Baltimore Prices Current.

[Corrected weekly for the Star.]
BY JOS. S. ROBSON & CO.
Commission Merchant, No. 4 Bowley's Wharf, Baltimore.
BALTIMORE, JUNE 30, 1855.

GRAIN.—The Grain market throughout the week has been drooping. The supply has been large, particularly of Wheat. and for this article prices have fallen off very materially, the scales showing a decline of 20 to 25cts.per bushel since the close of our last review. Corn has been in fair demand, and prices have varied but slightly since our last. Rye has declined, and throughout the week Oats have been very dull. The foreign advices received yesterday by the Baltic note a marked decline in breadstuffs on the other side, and this fact, combined with the almost certain prospect of an abundant crop, has had a depressing influence upon prices, and the market closes dull.

WHEAT.—When we closed our review last week, sales of White were making at 2 35a$2 40 Red do. 2 20a$2 25. On Friday we quote for White $205a2 10 and 2 00a$2 05 for Red.—Inferior lots are much neglected and have considerably declined in prices.

CORN.—There continues an active demand for Corn, with comparatively large receipts. There was a large supply offered to-day. and mostly sold at $1 01a1 02 for white, yellow do. 98 cts.a$1 00,—mixed dull.——We would remark that there is much more attention paid to the weight of Corn by purchasers than formerly.

RYE.—The supply and receipts have been light; there is a steady demand. We note sales of 800 to 1,000 bushels early in the week at $1 50 for Maryland and $1 50 for Pennsylvania

OATS.—There continues a steady demand; supply and receipts large. We note 50a52 cts for Md. and Virginia.

SEEDS—Clover, new, at $6 50a$6 75; Timothy 3 50a$3 75; Flaxseed $1 70 per bushel.

PEAS—Moderate demand. Sales of black-eyed at 95 cents a $1 12 per bushel, and $2,-37½ per bag of two bushels.

POTATOES—The demand continues brisk. We now quote common white, Mercers at $1 50 Nova Scotia $1 30.

PLASTER—There is a full supply and considerable transactions. We note sales in the week of about 500 tons in all at $2 75a2 87½ per ton mostly at the lowest figures.

BACON—There continues a steady demand for Bacon. The market to-day is steady. Sales of 50 hhds., Sides at 10 cents, and 40 do. Shoulders at 9 cents; Hams 11a13 cts.

GUANO.—There is an active demand, and sales are making freely. We quote Peruvian from the Agency at $50 per long ton, with a discount according to the amount purchased.—Sales from store by the dealers at $51 per long ton—no Patigonian in market. Sales of African at $30 per gross ton; Mexican A A 27a$28; do. A 24a$26, and B do. 18 a $20 per ton.—There is a very active inquiry for Mexican, and it is much wanted.

WOOD—There is a full supply on the wharves, and prices have declined. We now quote Pine at 4a$4 25, Oak 4 37a$5; Hickory 5 25a $5,-37 per cord.

WOOL—There is a fair supply and receipts. We quote common unwashed at 16a19 cents, tub washed 25a29 cents, pulled 20a23 cents; fleece, common, 25a27 cents; finer qualities do. 30 to 40 cents.

280 ACRES

OF LAND, of which **EIGHTY ACRES** are very heavily covered with Timber, principally PINE, of the finest quality, perfectly matured, interspersed also with OAK of the largest and best quality. This farm adjoins "Fairview" the beautiful residence of Thomas P. Williams, Esq., and was originally part of the same tract of Land, formerly owned by Andrew Skinner, deceased, and is almost immediately opposite the residence of *Mrs.* Winder. about seven miles from Easton. The Land is of excellent quality, more than half of it having been limed over by Mr. Dorsey, and guano and other fertilizers applied to it. It will divide advantageously into two farms, each affording beautiful and eligible building sites. The location is very fine, the neighborhood one of the best in the county, and the place healthy. The buildings are new—the dwelling small, but comfortable—the Barn and Stabling new and commodious.

The negroes upon this Estate will also be sold at private sale, to bona fide residents of the County or State. *Mr.* Dorsey would prefer selling the negroes to the purchaser of the land.

They consist of four valuable NEGRO MEN, TWO YOUNG WOMEN accustomed to both house and field work, one negro woman aged about fifty years, one negro girl a house servant aged 13 years and two children, one two years old and one six months old—all slaves for life.

The stock consisting of FIVE MULES,

1 Horse, 7 Milch Cows, 1 yoke of Oxen and stock of Hogs

will also be sold. Also the growing crops, farming utensils, etc., including a fine new **WHEAT THRESHER.**

TERMS—One fourth of the purchase money for Lands, Negroes, Stock, &c. in cash will be required. On the balance of purchase money a satisfactory credit will be given, the purchaser giving bond and approved security bearing interest from the day of sale. For further particulars address Saml. THE FARM
"CANTON"
FOR SALE.

WISHING to remove from the county, I propose to sell my farm "CANTON" situated in and adjoining the town of St. Michaels, Talbot Co. Md. The farm, by survey contains **216 Acres**, sixty of which are timbered and the balance in cultivation. The wood land contains much valuable ship timber, a market for which is at hand in the adjoining town, and the arable land has been as productive as any in the district, and is very susceptible of improvement. The farm is compact, and comprises no waste land,

The improvements are a good brick dwelling, stone stable, new granary, barn, corn house, and all the necessary buildings; all of which are substantial and in good repair. There are upon the place young and old orchards of all kinds of choice fruit.

The location is remarkable for its beauty and perfect healthfulness, being immediately upon bold salt water, and is very desirable for its proximity to schools, churches, post office, and steamboat landings, and for its excellent neighborhood.

To an immediate purchaser the farm will be sold very low, and the terms made entirely satisfactory. Apply to

GREAT EXCITEMENT.

CENTREVILLE Md., June 16, 1855.

There has been a great excitement here for Prof. CHAS. DEGRATH'S ELECTRIC OIL, from Phila—it having performed some extraordinary cures, which becoming generally known, all rushed for a bottle, Physicians, Merchants and servants, and quite a premium was tendered for the last. The following speaks for itself, as all the parties are known throughout the State, being among the first citizens of Centreville.

CHESTERTOWN, June 15, 1855.

I have applied Prof. C DeGrath's ELECTRIC OIL in a very severe case of Neuralgia which it cured in 20 minutes, and has never since returned. For other things I have also used it with like results —I am satisfied of its IMMEDIATE efficacy, besides it is by no means unpleasant.

THOS. Q. PRIMROSE.

P. S.—I am glad our Druggest have now a supply. I had to send to Philadelphia for it. One of our oldest Physicians got a Dollar Bottle to-day to cure his wife's breast.

LATER

CENTREVILLE, June 16, 1855.

Having had a painful and difficult swelling on my knee about 9 years,. I sent for a bottle of Prof. DeGrath's ELECTRIC OIL which reduced the swelling and removed all pain in 24 hours. I have also applied it to one of my servants for the worst kind af Neuralgia, which it effectually cured in half an hour, and produced no disagreeable sensations, but quite the contrary.
