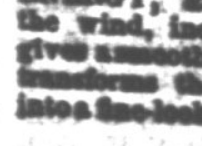
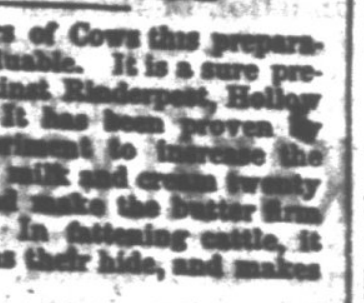
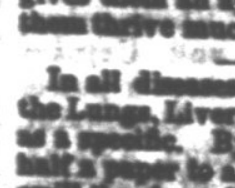
FOUTZ'S CELEBRATED Horse and Cattle Powders.



This preparation, long and favorably known, will thoroughly re-invigorate broken down and low-spirited horses, by strengthening and cleansing the stomach and intestines.

It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COUGHS, DISTEMPER, FEVERS, FOUNDER, LOSS OF APPETITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite—gives a smooth and glossy skin—and transforms the miserable skeleton into a fine-looking and spirited horse.





To keepers of Cows this preparation is invaluable. It is a sure preventive against Rinderpest, Hollow Horn, etc. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent. and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.

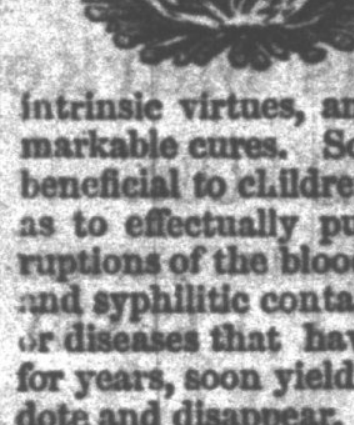
Ayer's Sarsaparilla



Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula,** and all scrofulous diseases, **Ulcers, Eruptions,** and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm,** and internal **Ulcerations of the Uterus, Stomach, and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility,** and **Leucorrhœa,** when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Ayer's *Hair Vigor,*

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, fallen hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning grey or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Dr. E. F. GARVIN'S

SOLUTION AND COMPOUND ELIXIR OF TAR

FIRST AND ONLY SOLUTION ever made in one mixture of ALL THE TWELVE valuable active principles of the well known curative agent,

PINE TREE TAR,

SPECIFIC FOR CONSUMPTION!

This all-powerful vegetable preparation expels from the lungs and air passages the mucus and muco-pus produced by pulmonary inflammation, heals the irritated membranes, and renovates every organ which utilizes the breath of life. It contains no stupefying poison, and is in all respects a healthful medicine. The rapidity and certainty with which it

ANNIHILATES A COUGH

is astonishing. Its effects go deeper than the mere symptoms of pulmonary disease and discharge the cause from the system. It relieves the lungs, chest and throat from the burdens which oppress them, thus arresting Consumption and Bronchitis in the germ before they reach the more dangerous stages. The emaciated sufferer

BATTLING FOR LIFE

with the most terrible scourge of our climate will find DR. GARVIN'S TAR REMEDY a potent ally, and will assuredly win the fight by adhering strictly to this balsamic medicine. By its VITALIZING, PURIFYING and STIMULATING effects upon the general system, it is remarkably efficacious in all

DISEASES OF THE BLOOD,

Including Scrofula and Eruptions of the Skin, Dyspepsia, Diseases of the Liver and Kidneys, Heart Disease, and General Debility. The

CASES NOW ON RECORD

in which it has been administered with entire success as a remedy for every variety of maladies which affect the respiratory functions, amount to

THOUSANDS

at the present date, and yet the preparation is only in the infancy of its usefulness. The great defect of all Expectorants introduced is that they are simply expulsory. Hence they are useless; for, unless the causes of the acrid secretions which are coughed up are removed, and the ruptured, inflamed or materated surfaces healed and restored to their natural tone, a cure is impossible.

DR. GARVIN'S TAR REMEDIES,

accomplish these objects. The mucus and mucopus which are the consequences of Lung Diseases, are thrown off by them, while at the same time they soothe and invigorate the weakened tissues. As

STERLING REMEDIES

for coughs, colds, influenza, bronchial difficulties, catarrh, asthma, diseases of the heart, liver, stomach and bowels, all female weaknesses, diseases of the skin, inflammation of the lungs, and all disorders of a pulmonary nature, they have never been equalled.

Great Improvement *IN MILLING.*

IT has been all trouble with mills driven by steam, that of irregular motion, but by long study and practical experiment, we have succeeded in having as regular, steady and uniform motion as water or any other power can give This enables us to make good flour and meal, and a good yield. We have been using our new improvement over seven months. We did not like to let it be known until we were sure of being right, and we must be right, for our custom is on the increase all the time, which we think is a proof of our success. Now, all we ask is for our patrons to continue with us, and observe all for their own satisfaction. We thank our customers for past patronage, and will thank them again if they will let us.
