Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

HALL'S VEGETABLE SICILIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Sold by all Druggists, and Dealers in Medicines. Price One Dollar.

Buckingham's Dye.
FOR THE WHISKERS.

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in *one preparation*; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.

You Can do Your Own Painting,
BY USING
Bradley's Patent Enamel Paint,
The Most Economical, Beautiful and Durable.

These Paints are composed of PURE WHITE LEAD, ZINC and LINSEED OIL, with other materials which add greatly to the durability, elasticity, beauty and strength of the Paint. The whole are chemically combined, so that the pigments are held in permanent solution, thus forming a new compound which dries upon the surface and adheres firmly to it, thus forming a smooth, glossy, firm, elastic and durable Paint. The Oil, which is the real life of the Paint, cannot leave it and be absorbed by the substance to which it is applied, as it does in paints mixed in the ordinary way, and thus leave the pigment dead and brittle, to wash and rub off in a few months, or at farthest in three or four years. This Paint is unaffected by changes of temperature, is perfectly impervious to the action of water, is well adapted to all classes of work, and is in every way a better Paint for either INSIDE or OUTSIDE WORK or BOAT PAINTING, than any other Paint known to the trade, and will last at least THREE TIMES AS LONG AS THE BEST LEAD AND OIL MIXED IN THE ORDINARY WAY.

Manhood: How Lost, How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the *radical cure* (without medicine) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, CONSUMPTION, EPILEPSY, and FITS, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and *radically*.

This lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, *postpaid* on receipt of six cents, or two post stamps.

Also, Dr. Culverwell's "Marriage Guide," price 50 cents.
