## Democratic & Conservative Meeting.

The Democratic and Conservative [illegible] Court House, [illegible] P. M. [illegible] the Fall election. [illegible]

EDWD LLOYD,
SAM. HAMBLETON,
May 13th, 1873. Ex. Committee.

## The Congressional Salary Steal.

[illegible]

... They are not to be trusted; they are not fit to hold the people they have so selfishly betrayed; and the people should visit on them their severest wrath. If the people are virtuous and true to themselves, they will deal with every one of them according to their just deserts. If the crime is condoned, and these guilty congressmen go unpunished by popular condemnation, politics will come to be regarded as a game of grab, and he that makes the biggest pile, however dishonestly, will be esteemed the most fortunate man.

## THE MEETING TO-DAY.

Our Democratic and Conservative friends should not forget the meeting to-day, called by the Executive Committee, to organize the Democratic party of Talbot County for the coming campaign. It is to be hoped that every thing will be done calmly and dispassionately, and that all asperity of feeling will be avoided. If the party will resolve to forget past factions and come together as a unit, nominating the best men for office, and determine to conquer, there is not the slightest reason to doubt that the Democracy can carry the county in November. To do this, however, it is necessary that every interest should be respected; that all personal feelings should be held in abeyance for the general good; that all [illegible] of individuals on personal grounds should be disclaimed; and that every man shall stand or fall on his own personal and political merits. If this is not the policy which is to be pursued, the opposite should be avowed at once, in order that every Democrat may know where he stands, and determine on his course. Nothing can do the party so much good at this time as perfect harmony. We hope the meeting to-day will be equal to the emergency.

The Salisbury [illegible] has raised at the head of its editorial column the name of Hon. Levin Woolford for nomination, as State Comptroller, and advocates his nomination in strong terms. Hon. J. P. Dent, of St. Mary's county, is also spoken of in connection with the Comptrollership.

Because the fever epidemic of last month, the stock of Ayer's Ague Cure in the Old North State became exhausted, and before a supply could be received from Lowell, the suffering from chills and fever became fearful. A few parties were so fortunate as to have it on hand, and in Iredell County, the druggists sold out their slender stocks by selling doses—a spoonfull each—for a dollar. Many paid ten dollars for a bottle, when the regular price is but one, and thought themselves favored at that, so valuable are the curative properties of this preparation, which not only expels the poison from the system, but leaves the patient with unimpaired health and vigor.—Raleigh (N. C.) Standard.

BUCKEYE REAPERS.—The cutting of grain with Reaping Machines, is now the settled custom of our country almost everywhere. The sickle and cradles of only a few years since, have passed away "among the things that have been"; but the memory of the days of toil and sweat they caused in the harvest field, is yet fresh with many farmers.

American genius has inaugurated a millennial period to the farming community in the various implements adapted to every department of agriculture. [illegible]

That Favorite Home Remedy,

## PAIN-KILLER,

Has been before the public over thirty years, and probably has a wider and better reputation than any other proprietary medicine of the present day. At this period there are but few unacquainted with the merits of the Pain-Killer; but, while some extol it as a liniment, they know but little of its power in easing pain when taken internally; while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all, that it is equally successful, whether used internally or externally. [illegible]

Davis' Pain-Killer is a purely vegetable compound, [illegible]

It is eminently a Family Medicine; [illegible]
