LOCAL MATTERS.

WINTER.—For some days past we have had a touch of winter in earnest. On Saturday morning we had a considerable snow, and the freeze has been sufficient to enable the ice dealers to fill their ice houses.

RUNAWAY.—We regret to state that while Mr. Tench F. Tilghman and his lady and a little sister of Mrs. T., were out sleighing on Saturday afternoon, the horse ran away, turning over the sleigh and throwing the whole party hard against the pavement, near Mr. Talbott's store door. At first it was feared that Mrs. T. was seriously injured but we are glad to state she was only slightly bruised. Mr. T. received a flesh wound on the head, and the little girl escaped with slight bruises.

LECTURES.—The Lecture of M. Spencer Esq., before the Y. M. C. Association, on Friday evening, on "Female Education" was in all respects a fine affair and listened to with great interest by the audience. Rev. Mr. McKron, of Baltimore, lectures on next Friday evening—subject "Eloquence Indispensable to Republican Institutions."

HELMBOLD'S

GENUINE PREPARATION OF
HIGHLY CONCENTRATED COMPOUND
FLUID EXTRACT BUCHU.

For Diseases of the Bladder, Kidneys, Gravel, Dropsy, Weaknesses, Obstructions, Secret diseases, Female Complaints, and all diseases of the Sexual Organs, arising from excesses and imprudencies in life, and removing all improper discharges from the bladder, kidneys, or sexual organs, whether existing in

MALE OR FEMALE,

from whatever cause they may have originated, and no matter of how long standing, giving health and vigor to the frame, and bloom to the pallid cheek.

JOY TO THE AFFLICTED!

It cures nervous and debilitated sufferers, and removes all the symptoms, among which will be found Indisposition to exertion, loss of power, loss of memory, difficulty of breathing, general weakness, Horror of disease, weak nerves, trembling, Dreadful horror of death, night sweats, cold feet, wakefulness, dimness of the vision, languor, universal lassitude of the muscular system, often enormous appetite, with dyspeptic symptoms, hot hands, flushing of the body, dryness of the skin, pallid countenance and eruptions on the face, pain in the back, heaviness of the eyelids, frequently black spots flying before the eyes, with temporary suffusion and loss of sight, want of attention, great mobility, restlessness, with horror of society. Nothing is more desirable to such patients than solitude, and nothing they more dread for fear of themselves, no repose of manner, no earnestness, no speculation, but a hurried transition from one question to another.

These symptoms, if allowed to go on, which this medicine invariably removes—soon follows Loss of Power, Fatuity, and Epileptic Fits—in one of which the patient may expire. Who can say that these excesses are not frequently followed by those direful diseases—Insanity and Consumption? The records of Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destitute—neither mirth or grief ever visits it. Should a sound of the voice occur it is rarely articulate.

"With woeful measures wan despair
Low sullen sounds his grief beguiled."

DEBILITY IS MOST TERRIBLE,

and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this

INFALLIBLE REMEDY.

If you are suffering with any of the above distressing ailments, the

HOWARD ASSOCIATION

PHILADELPHIA,

A benevolent Institution, established by special endowment, for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases

To all persons afflicted with Sexual Diseases, such as Spermatorrhoea, Seminal Weakness, Impotence, Genorrhoea, Gleet, Syphilis, the vice of Onianism, or Self-abuse, &c.

The Howard Association, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their consulting Surgeon, as a charitable act, worthy of their name, to open a dispensary for the treatment of this class of diseases, in all their forms, and to give medical advice GRATIS, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhoea, or Seminal Weakness, the vice of Onanism, Masturbation or Self-abuse, and other Diseases of the Sexual Organs, by the consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) free of charge, on receipt of two stamps for postage.

Address, for report or treatment, Dr. GEO. R. CALHOUN, consulting surgeon, Howard Association, No. 2, South Ninth Street, Philadelphia, Pa., By order of the Directors,

Plan of the Lottery.

The numbers from 1 to 50,000, corresponding with those numbers on the tickets printed on separate slips of paper, are encircled with small tin tubes and placed in one wheel.

The first 457 Prizes, similarly printed and encircled, are placed in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of numbers, and at the same time a prize is drawn from the other wheel. The number and prize drawn out are opened and exhibited to the audience, and registered by the Commissioners; the Prize being placed against the number drawn. This operation is repeated until all the Prizes are drawn out.

APPOXIMATION PRIZES.—The two preceding and the two succeeding numbers to those drawing the first 7 prizes will be entitled to the 28 approximation prizes. For example: if Ticket No. 11250 draws the $70,000 prize. Those tickets numbered 11248, 11249, 11251, 11252, will each be entitled to $400. The 5,000 prizes of $20 will be determined by the last figure of the number that draws the $70,000 prize. For example: if the number drawing the $70,000 prize ends with No. 1, then all the tickets where the number ends in 1, will be entitled to $20. If the number ends with No. 2, then all the tickets where the number ends in 2, will be entitled to $20, and so on to 0.

AYER'S Cathartic Pills,

(SUGAR COATED,)

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE.
Clerk of Steamer Clarion.

Billious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the *liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH. Nov. 15, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills while others around us paid from five to twenty dollars doctors' bills, and lost much time without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Pectoral saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
