Ayer's

Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.

Ayer's

Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, fallen hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning grey or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

TRADE MARK.

Dr. E. F. GARVIN'S

SOLUTION AND COMPOUND ELIXIR
OF

TAR

FIRST AND ONLY SOLUTION ever made in one mixture of ALL THE TWELVE valuable active principles of the well known curative agent,

PINE TREE TAR,

SPECIFIC FOR CONSUMPTION!

This all-powerful vegetable preparation expels from the lungs and air passages the mucus and muco-pus produced by pulmonary inflammation, heals the irritated membranes, and renovates every organ which utilizes the breath of life. It contains no stupefying poison, and is in all respects a healthful medicine. The rapidity and certainty with which it

ANNIHILATES A COUGH

is astonishing. Its effects go deeper than the mere symptoms of pulmonary disease and discharge the cause from the system. It relieves the lungs, chest and throat from the burdens which oppress them, thus arresting Consumption and Bronchitis in the germ before they reach the more dangerous stages. The emaciated sufferer

BATTLING FOR LIFE

with the most terrible scourge of our climate will find DR. GARVIN'S TAR REMEDY a potent ally, and will assuredly win the fight by adhering strictly to this balsamic medicine. By its VITALIZING, PURIFYING and STIMULATING effects upon the general system, it is remarkably efficacious in all

DISEASES OF THE BLOOD,

Including Scrofula and Eruptions of the Skin, Dyspepsia, Diseases of the Liver and Kidneys, Heart Disease, and General Debility. The

CASES NOW ON RECORD

in which it has been administered with entire success as a remedy for every variety of maladies which affect the respiratory functions, amount to

THOUSANDS

at the present date, and yet the preparation is only in the infancy of its usefulness. The great defect of all Expectorants introduced is that they are simply expulsory. Hence they are useless; for unless the causes of the morbid secretions which are coughed up are removed, and the impaired, inflamed or ulcerated surfaces healed and restored to their natural tone, a cure is impossible.

DR. GARVIN'S

TAR REMEDIES,

accomplish these objects. The mucus and muco-pus which are the consequences of Lung Diseases are thrown off by them, while at the same time they soothe and heal the diseased tissues. As

STERLING REMEDIES

for coughs, colds, influenza, bronchial difficulties, catarrh, asthma, diseases of the heart, liver, stomach and bowels, all female weaknesses, diseases of the skin, inflammation of the lungs, and all disorders of a pulmonary nature, they have never been equalled.

DR. TUTT'S
SARSAPARILLA
AND
QUEEN'S DELIGHT.

DR. TUTT'S EXTRACT OF SARSAPARILLA AND QUEEN'S DELIGHT which consists of the curative elements implanted by the GREAT PHYSICIAN in these hygean roots, fully developed and concentrated, is known far and wide by the effects it has produced. The unfortunate prey of Scrofula, whose body was once honey-combed by that foul disease testifies to its value; the Rheumatic patient who has cast aside his crutches acknowledges its benefits with gratitude; the victim of Syphilitic taint and mercurial poison resounds its praise; and the cicatrices of unnumbered ulcers of every type, had they each a tongue, would bear witness to its efficacy.

LOSS OF APPETITE, INDIGESTION, DYSPEPSIA, HEARTBURN, FEMALE IRREGULARITIES, WHITES, SALLOW COMPLEXION, ERUPTIONS AND BLOTCHES IN THE SKIN, WHITE SWELLINGS, SORE EYES, DISCHARGES FROM THE EARS, SCALD HEAD, CANCER IN THE WOMB, NIGHT SWEATS, NOCTURNAL EMISSIONS, RHEUMATISM, all proceed from the same cause, viz:

IMPURE BLOOD AND
UNHEATHY SECRETIONS.

For these and kindred diseases a remedy has dawned upon the world having for its object the relief of suffering humanity,

DR TUTT'S SARSAPARILLA and QUEEN'S DELIGHT,

an entirely vegetable compound, is in its operation peculiar, entering into the circulation, thus coming in contact with the germ or cause of disease, and displacing unhealthy secretions by extending its influence to every part of the body, and causing a general reaction whereby health succeeds debility and disease.

Under the influence of this valuable Medicine the eye grows sparkling, the complexion clear and roseate, unsightly Blotches, Pock Marks, Worms in the Flesh, Pimples and Roughness of the Skin disappear, and the entire organization grows redolent with health. It gives tone to the body, and causes it to gain in flesh and increase in weight. Price, $1.00 per bottle, or 6 bottles for $5.00. Sold by Druggists generally throughout the United States.
