LOCAL MATTERS.

RELIGIOUS NOTICE.—We have been requested to state, that the Rev. Washington Roby, President of the Methodist Protestant Conference, will preach at St. Michaels on next Sunday morning, and at Easton, on Sunday evening. The public are respectfully invited to attend.

SOLD.—The negro, Andrew Johnson, Jr. convicted at the late term of the Circut Court for this county, for stealing chickens and sentenced to be sold for three years, was disposed of at public sale by Sheriff Sparks, on Tuesday last, in accordance with the late Act of Assembly, for $200. O Hammond, Esq., purchaser.

NEW PAPER.—*The Public Monitor* is the name of a new paper just started in Easton by Mr. Wm. T. Rowlenson. The first issue appeared on the first of July. It is neatly printed, of double medium size, and independent in politics and religion. We wish it success.

THE 4th IN EASTON.—Yesterday, the 5th, was observed in Easton in honor of our national holyday, which came this year on Sunday. Business was generally suspended in town, and every thing appeared quiet. A number of our citizens spent the day in the country, while others went down the river on fishing parties.—We wanted to go ourself, but couldn't raise *a quarter*, and didn't like to venture on a fourth of July "bust" with less than that amount in our pocket. We hope those that went had a pleasant time of it.

HARVEST.—If the weather continues favorable, our farmers will get through their wheat harvest the present week. Many finished last week There will not be half a crop of wheat, and the grain is very light and inferior. The late dry weather has been very severe on oats and corn, and owing to the late planting, the wet spring, and the present drought, the latter cannot make more than half a crop, at most. In the low and stiff land, there will be almost a total failure. In view of the poor prospect for wheat and corn, we advise farmers to plant large crops of potatoes, which will doubtless command a good price next spring. Potatoes at fifty cents per bushel will pay much better than wheat at a dollar and a half.

REAL ESTATE—We invite attention to the valuable farm in Miles River Neck, advertised for sale in to-day's *Star*, by Mr Robert L. Tilghman. The land is of first quality, and delightfully situated, being directly on the waters of Miles' River, where all of the salt water luxuries abound in their season.

The tract of Timber land, also advertised by Mr. Tilghman, offers an opportunity for speculation, not often excelled in these parts.

FLORA TEMPLE AND LANCET.—The race between these noted trotters came off on Thursday, at Hearing Run course, Baltimore, in the presence about five thousand spectators, and was won by Flora in three straight heats. Time, 2.30, 2.29 and 2,33. They are to try it over again to-day.

THE MIGHTY HEALER.

WORLD KNOWN & WORLD TRIED.
HOLLOWAY'S OINTMENT.

The free admissions of all Nations, as well as the leading Hospitals of the Old as well as the New World, stamp this powerful remedial Agent as the greatest healing preparation ever made known to suffering man. Its PREVENTATIVE QUALITIES are more than MARVELLOUS, through the orifices of the skin, invisible to the naked eye, it reaches the seat of the internal disease; and in all external affections its anti-inflammatory and healing virtues surpass anything else on record, and is Nature's great ally.

ERYSIPELAS AND SALT RHEUM are two of the most common and virulent disorders prevalent on this continent, to these the Ointment is especially antagonistic, its "*modus operandi*" is first to eradicate the venom and then complete the cure.

Bad Legs, Old Sores and Ulcers.

Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful ungent.

ERUPTIONS ON THE SKIN,

Arising from a bad state of the blood or chronic diseaes are eradicatad, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient; warm fomentations should precede its application. Its healing qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases.

Bunions,	Mecural Erup-tions,	Sprains,
Burns,		Stiff Joints,
Piles,	Swelled Glands	Sore Legs,
Chapped Hands,	Rheumatism,	Sore Breasts

CARD.

MY HAT STORE having been closed up most of the time during the last five weeks, is owing to my sickness.—If it continue to be closed it will be for the same reason, as my health is yet very bad.

All persons wishing to see me on business (or otherwise) are respectfully requested to call at my residence on Dover Street, near the Store of Messrs. A. Dodd & Son, or on my nephew, Alfred B. Faulkner, at the store of John Goldsborough, Esq., and their wants will be speedily attended to.

My stock of HATS is and will continue to be (Providence permitting,) very good. I have ever detested "dunning," but NECESSITY, at this time, compels me to say all who are indebted to me that the speedy payment of their bills at "this particular period" will accommodate me very much indeed.

FIRST PREMIUM
THRESHING MACHINE.
LINTON'S
Iron Geared Threshing Machine.

THE superiority of this Machine was fully tested and proven at the late Fair of the Maryland State Agricultural Society, when it entered into competition with 15 different kinds of Horse Powers and Threshers, and to which, after a careful examination by the Judges, the First Premium was awarded. This Machine is driven by iron rods in place of a band—no time is lost in stopping to fix bands, and is warranted to out-thresh any other machine—in short, it is the very best in the market. It will thresh at a fair trial from 75 to 100 bushels per hour.

This Machine is known as *Linton's Iron Geared Machine* (*Pelton's Pattern*)—is made of the best material—warranted to give satisfaction, and is well known in the lower parts of Maryland and Virginia, to be just such an article as we recommend.

Price—No. 1—4 horse power and Thresher and Separator, with plated bars, finished in best style—delivered on board of vessels in Baltimore $150.

No. 3—6 horse Power and Thresher, all complete for threshing, $165.

No. 3—8 horse Power and Thresher, all complete with Straw Carrier, $200.

Last season we were unable to fill all our orders—all therefor, who desire this Machine will order early, or they may be disappointed.

☞ Also Montgomery & Bro's celebrated Double Screen Rockaway Fan, finished to order.

All orders by mail, or otherwise promptly attended to. Address
