HOLLOWAY'S OINTMENT AND PILLS the most celebrated Remedies for the Cure of Sore Arms.—Samuel Wentworth, of Norway Maine was for five years afflicted with sore arms, there were four different ulcers on them, and the trying nature of his business, (a bootmaker) made so much worse, that despite of his wishes, he was compelled to relinquish it; he tried various remedies and they failed to benefit him, however about thirteen weeks ago, at the recommendation of friends. he had recourse to Holloway's Ointment and Pills, which very soon made him better, and he called on Professor Holloway, four weeks since to show his arm,s which were quite well, and with scarcely the scars perceptible.

FRUIT TREES.

THE subscriber respectfully informs the citizens of Talbot county, that he is on a visit to the Eastern Shore for the purpose of taking orders for young fruit trees, and would be pleased to supply all who may wish to stock their farms or lots with choice fruit, from the celebrated Cumberland Nurseries, near Carlisle Penn. Every approved variety of Peach, Apple, Plums, Cherry, and Apricot grown in the best nurseries in the country, will be furnished at the most reasonable prices. Dwarf Pears, of the most choice varieties, and all other garden fruit, supplied to order.

Persons may confidently rely on the fruit they may order as being all it is recommended to be. In view of the proposed rail road communication between Oxford and New York, it is particularly the interest of farmers to stock their farms with fruit at once, in order to be in time for the earliest market. No part of the country in the States is better adapted to the growth of fruit than the Eastern Shore, and nowhere can it be grown more profitably.

I have sold trees to a number of gentlemen in the county, for the last two years, and I believe the fruit has proven as good as it was sold for, at least, I have not heard of any complaint, and am receiving orders for more from some of the same gentlemen. I shall be in Easton for a few weeks, when I am not in the country, and in my absence any order left with the Editor of the Star, or with Mr. A. Hall will be promptly attended to. Terms cash on the delivery of the trees in November.

TRUSTEE'S SALE

THE undersigned, as Trustee, will offer at public sale at 2 o'clock, P. M., on *Tuesday, the 20th of November, next,* at the Court House door in the town of Easton the real estate of which the late John A. Clough, died, seized and possessed, consisting of a farm, in Bailey's Neck, in this county.—This farm contains about

172 ACRES

OF LAND, and is located in one of the most delightful places in this county, distinguished for its spirit of improvement, as well as the hospitable character of its inhabitants. The soil naturally of a fine quality was highly improved by its former owner, one of the most experienced farmers of our county. The Orchards are of the best fruit, and the DWELLING HOUSE and other buildings in good condition.

It possesses all the advantages of a beautiful, healthy water situation; being mostly surrounded by Trippe and Tread-Haven creeks, immediately on the latter, where steamboats pass to and from Baltimore and Easton three times a week, within a few miles of Oxford where boats pass almost every day in the week, and also, within a few miles of our contemplated railroad, whichever route should be adopted.

This farm has been and is now one of the most productive in our county, and is well worth the attention of purchasers, possessing many advantages other than those enumerated.

The Tenant, Mr. Ridgaway Dean, will show the premises to any one who may desire to purchase.

The Terms of Sale are as follows:—The rents will be reserved until the first day of January next. One fourth of the purchase money will be required in cash, and the balance in one, two and three years, in equal instalments, with approved security, and interest from the day of sale.
