Fact, Fun and Fancy.

THE ORIGINAL "PUNCH."

In the days of King Philip, the Macedonian, whenever a man told an extremely witty story, he was pretty sure to be met with the remark, "Ah, that comes from the Sixty." It was as much as doubting the originality of the wit. "The Sixty" was, in fact, a club of wits. They met in Athens—not at a tavern, but in the temple of Hercules. We should as soon expect to hear of a convival body of wits assembling every Saturday night in "Rowland Hill's Chapel." They were fellows who had the very highest opinion of their own abilities; for they regularly entered in a book all the witticisms of the evening. This was, probably, the very first jest-book ever put together. To listen to it, when the secretary took it with him to private parties, must have been an antepast of "Punch." The precious book has perished, but Athenæus has preserved the names of a few of the members, which, however, are not worth repeating, though it may be stated that the owners had also nicknames; and one tall, clever, nimble fellow, Callimedes, was familiarly hailed, by his fellow-clubbists, as "the Grasshopper." Philip heard of this merry, social, witty company, and longing to know more of them, their sayings and doings, he did not, indeed, invite them to his distant court, but he sent them a talent, (nearly two hundred pounds sterling,) and requested the loan of the last volume of the transactions of the "Sixty Club." The book was duly dispatched; and, perhaps, the loan of a volume was never paid for at so high a rate: the authors thus played the part of court fools by deputy. Their jokes were sterotyped, and had a long and merry life of it. It was useless for any man to fire one off as his own; for the source was instantly discovered, and the company would derisively call out, "An old Sixty!" just as dull retailers of faded jests are suppressed, in our own day, by the cry of "An old Joe!"

Judge Brown and the Banker.—In Milkwaukee the other day we got this.—Judge Brown, of the court of Hernia, whom everybody knows spares no one, and "cuts down both great and small" with his "sells," having just returned to that city from a trip to the interior, met a certain banker, whose reputation, in all times, is as firm as that canny land from whence he got his ascent. "Well," said the banker, "how do they get on in the country? Any new failures? How are money matters where you have been?" "Perfectly awful," said the Judge. "Up along the Fox river there is a perfect panic. Why; in Oshkosh I could'nt pass one of your three dollar bills, anywhere in town." "Could not pass a three dollar bill on my bank! Do you mean to say that? [Much excited.] What was the reason? [Very nervous.] "The reason was, I had'nt one," placidly replied Judge Brown. Our friend, the banker made no answer, except to tartly inform the Judge that if he would come down to the bank, he would give him one.

Curious Letter from the King of Siam.—The New York *Journal of Commerce* says:—"We have been shown a lithorapghed copy of a letter from the King of Siam to an American gentleman, which shows a very fair knowledge of the English language on the part of the writer, and displays a good handwriting. It reads as follows:—

Royal Chamber grand place,
Bangkok, 19th May 1857.

No. 160. Ex Majore Rege, Siamensium

To S. E. Burrows, Esquire, an American old gentleman, visited me yeserday,

Sir:—When you have been entertained with me yesterday evening, I beg to state truly that I observed that you are of good characters; indeed, and your conversation in regard to the occurrence at Canton was proving your being righteous persons of real honesty & what you have stated that you have conversed with Sir John Bowring the superintendent of British trade in China for needable provision of the Anglo Siamese Treaty moreover it is best & most favorable to all powerless and defendless nations. I beg to offer my great sincere thanks for your so good friendly feeling & also for your kind present of a few bottles of American Chambaines. I have nothing to be presented to you in return & expression of my thanks to you except these a few lines in myself own royal hand sealed with my private & usual royal seals or stamps which I doubt not will be pleased to you much for acceptance & keeping in your hand for my remembrance on future & for showing to your friends of Europe & America. I have the honor to be your worthy good friend

S P P M MENGKUT,
Major King of Siam,
reigning in Seventh year.

Emphatic.—It is said of Gen. Zachary Taylor that when Major Bliss brought him Santa Anna's dispatch, proposing that the American army should surrender without further ceremony, the General, who was at this moment busy writing a private letter on his camp chest replied, without looking up from his work tell him to go to——!" —naming a place seldom mentioned except by hard swearers and clergymen.—'But,' remonstrated the gallant Major, that does not strike me as appropriate language to use in a case of this sort—it's a formal official dispatch, and requires, I suppose, a written answer.'—'Tell him to go to——,' reiterated the General calmly; 'put it in proper diplomatic phrase, and all that sort of thing, according to your own taste—but that is my answer.'

Striking Arguments.—Frederick the Great was very fond of disputation; but as he generally terminated the discussion by collaring his antagonist and kicking his shins, few of his guests were disposed to enter into the arena against him. One day, when he was particularly disposed for an argument he asked one of his suite why he did not venture to give his opinion on some particular question. "It is impossible, your Majesty," was the reply, "to express an opinion before a sovereign who has such very strong convictions, and who wears such very thick boots!"

Rx AYER'S Cathartic Pills,
(SUGAR COATED,)
ARE MADE TO
CLEANSE THE BLOOD AND CURE THE SICK.
Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF
Headache, Sick Headache, Foul Stomach.

Pittsburg, Pa., May 1, 1855.

Dr. J. C. Ayer. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE, *Clerk of Steamer Clarion.*

Billious Disorders and Liver Complaints.

Department of the Interior, Washington, D. C., 7 Feb., 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D., *Physician of the Marine Hospital.*

Dysentery, Relax, and Worms.

Post Office, Hartland, Liv. Co., Mich., Nov. 15, 1855.

Dr. Ayer: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

Warsaw, Wyoming Co., N. Y., Oct. 24, 1855.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

Pulaski House, Savannah, Ga., Jan. 6, 1856.

Honored Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

Senate Chamber, Baton Rouge, La., 5 Dec., 1855.

Dr. Ayer: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,
and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the *Cherry Pectoral* saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

LIME.

To the Editor of the Annapolis Gazette:

WE deem it due to Mr. Coulter, of your place, to invite public attention to the very superior article of Lime now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. Coulter furnishes an article greatly superior to anything of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with filthy coal offal, procured from yards, and of course inferior in quality and of much less value as a fertilizer than that furnished by Mr. Coulter.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in company with Col. Walton, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind he had ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices; and the farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality. FARMER.

HERRINGS PATENT CHAMPION
Fire and Burglar Proof
SAFES,
WITH Burglar
HALL'S PROOF
PATENT LOCKS.

FARRELS & HERRING, Makers,
34 Walnut St., below Second, Phila.

THE great interest manifested by the public to procure more certain security from fire for valuable papers, such as Bonds, Mortgages, Deeds, Notes and Books of Accounts, than the ordinary Safes heretofore in use afforded, induced the Patentees to devote a large portion of their time for the last fourteen years, in making discoveries and improvements for this object, the result of which is the unrivalled Herring's Patent World's Fair Premium FIRE PROOF SAFES.

Universally acknowledged as the Champion Safe of the World. Having been awarded Medals at both the World's Fair, London, 1851, and Crystal Palace, N. Y., 1853, as superior to all others, is now undoubtedly entitled to that appellation, and secured with Hall's Patent Powder-proof Locks—which were also awarded separate Medals, (as above)—forms the most perfect Fire and Burglar Proof Safes ever yet offered to the public.

Nearly 800 'Herring's Safes' have been tested during the past 14 years, and more than 10,000 have been sold and are now in actual use.

Also on hand or manufactured to order, all kinds of Boiler and Chilled Iron Bank Chests and Vaults, Vault Doors, Money Chests for Brokers, Jewellers, Railroads, private families, &c., for Plate, Diamonds, and other valuables. sep 8—1y
