ROOMS OF THE DEMOCRATIC CONSERVATIVE STATE CENTRAL COMMITTEE.

ELDON HALL,
Baltimore, July 27, 1870.

At a meeting of the above named Committee, held this instant, the following resolutions were adopted:

Resolved, That it be, and is hereby, recommended to the Democratic Conservative Voters of the State of Maryland, to meet in their respective County Election Districts and Wards of the city of Baltimore, on SATURDAY, the 3d of September next, at the usual places and hour or hours for holding such meeting, for the purpose of electing Delegates to form a Convention for each Congressional District respectively, to nominate a candidate for the Congress of the United States; Provided, unless otherwise directed by their respective *County* Central Committees or City Convention of Baltimore, or when there be no County Central Committee, then the State Central Committee for the County.

Resolved, That the Delegates to be chosen under the foregoing resolution be recommended to meet in Congressional Conventions, on THURSDAY, the 15th of September next, at 12 o'clock M., at the following places, to wit:

First Congressional District—At Cambridge.
Second Congressional District—At Towsontown.
Third Congressional District—At Rechabite Hall, Baltimore city.
Fourth Congressional District—At Frederick City.
Fifth Congressional District—At Ellicott City.

Resolved, That the State Central Committee of the respective counties, and the Democratic City Convention of Baltimore, be requested to render effective the foregoing resolutions.

JOSHUA VANSANT,
Chairman D. C. State Central Committee.

TOWN HALL.—We are pleased to state that we now have a good prospect to get a Town Hall erected over the new Market House. Our citizens promptly came forward and liberally subscribed the estimated amount of stock, but in arranging the plan of the building it has been found necessary, to assure perfect safety, to make the walls somewhat thicker than was estimated in the original plan. This will make it cost a few hundred dollars more. It is therefore necessary that a few hundred dollars more stock should be subscribed. If this is not done *at once* the project may fall through. This ought not to be the case. Our citizens will certainly not permit this great public improvement to fall through for the want of a few hundred dollars. It is to be hoped that some of the abler stockholders will double their subscriptions, and that those who have not subscribed will come forward and do so at once. It is "now or never." If we would have the Town Hall, this additional stock must be subscribed this week.

TRUSTEES' SALES.—Attention is directed to the sales of "Part of Acton" and "Part of the Glebe," advertised in this morning's Star by James Ll. Martin, Esq., trustee, to take place on the 30th inst. These are both very fine farms, and delightful situations. They are both located convenient to Easton, to the railroad and to steamboat landings, giving a choice of markets, with little expense of hauling.

Messrs. Goldsborough and Ditty, Esqs., trustees, also advertise a valuable farm of Dr. Trippe's, in Bailey's Neck, for sale on the same day; and on Monday, the 29th instant, they advertise to sell in Cambridge the valuable estate in Dorchester county known as "Todd's Point."

P. T. Kennard, Esq., advertises for sale the fine farm of Richard Trippe, in Bailey's Neck, on the 30th inst.

Messrs. Martin and Powell will sell on the same day the Innes property, in Chapel district.

WORTH MENTION.—The M. E. Camp-meeting at McNeal's Woods, commenced on Thursday.

At the recent commencement at St. John's College, Annapolis, the degree of Doctor of Divinity was confered upon the Rev. D. Hutton, Rector of St. Peter's Parish, Easton.

The Southern Methodist Camp-meeting commences on next Thursday week, and will last ten days.

We had a refreshing shower of rain in this section on Thursday night. In some parts of the county the rain was heavy.

Peaches, water melons, pears and tomatoes are now abundant in the Easton market.

The dwelling house in Easton commenced last Fall and left in an unfinished condition by Lewis A. Leonard, was sold under Mechanics lien law on Tuesday by Sheriff Bennett to John C. Ford for $1250.

Jonathan Leonard's farm in Oxford neck was sold by his trustees on Tuesday to Wm. T. Elliott for $7,000.

State Tax Collector Leeke has received his books and advertises for persons to pay in August and save five per cent on the State taxes.

James Floyd, of Trappe district, had an ox stolen last week. The thieves killed and skinned it before taking it away. The skin was found.

The railroad cases expected to be tried at the July term of the Circuit Court for Talbot county were postponed to the November term, because the counsel for the Company were not ready for trial.

William T. Kemp, Esq., applied to the Court last week for an attachment to enforce the injunction against the Railroad Company affirmed by the Court of Appeals. The motion is to be argued on the 16th of this month.

The freight train on the Maryland & Delaware Railroad now leaves Easton at 8:15 A. M., instead of 10 o'clock, as formerly. The train will continue to start at 8:15 through the peach season, in order to give time to accumulate freighting and make connection with the train on the Delaware road.

LIFE HAS FEW CHARMS for the Dyspeptic, which is not to be wondered as when we take into account the amount of bodily and mental suffering that this distressing malady generates. The Peruvian Syrup (a protoxide of iron) has cured thousands who were suffering from this disease.

PUBLIC SALE.—The Executor's sale of the personal estate of the late Nicholas Martin in Island Creek Neck will take place on Wednesday, the 7th of September. The advertisement will be found in to-day's Star. A large amount of very valuable property is embraced in the inventory.

FERTILIZERS.—Attention is directed to the advertisement of Thomas S. Haddaway to be found in to-day's Star. He is offering great inducemens to the buyers of Lime, Lumber, Coal and Fertilizers.

WHITELOCK'S VEGETATOR.—Special attention is directed to the advertisement of this valuable fertilizer.

Deaths.

In Baltimore on the morning of the 27th inst., after a short illness of acute dysentery, Mrs. Catherine Bateman, widow of the late Amzi Bateman, in the 87th year of her age.

In Baltimore on the 22d inst., G. Lyman son of John H. & Georgianna Tunis, in the 22nd year of his age.

The New York Sun has the following palpable hit at Fenton:

"Governor Fenton could elevate the standard of the Democracy. He might make it a condition of his joining their ranks that the days of peculation should cease, and the era of promiscuous stealing come to an end."

Seeing that Fenton has been the most notorious practicer of "peculation and promiscuous stealing," even in his own party of thieves, this is decidedly rich.

The most bitter of the Mongrel papers of New York gives the late Congress the following parting kick:

"The House of Representatives will adjourn *sine die* at noon to-day. It has broken its plighted faith to the people in voting to retain the unconstitutional income tax. It has voted away millions of acres of public lands, and refused to wipe out the outrageous franking privilege. And to-day it adjourns! Thank God!"

But how much greater reason should we have to thank God if it was never to assemble again.
