Attention is directed to the advertisement of sale of a fine farm in Trappe district by L. M. [illegible], Esq., Trustee.

Mr. John W. Fooks, of Miles River Neck, has our thanks for a turnip weighing 7 pounds. It is a rouser, and hard to beat.

The Republican party held a meeting at the Court House in Easton on last Tuesday. Speakers from Baltimore harangued the people.

The Solomon Coburn farm in Trappe district, sold on Tuesday by C. H. Gibson, Esq., Trustee, was bought by Judge Thos. H. Leonard at $1810.

Attention is directed to the sale of valuable real estate, advertised in to-day's Star, by C. H. Gibson, Esq., Trustee.

Mrs. Hall has rented the Frame Hotel, and will open her new establishment on the 1st of November.

Democrats, don't forget the meeting at Chapel [illegible] Saturday. There will be plenty of oysters [illegible] speaking, and good old fashioned rally.

This is the last day of Registration before the election. If there are any who have not registered, they must register to-day, or they cannot vote on the 4th of November.

We have had a beautiful Autumn thus far. Here is the last of October and the dahlias, roses, petunias, phlox and other Autumn flowers [illegible] as fresh and [illegible] September.

Mr. Frank [illegible] selling the [illegible] Sewing Machines. [illegible] machines [illegible] uniform satisfaction, [illegible] easy to sell. We are glad to learn that he is prospering in his business.

The Democratic candidates and speakers canvassed Broad Creek Neck, Bay Hundred and Tilghman's Island last week. Our friends say that old stronghold will roll up the usual majority for the Democratic party.

Perry W. Stewart, Esq., is having the porch in front of his residence on Washington street remodeled and improved. Mr. Flowers is doing the work. The change will be a great improvement to the property.

John L. Caldwell, Esq., has bought the old stable of Mr. Powell's park lot, [illegible] situated at the junction of the Railroad and Dover road, and is rebuilding and fitting it up for an office for his coal and wood yard.

Mr. Isaac Cole, Baltimore, writes: "I had a distressing Cough, which annoyed me day and night. I was persuaded to use Dr. Bull's Cough Syrup, and its effect was magical. I am entirely cured. I know others that used it with the same happy results."

Mayor Vansant's majority on Wednesday was 10,117, as corrected by the official returns, and not 9,866, as first published in the city papers on Thursday morning. His majority two years ago was a fraction over 7,000, showing that the Democratic majority is steadily on the increase in Baltimore.

Charles A. Wailes, Esq., State Insurance Commissioner, has our thanks for Part II—Supplemental Report, of the Insurance Commissioner of the State of Maryland to the Comptroller of the Treasury Department, October [illegible]. The document contains valuable statistics respecting the Insurance Companies doing business in this State.

At Trappe, on Saturday week, Mr. Whitehouse, one of the Republican speakers, stated on the [illegible], as we are informed, that he was in favor of repealing our State oyster laws, and making our waters free to all dredgers. If [illegible] to be their policy, in the event of their [illegible] the Legislature, our [illegible] interests [illegible] vote [illegible].

The [illegible] market [illegible] and ample room to accommodate all marketers, sellers and buyers, yet on market days it is so crowded that persons can scarcely pass each other. This is simply because all the business in the market is done in one end of it. There is but one pair of scales, and everything to be weighed must be crowded around them. There are only two or three measures, and half the marketers half their time are running about the market looking up measures. This is the quintessence of bad management. There should be two butter stands, several additional weights and scales, and plenty of measures. The stalls should be sub-rented, and the market should be spread out from one end of the building to the other. If the market master would attend to this he would confer a great favor on marketers.

CONSECRATION OF ALL SAINTS CHURCH.—All Saints P. E. Church, near Pott's Mills, in this county, will be consecrated on Saturday next, November 1, All Saints day, according to the Church Calendar. The sermon will be preached by Bishop Whittingham, of the Diocese of Maryland, if his health permits him to be present, otherwise by Rev. Mr. Rankin, of St. Luke's Church, Baltimore. A large number of clergy are expected to be present. On Sunday, following the rite of Confirmation will be administered by Bishop Lay to quite a large class prepared by the Rector, Rev. Mr. Dashiell.

CONCERT AT TRAPPE.—There will be a concert of vocal and instrumental music held in the M. E. Church, South, at Trappe, on Wednesday evening, the 5th of November. Professor Harry Sanders, one of the finest reed instrument performers in the country, will perform on the organ, assisted by Professor John G. Robinson, and twelve singers from Baltimore, ladies, will take part in the concert. The programme is very attractive, and should draw a large house. The proceeds will be devoted strictly to a benevolent purpose.

THE MEETING AT TRAPPE.—Gov. Thomas [illegible] Democratic Meeting at Trappe on Saturday. Our friends in that district are carrying the war into Africa, and will make the Republican party quake on the 4th of November.

HON. A. H. H. STUART ONNEGRO COLONIZATION.—In a speech delivered in Richmond, Va., on Wednesday, Hon. A. H. H. Stuart, of Staunton, took the ground that the antipathy existing between the white and colored races rendered it impossible for them to live together in harmony. He believed that the President's object in endeavoring to acquire San Domingo was to colonize the colored men of the South on that island. He (the speaker) favored this plan as the only one to save the country from displays of irreconcilable antagonism.

WINTER ARRANGEMENT.—We have been requested to say that by the winter arrangement there will be but one train a day from Easton, leaving at 6½ A. M. This arrangement will necessitate a change in the hour of making up the morning mail. It will therefore be closed, on and after Sunday night next, at 8 o'clock. Persons wishing to send letters, must, therefore, have them in the office by that hour every night.

A Ton and a Half of Coin.

PHILADELPHIA, October 22.—Eight hundred and fifty-five thousand dollars, coined in twenty dollar pieces, was delivered this morning by the chief coiner to Superintendent Pollock, at the Philadelphia mint. The gold weighed over a ton and a half.

The Ohio Election.

COLUMBUS, Oct. 22.—The indications are that owing to mistakes made by voters in several counties in voting for Isaac Welch and John Little for offices for which they were not candidates both will be beaten.—This will give the democrats the governor, treasurer and attorney general.

Thousands of promising youths, of both sexes, go down to untimely graves, from general debility and weakness, who might be saved by fortifying their systems with Iron. The Peruvian Syrup is an Iron Tonic prepared expressly to supply this vitalizing element, and is the only preparation of iron that will assimilate at once with the blood.

Natural Decay—Protect the System.—The human body is a machine, and therefore cannot endure forever; but, like a watch or a sewing machine, it will last much longer if properly regulated and duly repaired, than if no pains were taken to keep it in order. The great object of every one who desires a long and healthy life should be to put his body in a condition to resist the life threatening influences by which we are all more or less surrounded; and no invigorant and corrective at present known so effectively answers this purpose as the vitalizing elixir, which under the unpretended name of Hostetters Stomach Bitters, has been for more than twenty years the standard tonic of America. In crowded cities where the atmosphere is contaminated with the effluvia inseparable from large populations; in marshy regions, where the soggy soil reeks with miasma; on the prairies and in the forests, where every fall the air is tainted with exhalations from rotting wood and grasses, or decomposing leaves—in short, in every locality where malaria exists, this powerful vegetable antidote is urgently needed. Fever and ague, billious fevers, congestion of the liver, jaundice, rheumatism, and all diseases which are generated by infected air, impure water, or sudden changes of temperature, may be averted by strengthening and regulating the system in advance with Hostetter's Bitters. Autumn is always a season of peril, especially to weak susceptible organizations. Even the more vigorous are [illegible] depressed by the humid atmosphere [illegible] noxious gases produced by vegetable decay. The Bitters [illegible] vitality of the living machine is peculiarly important, and the Bitters should therefore be taken daily at this critical season.

ASIATIC CHOLERA IN CHINA.—

Almost Invariable Cured With

PAIN-KILLER!

DEAR SIRS: During a residence of some ten years in Siam and China, as a missionary, I found your Pain-Killer a most valuable remedy for that fearful scourge the Cholera.

In administering the medicine I found it most effectual to give a tea-spoonful of Pain-Killer in a gill of hot water sweetened with sugar; then after about fifteen minutes begin to give about a tablespoonful of the same mixture every few minutes until relief was obtained. Apply hot applications to the extremities. Bathe the stomach with the Pain-Killer, clear, and rub the limbs briskly. Of those who had the Cholera, and took the medicine faithfully, in the way stated above, eight out of ten recovered.

REV. R. TELFORD, Missionary in China.

DEAR SIRS: During a long residence in China I have used your valuable Pain-Killer, both in my own family and among the Chinese, and have found it a most excellent medicine. In the Summers of 1862 and 1863, while residing in Shanghai, I found it an almost certain cure for cholera, if used in time. Indeed, using it in a great many instances, I do not remember failing in a single case. For three years I have been residing in this place, more than 100 miles from a physician, and have been obliged often to fall upon my own resources in case of sickness. The Chinese come to us in great numbers for medicine and advice. Though without medical knowledge ourselves, the few simple remedies we can command are so much in advance of their physicians, that we have almost daily applications. We allow them to come, because it brings us in contact with them and opens a door of usefulness. In diarrhea, colic, vomiting, cholera, coughs, &c., your Pain-Killer has been my chief medicine. Yours, very truly,

REV. T. P. CRAWFORD, Tungchow, China.

Those using Pain-Killer should strictly observe the following directions:

At the commencement of the disease, take a teaspoonful of Pain-Killer, in sugar and water, and then bathe freely across the stomach and bowels with the Pain-Killer clear. Should the diarrhea and cramps continue, repeat the dose every fifteen minutes. In this way the dreadful scourge may be checked and the patient relieved in the course of a few hours.

N. B.—Be sure and get the genuine article; and it is recommended by those who have used the Pain-Killer for the cholera, that in extreme cases the patient take two (or more) teaspoonfuls instead of one.

The PAIN-KILLER is sold by all the Druggists and Dealers in Family Medicines.

Price, 25 and 50 cents and $1.

THE PLAN OF VOTING

ON THE

Local Option Question.

THE Plan for taking the sense of the people of Talbot County, on the question of a Local Option Law, or the prohibition, by the will of the people, of the licensed sale of intoxicating drinks as a beverage, is as follows:

Two thousand tickets will be issued by each political party, Democratic and Republican, with the words "FOR LOCAL OPTION" printed thereon. And [illegible] the balance of the tickets of both said parties, will be in blank. Those who desire to vote against Local Option, will [illegible] the words "AGAINST LOCAL OPTION." The temperance men make no objection to the printing of these words on the said tickets.

All the tickets with the words "FOR LOCAL OPTION" written or printed on them, will be counted as in favor of that reform, and all the tickets with the words "AGAINST LOCAL OPTION" written or printed on them, will be counted against it.

The Judges of Election will be respectfully requested, by the authorities of both political parties, to have a fair and correct separate list and tally of the votes on the Local Option Question, kept in any manner most convenient and proper; and that a record thereof, distinct and unconnected with the official returns of the County election, be left at the Office of the Clerk of the Circuit Court for inspection of all parties interested.
