Baltimore Prices Current.

[Corrected weekly for the Star.]

BY JOS. S. ROBSON & CO.

Commission Merchant, No. 4 Bowley's Wharf, Baltimore.

BALTIMORE, JUNE 2, 1855.

GRAIN.—The Grain market this week has exhibited a fair degree of activity, and for all discriptions prices have been pretty well sustained. The offerings of Corn during the early part of the week were light, but for two or three days past the receipts have been heavy. Wheat has been coming forward very freely, but most of the lots offered have been taken by the millers at full rates. There is very little Rye offering, but the supply of Oats at market has been large. We note the arrival a day or two since of the steamer Pacific with a week's later foreign advices. Wheat was steady at previous quotations, but corn had improved slightly. The foreign news has however had little influence upon prices, although the market may be said to be a little stiffer since the receipt of the news.

WHEAT.—When we closed our review last week, sales of White were making at 2 50a$2 62 Red do. 2 45a$2 55. On Friday we quote for White $2 50a2 65 and 2 40a$2 55 for Red. Inferior lots are much neglected and have considerably declined in prices.

CORN.—There continues an active demand for Corn, with comparatively large receipts. There was a large supply offered to-day, and mostly sold at $1 08a1 10 for white, yellow do. $1 07a1 08, mixed 1 03 a$1 06. We would remark that there is much more attention paid to the weight of Corn by purchasers than formerly.

RYE.—The supply and receipts have been light; there is a steady demand. We note sales of 800 to 1,000 bushels early in the week at $1 60 for Maryland and $1 65 for Pennsylvania

OATS.—There continues a steady demand; supply and receipts large. There were 35,000 bushels offered during the week and mostly sold at 65a67 cts. for Md. and Virginia.

SEEDS—Clover, new, at $6 50a$6 75; Timothy 3 50a$3 75; Flaxseed $1 70 per bushel.

PEAS—Moderate demand. Sales of black-eyed at 95 cents a $1 12 per bushel, and $2,-87½ per bag of two bushels.

POTATOES—The demand continues brisk. We now quote common white, choice qualities, at $1 00 Nova Scotia $120a1 30.

PLASTER—There is a full supply and considerable transactions. We note sales in the week of about 500 tons in all at $2 75a2 87½ per ton mostly at the lowest figures.

BACON—There continues a steady demand for Bacon. The market to-day is steady. Sales of 50 hhds., Sides at 9 cents, and 40 do. Shoulders at 8a8½ cents; Hams 11½a12 cts.

GUANO.—There is an active demand, and sales are making freely. We quote Peruvian from the Agency at $50 per long ton, with a discount according to the amount purchased.—Sales from store by the dealers at $51 per long ton—no Patigonian in market. Sales of African at $30 per gross ton; Mexican A A 27a$28; do. A 24a$26, and B do. 18 a $20 per ton.—There is a very active inquiry for Mexican, and it is much wanted.

WOOD—There is a full supply on the wharves, and prices have declined. We now quote Pine at 4a$4 25, Oak 4 37a$5; Hickory 5 25a $5,-87 per cord.

WOOL—There is a fair supply and receipts. We quote common unwashed at 17a20 cents, tub washed 26a29 cents, pulled 20a24 cents; fleece, common, 25a27 cents; finer qualities do. 30 to 42 cents.

GONE TO HAVANA, FLORIDA, CHARLESTON, FOR HEALTH—BUT PERHAPS TO DIE!

We hear this every day. Thousands will take a pilgrimage to the end of the world; they will do anything that require sacrifice to obtain health, but if you tell them of a simple, pleasant remedy—if you point them to our best known citizens, ladies and gentlemen, who they know have been restored to health, they will turn away. They think some great physician must be consulted—some great journey undertaken at great expense, and often they die in pursuit of that they might have obtained by trying HAMPTON'S VEGETABLE TINCTURE.

Have you a cough settled on your lungs, a dry, hacking cough, the glassy eye, the hectic flush on the cheek, pain in the breast and side, night sweats, with all the fearful symptoms of Consumption? Or have you Asthma, already stifling you with dreadful anguish of suffocation; setting up through the long cold night, while the sweat runs from every pore from the nightly effort of respiration?

We say, don't delay, but try *Hampton's Vegetable Tincture,* the Great Restorator and Invigorator. It has shown itself most powerfully curative of Nervous Diseases in their varions forms, giving new life and vigor, restoring the shattered constitution, and thus infusing hope in place of despondency. By its mild, pleasant and safe action on the Stomach, Liver, Kidneys, Lungs, and the Nervous System, it cures Dyspepsia, Liver Complaints, Diseases of the Unirary Organs, Coughs, Asthma, Bronchial Affections, Consumption, Scrofula, St. Vitus' Dance, King's Evil, Worms, Rheumatism, Neuralgia, Gout, Fits, Fistula, Piles, with diseases arising from impure blood.

The Female System has, in DR. HAMPTON'S VEGETABLE TINCTURE, a cure for its numerous complicated derangements.—Hundreds who kave been debilitated and dispirited, and on the verge of a premature grave, have been restored by its use to blooming health, which we are abundantly able to prove by such a host of living witnesses as we think no other Medicine can produce.

REV. JOHN LANAHAN, Pastor of the Exeter Street M. E. Church.—A strong desir to benefit the afflicted induces him thus to certify. We CHALLENGE any other medicine to present such a mass of testimony from gentlemen and ladies of high standing of our well-known citizens, who testify of cure of COUGH, BRONCHITIS, RHEUMATISM, DYSPEPSIA, &c.

Baltimore, January 24th, 1855.

Messrs. Mortimer & Mowbray:—I take pleasure in saying to you that I have used your "*Hampton's Tincture*" with great profit. From a serious throat affection, my general health had become very much impaired, when I commenced to use "Hampton's Tincture." I found its effects upon my general health most salutory. My nervous system and digestive organs soon righted up under its use.

I have several times recommended it to my friends and in every case, as far as I have been informed, they have used it with great success

Yours truly,

JOAN BANAHAN, Pastor of the Exeter street M. E. Church, Baltimore.

BLEEDING OF THE LUNGS.

Raleigh, N. C., February 8, 1854.

Messrs. Mortimer & Mobray:—I do hereby cirtify, that about twelve months ago I was taken with a severe hemorhage of the Lungs and had four attacks of it. I was advised to Dr. Hampton's Vegetable Tincture. I procured one bottle, and, I was entirely well, and now I enjoy good health as ever I did in my life. I can, and do, without the least hesitation, recommend the TINCTURE to all persons afflicted in my way. Yours,

GEO. W. WEAKLY.

—x—

AWAKE THOU LETHARGIC ONE? WHY GOEST BOWED DOWN BY PHYSICAL DEBILITY? WOULD YE BE ALL VIGOROUS AS IN FORMER YEARS.

We offer the remedy and give you the proof of its great healing powers. We give you the names of Ministers of the Gospel—of our best known citizens—who testify that it cured them after all other remedies had failed. It is delightful to the taste and invigorating to the whole system, and only costing $1 for a bottle that will last nearly three weeks.

One of the best and most highly esteemed citizen speaks. Hear him:

BALTIMORE, March 14th, 1855.

Messrs. Mortimer & Mowbray:

Gentlemen—It will be out of my power to tell you in this certificate of all the good I have derived from the use of Dr. Hampton's Vegetable Tincture. For more than twelve months I have been in bad health, with what my doctors call Rheumatism, Dyspepsia and a general derangement of the whole nervous system; for weeks at a time, I was unable to leave my bed, with severe pains in my side, back and breast, with no appetite and great debility.—After trying various remedies, from which I derived little, if any benefit, I became much dispirited; at this time I was advised by a friend who had been cured by the Tincture to make a trial of it. I am happy I did so, for after taking two or three bottles, I find myself restored to health.

My daughter, also, who was broken down in health, has been restored by it. Some of my neighbors have also been cured and others benefitted by its use. My desire is to bear testimony of the good I have derived. I cannot say too much in favor of this valuable medicine, nor express in this way all the sufferings from which I have been relieved, but if those who are afflicted will call on me I will give them satisfactory evidence of the great healing and restorative powers of *Hampton's* Vegetable Tincture. Yours, truly,

WM. HIGH, No. 195 South Paca st.

Extraordinary Premiums

To Agents for procuring Subscribers for TICKETS AT $1 EACH,

IN PERHAM'S GREAT

$100,000 Gift Enterprise!

The distribution of the Gifts being definitely fixed for July 5, 1855.

Any person sending $10 may deduct 10 per cent. or will receive 11 tickets.

Each person sending $100 before the 5th of July, will, in addition to commissions, be presented with a Mammoth Gold Pen and Case, valued at $10.

Each person sending $200 before the 5th of July, will, in addition to his commissions, be presented with a Silver Watch, valued at $25.

Each person sending $300 before the 5th of July, will, in addition to commissions, be presented with a Gold Watch, valued at $50.

Each person sending $500 before the 5th of July, will, in addition to commissions, be presented with a Gold Watch, valued at $100.

The person who shall send, before the 5th of July, the largest amount above $500, will, in addition to commissions, be presented with a Piano, valuaed at $200.

I have been induced to make the above liberal offers in order to remove a settled objection in the minds of your committee, to having the distribution take place while there remain in my hands tickets unsold, and for which cause they see fit to defer the partition of the gifts, which was fixed for the 27th inst., to the 5th of July, as will be seen by reference to the proceedings published below. I assure you that the postponement is as vexatious to me as it is to those who have purchased tickets. I therefore hope that each and every one now interestad, will co-operate with me in the effort to dispose of the few thousand tickets remaining unsold, and thus advance the interests of the whole body of shareholders. Respectfully, yours, J. PERHAM.

Resolved, That in order to allow time for that purpose, the distribution be postponed until the 5th of July, at such place as may hereafter be determined on.

STARTLING BUT TRUE.

What Every Woman Should Know.

HOW often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health.

The Blooming Bride, but a few years ago in the flush of health and youth, and bouyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and na utter physical anp mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often hereditary complaints upon the children "unto the third and fourth generation," transmitting Consumption, Scrofula, Hypochondria, Insanity, Gout, King's Evil, and other and worse diseases; as a Dreadful Inheritance from the parents.

"And must this continue? Must this be?—Is there no remedy? No relief? No hope?

The remedy is by knowing the causes and avoiding them, and knowing the remedies, and benefitting by them.

These are pointed out in *Married Woman's Private Medical Companion,* by Dr. A. M. Mauricea, Professor of Diseases of Women; One Hundredth Edition, (500,000) 18mo. pp. 258, on fine paper, extra binding, $1.00.

A standard work of estabiished reputation found classed in the catalogues of the great trade sales in New York, Philadelphia and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time five hundred thousand copies have been sold, of which there were upwards of one hundred thousand sent by mail, attesting the high estimation in which it is held as a reliable popular Medical Book for every Female the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature; character, cause of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health. in respect to to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice. and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from *prolapsus uteri* (falling of the womb,) or from *fluor albus* (weakness, debility, &c.) Many are in constant agony for many months preceding confinement. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage.

Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and your as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of your children.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found necessary, therefore, to caution the public to buy no book unless the words 'DR. A. M. MAURICEAU, 129 Liberty street, N. Y.," is on (and the entry in the Clerk's Office on the back of) the title page; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Mauriceau.

Upon receipt of One Dollar "The Married Woman's Private Medical Companion" is sent (mailed free) to any part of the United States, the Canadas and British Provinces.—All letters must be post-paid, and addressed to Dr. A.
