THE UNITED EFFORT OF THE METHODIST CHURCHES.—The revival exercises which had been protracted for six weeks by the three branches of this denomination in our community were brought to a close on Friday evening, the Rev. Dr. Reese, at whose suggestion the good work was commenced, conducting the exercises. During their progress prejudices were buried, Church preference thrown aside, and animated with one aim both ministers and people came up with a hearty good will "to work for the Lord against the mighty." The meeting has tended greatly to revive what seemed to be a declining fire among the members of the different Churches, and to engender and cultivate a fraternal spirit and feeling that has not been as manifestly warm as it should be for Christian toward Christian. Their conquests were not so universal as many who have been warmly interested had hoped would crown their efforts, but they have been honored by very great results. The song of rejoicing has mingled with the voice of mourning, and many now swell the number of those whose stand is upon the side of the Lord who had heretofore lived to no account as regards the true purpose of life. We trust the feeling produced may not be as a touch of Indian summer amid the colds and frosts of winter, but that the fruits of their labors may be seen after many days; that conversions may prove genuine, and the community be made better by the new life those who have made profession shall lead.

A MIDNIGHT MARRIAGE.—The pursuit of matrimony under difficulties might be applied to a runaway couple, from somewhere in the surrounding country, who were married in St Michaels about 1 o'clock A. M., on Thursday morning week. Braving all the perils of the darkness and the muddy roads, they arrived safely in town, and called at the residence of a clergyman, but he refused to be aroused from his slumbers at such an unseasonable hour, even by the prospect of a marriage fee. Nothing daunted, the party called at the house of another clergyman, and this time succeeded in getting him awake, and having the knot tied whereby two were made one. "They say" that the accommodating clergyman received the munificent fee of *one dollar* for his services thus unseasonably and unreasonably invoked. Was ever such anti-nuptial affection known since the days of Romeo and Juliet.

PETITION FOR PROHIBITION.—A petition to the General Assembly of Maryland is being extensively signed by the citizens of Bay Hundred district, praying for the prohibition of the sale of whiskey in that district. The petition proposes to submit the question to a vote of the people of the district. The sale of whiskey was at one time very large on Tilghman's Island, but since the Good Templars have been organized there, it is said that the sales have been extensively diminished.—The sales are principally now to the crews from vessels engaged in dredging. These men generally give the people of the Island great trouble. A few days ago a party came ashore, got drunk, and completely plundered a house.

TALBOT COUNTY APPOINTMENTS.—The following appointments for this county have been made by the Governor and confirmed by the Senate:

Notary public at Easton, John Satterfield; armorer at Easton, Wm J. Roberts; coroners, Wm. H. Bostic, Robert Kinnamon; wood corders, Alex. Weeden, at St. Michaels, Thomas Parrott, at Easton Point; justices of the peace, 1st district, Thomas C. Nicols, Wm. Bennett Wheeler, Perry W. Stewart; 2d, Oliver P. Sparks, Thomas J. Warren, James L. Lecompte, J. Addison Robinson; 3d, Thomas E. Lloyd, Robert B. Butler, Edward S. Harrison; 4th, A. W. P. Robinson, James B. Straughan; 5th, Alexander H. Seth, James S. Shannahan; officers of registration—1st district, Henry T. Goldsborough; 2d, John K. Skinner; 3d, Isaac W. Jump; 4th, Edwin F. Jump; 5th, Joseph B. Lowe.

The following appointments for Caroline county have been confirmed:

Justices of the Peace—1st district, Thomas Melvin; 2d, Robert J. Orrell; 3d, W. Connelly, W. W. Lowe and Seth Evitt; 4th, W. P. Hutchison and J. H. Hubbard; 5th, W. H. Watkins and John Higautt.

"SCHOOLS FOR COLORED PEOPLE."

By publishing the series of letters which we commence this morning upon this subject, we wish it understood that we do not intend thereby to commit ourself for or against the opinions expressed by the writer. We admit the letters on their own merits, and let them speak for themselves. In view of the fact that the President will, in a few days, promulgate the adoption of the XVth Amendment, the question of educating the negro population, so as to fit them to exercise the elective franchise, is one which cannot be ignored, but it must be met, discussed, and disposed of, either favorably or adversely. Any light which can be thrown upon the subject, we shall welcome to our columns, although we have little hope that they ever can be qualified to exercise the franchise intelligently.

WORTH MENTION.—Charles Hughes, eldest son of Mr. Jesse Hughes, has been appointed to a clerkship in the Easton National Bank. He has for some time past been in the Drug Store of Dawson & Brother, where he earned the good reputation which has secured him this important appointment.

The Commissioners of Talbot county on Tuesday last elected the editor of this paper Clerk to the Board.

J. H. Evans & Co have added a first class hominy machine to the other improvements they have recently made in their Chapel Mill. It works beautifully, and hominy made by it may be had at their flour and meal store in Easton.

Leonard & Eland are still running the schooners Oxford and Tred Haven between Easton Point and Baltimore. See their advertisement in another column.

The sale of Edwin F. Jump's property in Chapel district takes place on next Thursday, the 24th inst.

ROAD PETITION.—The tax payers of the lower districts are signing a petition to the Board of County Commissioners to appropriate the sum of one thousand dollars for the purpose of shelling that portion of the county road between St. Michaels and the school house at the foot of the Pea Neck road—a distance of about one and one-fourth miles. This is always the worst piece of road between Tilghman's Island and Easton, and frequently becomes almost impassable. Travel is now seriously impeded, although many dollars are annually expended in vain attempts to mend the road. If it is well paved with oyster shells, it will become a good road and need no further expense for years perhaps.

DRUNKENNESS.—For some months past we have been particularly noticing Dr. La Mcore's Indian Vegetable Liquor Antidote" of which Geo. W. Doughty & Bro., 114 Baltimore street, Baltimore, are agents, and for the benefit of our many readers who have not tried it, we notice it again, and advise all who are addicted to drink and would like to give them some simple vegetable remedy, without their knowledge, to send two dollars to the agent, and have a bottle sent to them by return mail, free of costs.

ANNUAL CONFERENCE OF THE M. E. CHURCH, SOUTH.—The next Baltimore Annual Conference of the Methodist Episcopal Church, South, will commence at St. Paul's Church, in Baltimore, on the 2nd of March—to-morrow week. Capt. N. E. Nicols, Esq., is the lay delegate from this district; alternate, Col. Stephen J. Bradley. It will devolve upon the conference to elect delegates to the next General Conference. An equal number of lay and clerical delegates are to be appointed.

"Fresh as the flowers that blossom on the bud, And fresh and pure as earliest beads of dew."

It is from such exquisite flowers that the rare and delicate perfume is procured for Ring's Vegetable Ambrosia. Antoine Chiris, at Grasse, in the South of France, is constantly extracting it from the flowers of that sunny region and shipping for the manufacturers of this great American cosmetique. For sale by Henry & Goldsborough.

FINE REMITTED.—Gov. Bowie has remitted the fine of $250 imposed by Justice Warren upon P. Buedheimer, owner of the schooner "Friendship," whose arrest and conviction for violating the oyster law was noticed in the *Star* at the time. We are not advised as to the grounds upon which the Governor interfered in the case. In obedience to the Governor's mandate, Justice Warren delivered the vessel's papers to the owner.

SPRING AND SUMMER IMPORTATIONS.—Attention is directed to the advertisement of Armstrong Cator & Co., dealers in ribbons, millinery, and straw goods, No. 239 Baltimore street, Baltimore. This is one of the best houses in America; their stock is large; and they are in every way pleasant gentlemen to do business with.

GUNS FOR THE HIGH SCHOOL.—A. Chaplain, Esq., the Examiner of our County School Board, has succeeded in obtaining from Adjutant General Bier, 60 Austrian muskets and accoutrements for the use of the Cadets of the Easton High School. The arms were received by Professor Miller, Principal of the school, on Wednesday last, and hereafter the boys will be instructed in the manual of arms.

PUBLIC SALE.—Henry C. Morgan's sale near Hillsborough, takes place to-morrow—Wednesday. We again direct attention to the [illegible] he will offer for sale. The bay horse, Jeff Davis is a very fast trotter, only six years old, and so gentle that a lady may drive him with perfect safety.

BUILDING ASSOCIATION.—We publish this morning a call for a meeting to organize a building association in Easton. This is a good move, and we hope the attendance will be large. We need more houses in town, and any movement which looks to association of capital to promote housebuilding should be encouraged.

ELECTION OF OFFICERS.—Talbot Lodge No. 83, I. O. of G. T. has elected the following officers: W. C. T., John Valliant; W. V. T., Miss Lizzie Tarr; W. S., James F. Rowins; W. A. S., Ed. J. Brindle; W. F. S., Wm. W. Smith; W. F., William Harrison.

THE SUNDAY SCHOOL EXHIBITION which was to come off on the 22d of this month in the M. E. Church South, at the Trappe, has been postponed till Thursday 24th inst.

COLD SNAP.—We had a dash of snow in this section on Sunday afternoon. It cleared off cold on Sunday night, and yesterday morning every thing was hard frozen. There is now a prospect for ice.

WRONG DATE.—By an over sight of our printer, the date on the outside of this morning's paper was not changed. It should be the 22nd instead of the 15th.

KOSKOO!

THE GREAT REPUTATION

Which Koskoo has obtained in all parts of the country as

A Great and Good Medicine,

AND THE

LARGE NUMBERS OF TESTIMONIALS

which are constantly being received from Physicians and persons who have been cured by its use is conclusive proof of its remarkable value.

AS A BLOOD PURIFIER

IT IS

BEING POSITIVELY

THE MOST POWERFUL

VEGETABLE ALTERATIVE

YET DISCOVERED.

DISEASES OF THE BLOOD.

"The life of the flesh is the Blood," is a Scriptural maxim that science proves to be true. The people talk of bad blood as the cause of many diseases, and like many popular opinions, this of bad blood is founded in truth.

The symptoms of bad blood are usually quite plain. Bad digestion causes imperfect nutrition, and consequently the circulation is feeble, the soft tissues lose their tone of elasticity, and the tongue becomes [illegible] frequently covered with a pasty, white coat. This condition soon shows itself in roughness of the skin, then in [illegible], and long continued results in serious lesion of the Brain, Liver, Lungs, or urinary apparatus. Much, very much, suffering is caused by impure blood. It is estimated by some that one-fifth of the human family are affected with scrofula in some form.

When the blood is pure, you are not so liable to any disease. Many impurities of the Blood arise from [illegible]. Koskoo will eradicate every impurity from the fountain of life, and good spirits, fair skin, and vital strength will return to you.

KOSKOO

THE

LIVER INVIGORATOR

STANDS UNRIVALLED

BEING THE ONLY KNOWN MEDICINE

that efficiently stimulates and corrects the hepatic secretions and functional derangements of the Liver, without debilitating the system. While it acts freely upon the Liver, instead of copious purging it gradually changes the discharges to a perfectly natural state.

SYMPTOMS OF LIVER COMPLAINT AND OF SOME OF THOSE DISEASES PRODUCED BY IT.

A sallow or yellow color of the skin, or yellowish-brown spots on the face and other parts of the body; dullness and drowsiness, sometimes headache; bitter or bad taste in the mouth, internal heat; in many cases a dry, teasing cough; unsteady appetite; sometimes sour stomach, with a raising of the food; a bloated or full feeling about the stomach and sides; aggravating pains in the sides, back or breast, and about the shoulders; constipation of the bowels; piles, flatulence, coldness of the extremities, &c.

KOSKOO

Is a remedy of *Wonderful Efficacy* in the cure of diseases of the Kidneys and Bladder. In these affections it is as near a specific as anything can be. It does its work *kindly, silently* and *surely*. The *Relief* which it affords is both *certain* and *perceptible*.

DISEASES OF THE KIDNEYS AND BLADDER.

Persons unacquainted with the structure and functions of the Kidneys cannot estimate the importance of their healthy action.

Regular and sufficient action of the Kidneys is as important, nay even more so, than regularity of the bowels. The Kidneys remove from the Blood those effete matters which, if permitted to remain, would speedily destroy life. A total suspension of the urinary discharges will occasion death in from thirty-six to forty-eight hours.

When the Urine is voided in small quantities at the time, or when there is a disposition to urinate more frequently than natural, or when the Urine is high colored or scalding, with weakness in the small of the back, it should not be trifled with or delayed, but Koskoo should be taken at once to remedy the difficulty, before a lesion of the organs takes place. Most of the diseases of the Bladder originate from those of the Kidneys, the Urine being imperfectly secreted in the kidneys, proves irritating to the Bladder and Urinary [illegible].

KOSKOO

MEETS WITH GREAT SUCCESS

IN

DISEASES OF THE NERVOUS SYSTEM.

Almost nine-tenths of our people suffer from nervous exhaustion, and are, therefore, liable to its concomitant evils of mental depression, confused ideas, softening of the brain, insanity, and complete breaking down of the general health. Thousands are suffering to-day with broken-down nervous systems, and, unfortunately, tobacco, alcohol, late hours, over-work (mental and physical), are causing diseases of the nervous system to increase at a fearful rate.

The symptoms to which the nervous system give rise may be stated as follows: A dull, heavy feeling in the head, sometimes more or less severe pain or headache; Periodical Headache; Dizziness; Noises or Ringing in the Head; Confusion of Ideas; Temporary Loss of Memory; Dejection of Spirits; Starting during Sleep; Bad Dreams; Hesitation in Answering Questions; Dulness of Hearing; Twitching of the Face and Arms, &c., which, if not promptly treated, lead to Paralysis, Delirium, Insanity, Impotency, Apoplexy, &c.

KOSKOO

Is NOT a secret quack remedy. The FORMULA is around each bottle. Recommended by the best Physicians, eminent Divines, Editors, Druggists, Merchants, &c.

How Lost, How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhœa, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy and Fits, induced by self-indulgence or sexual extravagance. Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This Lecture should be in the hands of every youth and every man in the land.

Sent under seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two post stamps. Also Dr. Culverwell's "Marriage Guide," price 25 cents. Address the publishers,
