THE FARM "CANTON" FOR SALE.

WISHING to remove from the county, I propose to sell my farm "CANTON" situated in and adjoining the town of St. Michaels, Talbot Co. Md. The farm, by survey contains **216 Acres,** sixty of which are timbered and the balance in cultivation. The wood land contains much valuable ship timber, a market for which is at hand in the adjoining town, and the arable land has been as productive as any in the district, and is very susceptible of improvement. The farm is compact, and comprises no waste land.

The improvements are a good brick dwelling, stone stable, new granary, barn, corn house, and all the necessary buildings; all of which are substantial and in good repair. There are upon the place young and old orchards of all kinds of choice fruit.

The location is remarkable for its beauty and perfect healthfulness, being immediately upon bold salt water, and is very desirable for its proximity to schools, churches, post office, and steamboat landings, and for its excellent neighborhood.

To an immediate purchaser the farm will be sold very low, and the terms made entirely satisfactory. Apply to

SALE OF VALUABLE REAL ESTATE

IN TALBOT COUNTY.

UNDER and by virtue of authority conferred upon the subscriber, in and by the last will and testament of Edward N. Hambleton, late of Talbot County, deceased, I will offer at public sale, to the highest bidder, at the front door of the Court House in Easton, on
Tuesday, 15th day of May next,
between the hours of 12 o'clock, M., and 2 o'clock, P. M. of that day the following Real Estate of the deceased.

First, all that valuable FARM OR PLANTATION lying on the south side of the main road leading from Easton to the Trappe, whereon Jno. W. Fountain now resides, containing per recent accurate survey, the quantity of *One Hundred and Sixty Acres, three Roods and thirty Perches of ARABLE LAND, and Thirty one Acres one Rood OF TIMBER LAND.*—This land is in good heart—well adapted to the growth of Wheat and Corn. It is a fine grass and stock farm. It has been thoroughly covered with Marl by the deceased, and its rapid and almost magic improvement from the application attests its value. A right of way on the back line, next to the lands of John Dawson, as laid down in the plot, for the adjoining Farm to the above land, will be reserved.

There is a small but comfortablo DWELLING, recently repaired, upon the premises, and a new Barn, Corn House and Stable all under one roof. This is a most desirable piece of property.

Also at the same time, A TRACT OF LAND of the same quality and description precisely, on the North side of the said road, being the large field next the Mill, with a quantity of WOOD LAND attached, both being parts of what is called the "Tinker's Hill or Jackson Farm," and all said farm not devised by the deceased, except the said Lot next to James Meloney hereafter mentioned.

This piece of property has the Mill pond and the House and Garden formerly occupied by Solomon Troy within its limits, and will make a desirable small farm.

Also at the same time, FIFTEEN ACRES OF ARABLE LAND of the said 'Jackson or Tinker's Hill Farm' next to James Meloney's property in the Hole in the Wall, on one side, and to the property devised to Mary Jenkins, grand daughter of the deceased, on the other side.—Also, a Wood Lot of Eight Acres, one Rood, near the Hole in the Wall, on the right side of the road leading from it to the White Marsh Church.

Also all that **Tract of Land** in the Chapel District of Talbot County, whereon Risdon Frampton long resided, now occupied by Perry Shawn, containing the quantity of about One Hundred and Eighty Acres of Land.

Also that Lot, House and Garden on the road leading from Easton to Easton Point, whereon Nathaniel C. Jones formerly resided, purchased by the deceased of the Commissioners to value and divide the real estate of John Edmondson, deceased, containing FIVE ACRES.

There is a comfortable small Dwelling, and excellent well of water on this lot, and the land very valuable. The Wheat crop seeded on this lot will be sold separately, with the right to sever and remove it.

Also the Lot known as the New Bridge Lot, now occupied by Stephen Wells, free negro, with the small tenements thereon. This lot contains about Two ACRES of ground.

Also the Lot near Easton and tenement thereon, known as the Noah Lednum lot.

Also the House and Lot on the South side of the road leading from Easton to Easton Point, on the corner opposite the Blacksmith's shop formerly occupied by J. Baker.

Also the Blacksmith's Shop recently occupied by John Baker, with the corner Building and Wheelwright Shop formerly occupied by Edward Stuart, dec'd.

Also the entire building adjoining the last named property, on West st., wherein John Baker resides, including the Carpenter's Shop, and large room over it, with the lot of ground attached to the same.

Also the adjoining House and Garden to the above named property.

A plat of most of the Lands above named, recently made, will be exhibited on the day of sale.

TERMS—One-third of the puschase money to be paid in Cash on the day of sale; one-third in nine months, and the remaining third in eighteen months from the day of sale, with interest from the day of sale, to be secured by bond and approved security. The purchasers will in each case be entitled to their proportion of rents from the day of sale. Upon payment of the entire purchase money, and not before, conveyances will be executed for the property.

Sale to commence at 12 o'clock, M., and continue until completed. Attendance given by

STARELING BUT TRUE.

What Every Woman Should Know.

HOW often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health.

The Blooming Bride, but a few years ago in the flush of health and youth, and bouyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often hereditary complaints upon the children "unto the third and fourth generation," transmitting Consumption, Scrofula, Hypochondria, Insanity, Gout, King's Evil, and other and worse diseases; as a Dreadful Inheritance from the parents.

"And must this continue? Must this be?—Is there no remedy? No relief? No hope?

The remedy is by knowing the causes and avoiding them, and knowing the remedies, and benefitting by them.

These are pointed out in ***Married Woman's Private Medical Companion***, by Dr. A. M. Mauricea, Professor of Diseases of Women; One Hundredth Edition, (500,000) 18mo. pp. 253, on fine paper, extra binding, $1.00.

A standard work of established reputation found classed in the catalogues of the great trade sales in New York, Philadelphia and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time five hundred thousand copies have been sold, of which there were upwards of one hundred thousand sent by mail, attesting the high estimation in which it is held as a reliable popular Medical Book for every Female the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature; character, cause of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health. in respect to to which her sensitiveness forbids consulting a medical gentleman, will find such Instruction and advice. and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from *prolapsus uteri* (falling of the womb,) or from *fluor albus* (weakness, debility, &c.) Many are in constant agony for many months preceding confinement. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage.

Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and yours as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of your children.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found necessary, therefore, to caution the public to buy no book unless the words 'DR. A. M. MAURICEAU, 129 Liberty street, N. Y.," is on (and the entry in the Clerk's Office on the back of) the title page; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Mauriceau.

☞ Upon receipt of One Dollar "The Married Woman's Private Medical Companion" is sent (mailed free) to any part of the United States, the Canadas and British Provinces.—All letters must be post-paid, and addressed to Dr. A. M. Mauriceau, box 1224, New York City. Publishing office, No. 129 Liberty St., N. Y. WM. T. ROWLENSON,
