ICE COLD Cream Soda water on draught at R. J. TRIPPE'S.

A NICE ASSORTMENT OF Colognes and [illegible] TRIPPE'S.

Medical.

This standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Price, One Dollar.

ANTALGIC
The Great Neuralgia Cure.
Hopkins' Antalgic
AN EXTERNAL REMEDY.

ANTALGIC

THE GREAT CURE FOR RHEUMATISM.

The most painful maladies known to humanity may be embraced under the general term neuralgia. Algic affections of the nerves are as common as they are intolerable, attacking all classes and all ages in every possible variety and form. The medical profession finds more difficulty in successfully treating this form of disease than any other. The remedies used do not remove the cause of the disease, which is an obstruction of the fluids, preventing the nerves from being supplied with blood. The pain has been described as the *nerves crying for blood* The difficulty in mastering the disease has been met by the discovery of HOPKINS' ANTALGIC, an external remedy, which stimulates the circulation, dissolves the obstructions, and sets the fluids free, relieving the patient instantly, and making a permanent cure. The ANTALGIC is equally efficacious in the cure of Rheumatism, Gout, Headache, Faceache, Stiff-Neck, Lumbago, Sciatica, Sore Throat, Bronchitis, Sprains, Bruises, and all kindred diseases.
