THE RAILROAD FEVER IN THE TRAPPE DISTRICT.—We understand that the railroad fever is running high in Trappe district at this time. An effort is making to have Mr. Caldwell run the road straight through the heart of the district to Chanceller's Point, instead of making Oxford the terminus. The land owners along the Chanceller Point route not only agree to give the right of way, but Col. Wm. R. Hughlett offers to give the company his Chanceller's point farm, worth from fifteen to twenty thousand dollars, and located at the terminus of the proposed route, provided the road is built to that point. This is talking business, and is well calculated to stir up our Oxford friends, who are confidently expecting the road to go to that city without an effort on their part. What have they to offer to offset Col. Hughlett's bold proposition? As the longest pole will knock down the persimmons, they had better be up and doing. As a local road, and looking to the interests of the local business, the route through the centre of the district is the most promising.

NEW FIRM AT THE OLD STAND.—Messrs. Tripp & Mason have sold their hardware store to Thomas C. Nicols Jr., and Wm. Taylor. Mr Nicols is late of the firm of Nicols & Bartlett. He originally started the hardware business in Easton, and is again at his old stand. Mr. Taylor is a son of Benjamin Taylor Esq., of this county. The new firm possesses all the prerequisites necessary to do a heavy business. They have a large stock of goods, and will be glad to have a call from the old customers of Trippe & Mason as well as from the public generally. See their announcement in our advertising columns and give them a call.

ILLUSTRATED CATALOGUE AND FLORAL GUIDE FOR 1870.—M. O'Keefe, Son & Co., the celebrated Seed Importers and Growers of Rochester, N. Y., have just published their annual "CATALOGUE OF SEEDS AND GUIDE TO THE FLOWER AND VEGETABLE GARDEN."—This new and valuable work contains full descriptions of about fifteen hundred varieties of flowers and vegetables, with instructions for their cultivation, and directions in regard to their best use to make of them in laying out pleasures, gardens, etc. It will be sent free on application to M. O'KEEFE, SON & CO., Seedsmen and Florists, Rochester, N. Y. 6t

SHEEP KILLED BY DOGS.—Frederick Faulkner, of Broad Creek Neck, had twelve sheep killed and thirteen more wounded by dogs one night last week. Thus Mr. Faulkner has lost nearly his whole flock of sheep by worthless curs, and he has no redress. Had we talked of sheep law been in force, he would be indemnified out of the dog tax fund. As now a gentleman of this county who lost $500 worth of sheep last year by dogs. Whatever opposition there may be to the dog law, it is certain that the sheep growers should have some protection against dogs.

BUILDING ASSOCIATION.—The meeting on Wednesday night to organize a Building Association was large, and composed of some of our most substantial citizens. P. T. Kennard, Esq., presided, and T. N. Chance, acted as Secretary. A committee was appointed, composed of P. T. Kennard, Dr. A. A. Townsend, R. B. Dixon and T. ...son, to prepare a constitution and report to an adjourned meeting, which takes place on next Thursday evening. It is to be hoped that as many as can do so will attend the next meeting, when we suppose the stock will be open for signers.

APPOINTMENTS.—We publish this week the State appointments made by Governor Bowie. It will be seen that Sam'l ...on, Esq., of this county, is chief flour inspector. The honor could not have been conferred on a better Democrat or a more deserving gentleman. The appointment will be very gratifying to his host of friends in this county. There were other deserving applicants for places who failed to be gratified, but they should take courage, and their turn will come in due time.

A KIND AND GOOD DEED.—On St. Valentine's day the Sunday School teachers and scholars of the Methodist Episcopal congregation at Laurel, Delaware, sent Mrs Aurelia Hopper, their music teacher, through the post-office a valentine containing $50 in cash, as a tribute of their love and affection. Mrs. Hopper is the daughter of Rev. Elijah Miller, pastor of the congregation, and the wife of the late John Hopper, of Queen Anne's county.

FIRE ON TILGHMAN'S ISLAND.—A dwelling house on Tilghman's Island was consumed by fire on Monday night last. The house was occupied by two families named ... and Sinclair, who lost all their furniture, clothes, &c. Several children came near being burned to death. The fire is supposed to have originated from a defect in the flue.

ANOTHER EASTERN SHORE RAILROAD.—A bill is before the Legislature to charter another railroad to run from Salisbury ... in Maryland, parallel with the ... railroad. This road is intended to ... railroad communication between ... and the whole of the Eastern ... thereby putting our own commercial ... on an equality with Philadelphia ... competing for the Eastern Shore trade.

SUDDEN DEATH.—Richard Gossage, an old gentleman, who for several years past has been engaged in carrying the mail between Easton and Oxford, died of apoplexy on Monday morning at the latter place, just as he was preparing to start with the mail for Easton.

CHANGED HANDS.—We understand that George E. Haddaway Esq., formerly of St. Michaels Comet, has bought the Easton Gazette of Wm. H. Councell, Esq. We cordially welcome Mr. Haddaway back again to the corps editorial. Mr. Councell will hereafter devote himself exclusively to the duties of the post office.

LENT.—To-morrow is Ash Wednesday, the beginning of Lent. Divine service will be held at Christ church at 11 o'clock A. M. and ... P. M. The public are invited to attend.

### WORLD MENTION.

The citizens of St. Michaels are about to start a Building Association. Would it not be well for them to join ours, which is to be made a county association with sufficient capital for building purposes for the whole county. The larger the association the easier it will be to make advantageous redemption loans in amounts large enough to be of service to builders.

S. H. Aldridge, Esq., of St. Michaels, has returned to Philadelphia, and accepted a situation as salesman in the wholesale dry goods house of Morgan, Bush & Co., Chestnut street. He will be happy to have any of his Eastern Shore friends call on him when they go to the city, and they will not fail to do so. His headquarters will be at the St. Lawrence Hotel when not engaged at the store.

Thomas J. Valliant, of Royal Oak, drove his young horse "J. Wilkes Booth" to town on Saturday. He is one of the handsomest colts in the county. He was sired by Thomas J. Clark's handsome horse that was killed about two years ago.

Those of our farmers who have ice houses were fortunate enough to get them filled during the late freeze. This insures an abundant crop of juleps next summer.

Attention is directed to the call of a public meeting to be held in the Court house on next Tuesday. As the cause is a benevolent one, it is to be hoped there will be a large attendance. Several addresses will be delivered.

Attention is directed to the advertisement of the sale of Richard Trippe's property to take place on the 17th of March.

HEREDITARY BALDNESS is supposed to be incurable. All that can be done where it begins to show itself is to put off the evil day by the judicious use of some stimulating or cooling preparation that shall create new action in the glands or folicles, usually called roots, and thus tighten the hair that would otherwise become loose and fall off. Ring's Vegetable Ambrosia has acquired an enviable reputation for this purpose, generally, but not invariably, proving successful. For sale by Henry & Goldsborough.

NEW GOODS AT TRAPPE.—John W. Dawson has just returned from the city with a new stock of goods, purchased at the lowest cash figures, and will be sold cheap for cash at his store in Trappe. See his advertisement and give him a call.

THE PENINSULA RECORD is the title of the new paper to be started at Seaford by Donoho & Stevens, a prospectus of which we have received. It will make its appearance on the 5th of March, and will not be identified with any political party.

THE GREAT REPUTATION

Which Koskoo has attained in all parts of the country as

THE MOST POWERFUL
VEGETABLE ALTERATIVE
YET DISCOVERED.

DISEASES OF THE BLOOD.

"The life of the flesh is the Blood," is a Scriptural maxim that science proves to be true. The people talk of bad blood as the cause of many diseases, and like many popular opinions, this of bad blood is founded in truth.

The symptoms of bad blood are usually quite plain—bad Digestion—causes imperfect nutrition, and consequently the circulation is feeble, the soft tissues lose their tone and elasticity, and the tongue becomes pale, broad, and frequently covered with a pasty, white coat. This condition soon shows itself in roughness of the skin, then in ERUPTIVE and ULCERATIVE diseases, and when long continued, results in serious lesions of the Brain, Liver, Lungs, or urinary apparatus. Much, very much, suffering is caused by impure blood. It is estimated by some that one-fifth of the human family are affected with scrofula in some form.

When the Blood is pure, you are not so liable to any disease. Many impurities of the Blood arise from impure diseases of large cities. Eradicate every impurity from the fountain of life, and good spirits, fair skin and vital strength will return to you.

BEING THE ONLY KNOWN MEDICINE

that EFFICIENTLY *stimulates and corrects the hepatic secretions* and functional derangements of the Liver, *without debilitating* the system. While it acts *freely* upon the Liver, instead of copious purging, it *gradually changes* the discharges to a perfectly natural state.

SYMPTOMS OF LIVER COMPLAINT AND OF SOME OF THOSE DISEASES PRODUCED BY IT.

A sallow or yellow color of the skin, or yellowish-brown spots on the face and other parts of the body; dulness and drowsiness, sometimes headache; bitter or bad taste in the mouth, internal heat; in many cases a dry, teasing cough; unsteady appetite; sometimes sour stomach, with a raising of the food; a bloated or full feeling about the stomach and sides; aggravating pains in the sides, back or breast, and about the shoulders; constipation of the bowels; piles, flatulence, coldness of the extremities, &c.

# KOSKOO

Is a remedy of *Wonderful Efficacy* in the *cure* of diseases of the *Kidneys* and *Bladder*. In these affections it is as near a specific as anything can be. It does its work *kindly*, *silently* and *surely*. The *Relief* which it affords is both *certain* and *perceptible*.

DISEASES OF THE KIDNEYS AND BLADDER.

Persons unacquainted with the structure and functions of the Kidneys cannot estimate the importance of their healthy action.

Regular and sufficient action of the Kidneys is as important, nay even more so, than regularity of the bowels. The Kidneys remove from the Blood those effete matters which, if permitted to remain, would speedily destroy life. A total suspension of the urinary discharges will occasion death in from thirty-six to forty-eight hours.

When the Urine is voided in small quantities at the time, or when there is a disposition to urinate more frequently than natural, or when the Urine is high-colored or scalding, with weakness in the small of the back, it should not be trifled with or delayed, but Koskoo should be taken at once to remedy the difficulty ... Most of the diseases of the Bladder originate from those of the Kidneys, the Urine being imperfectly secreted in the Kidneys, proves irritating to the Bladder and Urinary passages. When we recollect that medicine never ... through the general circulation of the Blood, we see how necessary it is to keep the Fountain of Life Pure.

IN THE CURE OF
DISEASES OF THE NERVOUS SYSTEM.

Almost nine-tenths of our people suffer from nervous exhaustion, and are, therefore, liable to its concomitant evils of mental depression, confused ideas, softening of the brain, insanity, and complete breaking down of the general health. Thousands of suffering to-day with broken-down nervous systems, and, unfortunately, tobacco, alcohol, late hours, over-work (mental and physical), are causing diseases of the nervous system to increase at a fearful ratio.

The symptoms to which the nervous system give rise may be stated as follows: A dull, heavy feeling in the head, sometimes more or less severe pain or headache; Periodical Headache, Dizziness, Noises or Ringing in the Head; Confusion of Ideas; Temporary Loss of Memory; Dejection of Spirits; Starting during Sleep; Bad Dreams; Hesitation in Answering Questions; Dulness of Hearing; Twitching of the Face and Arms, &c., which, if not promptly treated, lead to Paralysis, Delirium, Insanity, Impotency, Apoplexy, &c.

LORILLARD'S Yacht Club Smoking Tobacco is made of the choicest leaf grown; it is anti nervous in its effects, as the Nicotine has been extracted; it leaves no disagreeable taste after smoking; it is very mild, light in color and weight, hence one pound will last as long as 3 of ordinary tobacco. In this brand we also pack orders every day for first quality Meerschaum Pipes. Try it and convince yourselves it is all it claims to be, "THE FINEST OF ALL."

RING'S VEGETABLE AMBROSIA

*This Ambrosia has now been long enough before the public long enough to have been thoroughly tested and its increasing sale and popularity are the best evidences of its superior merit. As a Restorer of Gray Hair to its original color it has no equal. For curing humors of the scalp and preventing itching it is wonderfully successful. For preventing the Hair from falling it is unequalled. For restoring Hair to Bald Heads it succeeds beyond expectation, although not always successful. Where the glands or follicles are not destroyed new Hair is sure to grow after using it properly. As a dressing nothing can supplement it, imparts to dry, dead and wiry hair that beautiful glossy appearance so much desired. Contains nothing to injure the hair or soil the finest linen. It is compounded upon scientific principles of the purest ingredients and is entirely harmless. Being perfumed with the most fragrant Extracts its odor is delightful. TESTIMONIALS almost without number can be given if necessary, but the AMBROSIA is too well known to require them. Try it once and you will never be without it.*
