PUMP MAKING
AND
WELL DIGGING.

JOHN LYNCH, Jr., returns his sincere thanks for the liberal patronage bestowed upon him during the past year, and respectfully informs the public that he still continues the Pump Making and Well Digging business in Talbot and adjoining counties.

Pumps made of the best timber, of any size required, in the best manner, and guaranteed to give entire satisfaction.

Wells dug or cleaned promptly and in a careful manner.

Old Pumps repaired and put in thorough order, and made to work as good as new, if not decayed or entirely worn out.

He hopes by prompt attention to business, good work and moderate prices, to receive a continuance of public patronage.

Persons desiring work done are requested to ascertain his prices before bargaining elsewhere. All orders must be left at the Post Office, Easton, Md.

Pump-Making & Well Diggin

THE subscriber announces to the citizens of Easton and Talbot county that he has resumed the above business, and will fill all orders that may be entrusted to his care.—He has a full and complete set of Pump tools, and holds himself ready at all times to put down new pumps or to repair old ones. He asks a share of public patronage, confident he can give entire satisfaction, as all will testify who have ever employed him. He will also do work in Caroline and Queen Anne's counties when called on. He has no business connection with John Lynch.

All orders addressed to him through the Easton P. O. will receive prompt attention. He may be found at his shop on Harrison street, opposite the residence of Col. Hambleton. Any order left with his father, Daniel Lofton, will be attended to.

Coughs, Colds, Bronchitis, Sore Throat, Influenza, Croup, Whooping Cough, Hoarseness, Liver Complaint, Pains or Soreness in the Chest or Side, Bleeding at the Lungs, and every affection of the Throat, Lungs and Chest, are speedily and permanently cured by the use of Dr. Wistar's Balsam of Wild Cherry, which does not dry up a cough and leave the cause behind, as is the case with most remedies, but loosens it, cleanses the lungs and allays irritation, thus removing the cause of the complaint.

CONSUMPTION CAN BE CURED

by a timely resort to this standard remedy, as is proved by hundreds of testimonials it has received. None genuine unless signed "I. BUTTS" on the wrapper.

50cts and $1 a bottle; large bottles much the cheaper. SETH W. FOWLE & SONS, Proprietors, Boston, Mass. Sold by dealers generally.

EASTON
BRICK AND TILE YARD.

IT has become well established and is now undisputed, that ALL land brings better crops by being underdrained, and that low, springy or wet land cannot be worked with profit without underdraining. Underdrains double or treble the crops, and increase the value of the land far more than the cost.—The undersigned have on hand a large stock of superior

DRAIN TILE OF ALL SIZES,

from 2 to 7 inches vent, which they offer to farmers at from 20 to 30 per cent. less than they can be procured anywhere else. Terms will be made accommodating, so that no farmer need fail to put his land in order to raise the largest crops it can be made to produce. Call at our yard in Easton and examine our stock.

BRICKS! BRICKS!

We keep constantly on hand a large assortment of COMMON and FRONT Bricks of the best quality, which will be sold at lower prices than can be obtained elsewhere.—Orders for any number of BRICKS, from one to five hundred thousand, will be promptly filled and satisfaction guaranteed.

ICE! ICE! ICE!
Pure Spring Water Ice.

I take this method to inform my customers and the public generally that my price for ICE this season will be ½ ct. per lb, the same price I started with 1874, which is less than it had ever been sold for in Easton up to that date, and as low as it can be sold with profit. If, however, I should be convinced by a practical experiment, against my present opinion, that it can be sold for less, I will then reduce the price to suit the times.

I have in store the largest quantity ever stored by any one individual in this county.

I have about 100 tons in one house, measuring from 4 to 8 inches in thickness, the most of which is still pond ice, and 8 inches thick. I have over 300 tons of Spring Water Ice from 3 to 4 inches thick, the most of which is full 4 inches, which I consider preferable to the still pond ice, no matter how thick, as thickness does not give it quality. I believe that such is a conceded fact, consequently needs no argument.

In selling ice it is my purpose to benefit myself and at the same time benefit the community. I have as yet only succeeded in the latter, which I have done by reducing the price of ice more than twenty per cent lower than it has ever been sold prior to my engaging in the business; also by laying in my supply early last spring, I was enabled to supply not only Easton but the adjoining counties as well, lower than it could have been done if I had bought later, as the loss in extra speculation would have been much more as well as the first cost higher.

However, if the generous patronage which has been bestowed in the past shall be continued in the future, I hope by strict attention to business and the requirements of my customers to merit a continuation of the same, and by increasing the demand and furnishing the supply, to benefit myself as well as the public.

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends; and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take, while being purely vegetable, no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Hopkins' Antalgic Liniment,

FOR the cure of *Neuralgia, Rheumatism, Gout, Lumbago, Face-Ache, Tooth Ache, Nervous Headache, Stiff Neck, Bronchitis, Sprains, Bruises, Chilblains* and all kindred diseases, is offered to the public as a certain remedy for this class of cases. It is applied EXTERNALLY, and affords *immediate* and PERMANENT relief. It is a POSITIVE CURE for NEURALGIA.

The following among the many testimonials received, are published for the benefit of the afflicted:

TRAPPE, Talbot Co., Md.,
March 17th, 1874.

I take great pleasure in testifying to the merits claimed for "Hopkins' Antalgic Liniment."—I have for a long time been severely afflicted with head-ache, and have never found a remedy that afforded so immediate and so certain a relief—indeed it has never failed in a single instance. I have also used it for Lumbago with the same happy result.

WM C. MALOY
Minister Methodist Episcopal Church, South.

EASTON, Talbot co., Md., April 28th, 1874.

I have repeatedly used "Hopkins' Antalgic Liniment" in my family for *Neuralgia* and *Tooth-Ache* and consider it unequaled for these complaints. I believe it is the best remedy for *Neuralgia* in the world.

H. P. HOPKINS,
President Board School Commissioners for Talbot county, Md.

[From Rev. Father Lilly.]

ST. INIGOES MANOR, St. Mary's Co., Md:

Mr. Saml. B. Hopkins—Dear Sir:—I have suffered severely with *Gout* for several years.—One of your good friends procured me a bottle of your *Liniment*. I used it and found more relief than from any application I ever made. I can say that you have been my Good Samaritan.—May our good Lord reward you.

Very truly, yours, THOMAS LILLY.

WYE MILLS, Queen Anne's Co., Md.,
April 27th, 1874.

This is to certify that I have used "Hopkins' Antalgic Liniment" for *Rheumatism*—sciatic affection of the hip—with entire satisfaction. While I had it in the house, I accidentally started the cap of my knee, which soon became extremely painful. I applied the Liniment to the wound; it immediately relieved the pain and cured it. At the time my knee was hurt I was suffering with an inflamed eye; while rubbing my knee I was taken with an itching of the eye, and without a thought, rubbed the eye with the hand wet with the Liniment. It made it smart severely, but entirely cured it. I consider the Liniment an exceedingly valuable medicine.

MATTHIAS GEORGE,
Late State's Senator from Queen Anne's Co., Md.

EASTON DEPOT, Md. & Del. Railroad,
June 12th, 1874.

This is to certify that after suffering for nine weeks with Neuralgia in the hip, I was entirely cured by "Hopkins' Antalgic Liniment," after every other remedy failed. I believe it will do what is claimed for it.

THOS. W. COLLINS,
Agent Adams' Express Company.

We hereby certify that we have used "Hopkins' Antalgic Liniment" at several times for Neuralgia, and we are convinced by the relief experienced from its use that it is the most effective remedy ever devised for this troublesome complaint. We therefore take great pleasure in recommending it to the public as one of the most valuable remedies ever offered for Neuralgia, Tooth Ache, Head-Ache, Gout and Rheumatism.

DR. TUTT'S
VEGETABLE
LIVER PILLS.

IN REGIONS WHERE LIVER COMPLAINT AND its consequences, such as Dyspepsia, Loss of Appetite, Costiveness, Piles, Sour Stomach, Chills and Fever, Foul Breath, Restlessness at night, Flatulence, Nervousness, Affections of the Bladder and Kidney, Sick Headaches, &c., prevail there has long been felt the need of a medicine that would act specially on the Liver, restoring its normal functions, and at the same time be safe from after bad effects and so simple that it might be used by any one. DR TUTT'S LIVER PILLS supply this want. They act directly on the Liver, and their constant use will not injure the most delicate constitution.—They are not recommended as a universal cure-all, but simply for diseased Liver, and those maladies which follow its derangement. As purgative medicine they have no equal; their action is uniform, producing no griping or sickness of the stomach. In their use no change of diet or occupation is necessary. Price 25 cents a box. Office 18 Murray St., New York.

DR. TUTT'S HAIR DYE.

is easily applied, imparts a beautiful black or brown, and acts like magic. The best in the world. Sold by all druggists. Price, $1.00 a box.

DR. TUTT'S
EXPECTORANT.

The ghastly record of deaths that result from pulmonary affections is frightful. There is no disease that is so insiduous in its attacks as consumption. By the neglect of "slight colds" they soon become deep seated and defy remedies which, if applied at the outset, would have averted all danger. Dr. Tutt's Expectorant has proven itself the most valuable Lung Balsam ever discovered. A distinguished clergyman of New York, pronounces it the "greatest blessing of the nineteenth century," and says "no family should be without it." It is pleasant to the taste, and a single dose will often remove the most obstinate cough. Office, 18 Murray Street, New York. dec1-1y
