense. These stoves we guarantee to bake better and do more cooking than any other stove of a corresponding size, with one half the fuel. This is no humbug. We have them of five sizes, for wood or coal, working equally well with either.—Call and see before you purchase. Be particular and enquire for the *Improved Old Dominion*, for sale, wholsale and retail, only by

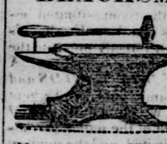
BLACKSMITHING,



THE undersigned would take this medium thro' which to inform his customers and the public in general that he has removed his Blacksmith shop from his old quarters to the shop formerly occupied by Jas. Vinson, adjoining the Wheelwright shop of Sam'l Tucker, and nearly opposite the Carriage Factory of P. W. Stewart, where he may be found ready and willing to accommodate all who may favor him with their custom. He is prepared to execute all work in the Blacksmith's line, with neatness durability and dispatch, such as

Wheel-wright, Carriage, and WAGON WORK.

He will endeavor to always be on hand whenever occasion requires to do HORSE-SHOEING in a style that cannot be surpassed any where. This branch of his business he has determined to conduct on a little different, yet very *important* scale—i. e., for all HORSE SHOEING hereafter done at his shop, the *CASH* will invariably be required. He is obliged to adopt this plan on account of the great disadvantages (occasioned by the *credit* system) under which he has heretofore labored. To this fact the attention of ALL is respectfully solicited.

He returns thanks to his old customers and the public generally for the liberal patronage heretofore extended towards him, and hopes by strict attention to business, and an untiring effort to please, to merit a continuance of the same. Call and see
