The mercury in the thermometer was up to 75 on Friday.

Divine Service at the Roman Catholic Church, in Easton, to-day.

Mr John Gale has lost his jack, Don Carlos, with lung fever.

Flour and meal and feed for horses, always on hand at Schmitz feed store in Easton.

Mr. Peter Brinsfield's smoke house was broken open, and most of his meat stolen one night last week.

This has been thus far the mildest winter ever known. No snow of any account has fallen, [illegible] of Canada.

The Denton Journal says that herring are being caught in Choptank river, near Denton. They are forcing the season.

Joseph H Seth, Esq, has closed his law office in Easton and removed to Baltimore to practice law. His office is 28 St. Paul Street.

We are always pleased to recommend a good thing. Dr. Bull's Cough Syrup never fails to cure a Cough or Cold in short time. The price is 25 cents.

Gov. Thomas will please accept our thanks for additional numbers of the Congressional Record, containing the debates and proceedings of congress.

The Democratic National Committee will meet in Washington on the 22nd of February, to fix the time and place for holding the next Democratic National Convention.

J. W. Bryant, Esq, Trustee, at Denton, on Tuesday, sold the Jacob Morgan farm, belonging to the estate of Robert Thawley, in Chapel district, Talbot county, near Hillsborough, 247½ acres to David Taylor, of Delaware, at $34.75 per acre.

The revival services at the M. E. Church are still in progress, with increasing interest. Over [illegible] professed conversion, and the altar on Sunday night was thronged with penitents. The services are attended nightly by large congregations, who seem to be deeply impressed.

The Methodist Protestant Sunday School Concert, for the benefit of the Orphans' Home, is advertised to take place on the 22nd of February. Don't fail to engage reserved seats, and thus make yourself and family comfortable during the concert, for the hall will doubtless be crowded.

The work of putting the shells down on the streets of Easton is progressing rapidly. Between fifteen and twenty thousands bushels have already been carted from the Point and dumped in the streets. They will be put down as fast as Capt. Leonards boats can bring them from Baltimore.

James L. Lecompte, an old citizen of St. Michaels, died at his residence in that town last week. Mr. Lecompte was universally respected by his neighbors for his amiable disposition and probity of character, and his death is lamented by a large circle of friends.

FORTY YEARS' EXPERIENCE have tested the virtues of *Dr. Wistar's Balsam of Wild Cherry*, and it is now generally acknowledged to be the best remedy extant for pulmonary and lung diseases; embracing the whole range from a slight cold to settled consumption. Were it not for its *merit* it would long since have "died, and made no sign." 50 cts. and $1 a bottle, large bottles much the cheaper.

Bishop Lay preached a very able and eloquent sermon at St. Paul Church, Trappe, on Sunday week, and conferred the Apostolic Rite of Confirmation on fifteen candidates for admission into the Protestant Episcopal Church. In the evening of the same day he also confirmed two candidates at Oxford. White Marsh parish is truly prospering under the ministry of Rev. George [illegible]. The communion at Trappe is large for a country parish, being about one hundred.

Hon. William T. Goldsborough, late of "Horns Point," Dorchester county, died last week at his residence in Baltimore, in the 68th year of his age. Mr. Goldsborough married a daughter of the late Gov. Lloyd, of this county, and was well known here as a gentleman of the old school. He was the Whig candidate for Governor in [illegible], and ran against Gov. P. F. Thomas, by whom he was defeated by a considerable majority. He was a son of Gov. Charles Goldsborough, of Dorchester county.

The annual dinner of Trappe Grange, Patrons of Husbandry, took place last Thursday, at Trappe, agreeably to appointment. A large number of grangers and invited guests were present, numbering altogether about one hundred. The dinner was served up in the Grange room, over Capt. T. H. Leonard's store, and was first-class in all its appointments, all the luxuries of the season being on the table. Miss Alice Hard [illegible] presided at the organ, and furnished an abundance of delightful music. Every thing passed off to the entire satisfaction of the ladies of the Grange, which is saying all that can be said for the elegance of the dinner and the agreeableness of the company. A dance concluded the day's festivities.

Mr. Thos. G. Reynolds, of Oxford Neck, having lost several chickens lately, supposed to be stolen or caught by some wild animal, determined to set a trap for the thief. Some said they were caught by an owl, some thought a mink had made way with them, and others said the depredator on the chicken house was a weasel. On Monday night Mr. Reynolds set a snare for the plunderer. On Tuesday morning he found a big black and white cat—a regular wild cat—suspended in the snare. On Wednesday night he set the snare again, and on Thursday morning he caught the largest owl he ever saw, a regular old fashioned booby owl, which had doubtless caught many a chicken in Oxford Neck. Mr. R. is a believer in the transmigration of souls, and holds that the departed spirits of Methodist Preachers turn into owls, which accounts for the great fondness of owls for chickens, and he is very much distressed lest that in catching this owl he may have killed the spirit of his departed grandfather, who was many years ago a Methodist preacher in Delaware.

It is the belief of a great many persons in this county, that we should have several new voting precincts in the county: one at Oxford, in Trappe district; one at Royal Oak, and one at Broad Creek Neck, in St. Michaels districts; one on Tilghman's Island, in Bay Hundred district; and one in Miles River Neck, in Easton district. These precincts, if established, would greatly facilitate voting, and prevent the massing of great crowds at the voting places. Besides, there are a great many persons in Oxford, Broad Creek Neck, and Tilghman's Island, oystermen and others, who do not keep horses and carriages, who feel it to be a hardship to have to walk ten miles to get to the voting places. Their condition ought to be considered, and voting places established more convenient to them. The expense of holding elections at the proposed precincts would be but a trifle. If the voters in these neighborhoods really desire the change, they should lose no time in asking for legislation on the subject. Now is the time to act. One law would be sufficient for all of them. It is our opinion that they ought to be established.

From the St. Louis Globe.

THE SUCCESSFUL PHYSICIAN.

There is probably no man to whom the community owes so much as to the honest, fair-spoken physician, who does his actual duty both to himself and to his patients. Really skillful physicians are not so numerous that their virtues need no mention, and hence the advertisement of Dr. R. V. Pierce, of Buffalo, may well claim the reader's attention. Dr. Pierce is a type of a class of men who obtain success by careful and well-directed effort, not attempting too much, or holding false ideas as to ability. The only reliable physician in these days of complicated diseases and high pressure living is the "Special[ist]," the man who understands his one branch of [the] business. Such in his line is Dr. Pierce. For the benefit of his readers he has written a [Common] Sense Medical Adviser," which is well worth reading by those who need such a [book]. With strict business honor, high professional skill, reasonable fees, and a large corps of [able] assistants, Dr. Pierce will doubtless [make] his name familiar as "household words."

DEDICATION OF THE NEW SOUTHERN METHODIST CHURCH.—The new Southern Methodist Church in Easton, was opened and dedicated to divine service on Sunday. Service was held in the morning, afternoon, and evening, the audience filling the church at each service. Rev James Duncan, D. D., President of Randolph Macon College, Virginia, preached the dedicatory sermon from Romans, XIV chapter 7th and 8th verses: *For none of us liveth to himself, and no man dieth to himself. For whether we live, we live unto the Lord; and whether we die, we die unto the Lord; whether we live therefore, or die, we are the Lord's.* The sermon was a beautiful and eloquent exposition of the text. Dr. Duncan also preached in the afternoon and evening. There were on the platform, besides Rev. Mr. Smithson, the pastor of the church, the following ministers: Rev. Mr. Lassell; Rev. Mr. Bond; and Rev. Mr. Haddaway. The church is 65 feet long by 40 feet wide; is built of brick, with vestibule. It is nicely seated and carpeted, and lighted with handsome bracket lamps and chandalier. It cost about $5,000. Of this sum $3,000 had previously been subscribed, leaving a debt of $2,000 on the church, which sum was entirely liquidated by cash and subscriptions on Sunday, leaving the congregation free from debt. Rev. Mr. Smithson, and those who have sustained him in this enterprise, certainly deserve a great deal of credit for accomplishing such an undertaking at such a time of financial embarrassment as the present. There were some little incidents connected with the dedicatory services worthy of special mention. In the morning Rev. Mr. Smithson and his wife subscribed $200 towards paying for the church. After all the time and money he has spent in it, the brethren thought it was not right that he should pay the subscription, and at night $200 were subscribed by the congregation to pay his subscription. In the spirit of genuine religious chivalry, Rev. Mr. Lassell, of the Methodist Protestant Church, held no service at his church on Sunday, he and his congregation attending the Southern church, to hear Dr. Duncan and aid their Southern brethren pecuniarily and otherwise. It is pleasant to notice such an exhibition of the true christian spirit. A goodly number of Southern Methodists from all parts of the county were present at the dedication.

HOUSE BLOWN DOWN.—On Wednesday night week, the car house, 100 feet long, which Mr. Caldwell is building at Clayton, was struck by a severe hurricane and blown to atoms. The house was about two thirds weatherboarded, and part of it under roof. Some pieces of the building was blown over one hundred yards from the building. On Tuesday last Mr. Vernon, the carpenter who is doing the work, commenced the work of rebuilding the house.

THE GREAT NORTHERN AND SOUTHERN NURSERIES—WILMINGTON, DELAWARE—RANDOLPH PETERS, PROPRIETOR.—Attention is directed to the advertisement of these nurseries, to be found in to-days paper. Mr. Peters has a large and very choice stock of all kinds of fruit and garden plants, flowers &c., and he may be depended on to furnish genuine plants and trees adapted to our soil and climate.

ADMINISTRATION SALE.—The personal property of the late Hinson F Kirby, in Chapel district, will be sold by his administrator, on Wednesday, February 16th. See advertisement in the Star.

TRAPPE ITEMS.

Mr. Edward Lloyd is putting up a new millinery store for his wife in town. Edward H. Leonard is doing the work. Rev. Mr. Bond, of the M. E. Church, South, Trappe Station, was visited recently by numerous members of his congregation, to show their approval of his ministerial course and to signify their appreciation of him. The ladies presented him with a very handsome dressing gown and a beautiful pair of slippers. He seemed very much surprised, but no more so, than gratified. He gave all a hearty welcome, and both young and old spent a very pleasant evening.

The Trappe Dramatic Society intend to give two entertainments during the coming month. One on or about the 1st of February and the other on the 22nd. The plays selected are as follows.—*The middy ashore, Deaf as a Post, Virginian Mummy, &c., &c.* The Sunday school of the M. E. Church, South, are going to give a concert shortly for the benefit of the school. Mrs. E Lloyd has taken the affair in hand, as musical director, and we feel sure, under her guidance, it will be a success. The Trappe Grange gave their Anniversary Dinner on last Thursday.

Magazines for February.

THE GALAXY for February is the most strikingly attractive number of this popular magazine that we have seen for a long time. The list of contributors is numerous and brilliant, including such popular writers as Justin McCarthy, Henry James, Henri Taine, Albert Rhodes, William Black, John Burrows and Richard Grant White. Published by Sheldon & Co, New York, at $4. a year.

ST. NICHOLAS for February is a charming number of this most popular of all the monthlies for the little folks. It contains much both to instruct and amuse them. Published by Scribner & Co., New York, at $3. per annum.

SCRIBNER'S MONTHLY for February quite fulfils the promise made in the prospectus. Its contents are varied and extremely entertaining, Bret Harte's story, "Gabriel Gorden" is continued, and developing in interest. Published by Scribner & Co., New York, at $4. a year.

APPLETON'S JOURNAL for January 22 is at hand, a very choice number, opening with American Historic Houses, illustrated. Published by D. Appleton & Co., New York. Price $4. a year, weekly. We have received of the Messrs Appleton their splendid steel engraving of "CHARLES DICKENS IN HIS STUDY AT GADSHILL," which is offered, under special terms, to every subscriber to *Appleton's Journal* for 1876, and published *exclusively* for subscribers to that Journal. The size of the plate is 20x14, printed on heavy plate paper 24x30 inches, making a large and handsome engraving for the parlor or library. The execution of the plate is in the highest style of art. It is not a fancy sketch, but an actual representation of Charles Dickens' study at Gadshill, while the portrait is said to be life like. The value of the pictures in the print stories would not be less than $6; it and Appleton's Journal together are furnished by the publishers for $5. Take the *Journal* for 1876 and secure this elegant picture while it can be done for $1.

GODEY'S LADY'S BOOK for February is beautifully illustrated, and filled with a hundred things of interest to the ladies. Published by L. A. Godey, Philadelphia, at $3. a year.

PETERSON'S MAGAZINE for February, is before us, containing as a supplement, a fine, large sized steel engraving, after Trumbull's celebrated picture, "The Declaration of Independence," the Centennial gift of the publisher to his subscribers for 1876. The plate is very carefully engraved, with fifty-six portraits, and can be taken out and framed, if desired. Published by Charles J. Peterson, Phila. at $2. a year.

LIPPINCOTT'S MAGAZINE for February brings us a rich table of contents. This monthly is deservedly winning a high rank among American periodicals. It is elegant in all of its appointments. Published by J. B. Lippincott & Co., Phila. at $4. a year.

CRAMPTON'S IMPERIAL SOAP IS THE "BEST."

This Soap is manufactured from pure materials, and as it contains a large percentage of Vegetable Oil, is warranted fully equal to the best imported Castile Soap, and at the same time possesses all the washing and cleansing properties of the celebrated German and French Laundry Soaps. It is therefore recommended for use in the Laundry, Kitchen, and Bath-room, and for general household purposes; also, for Printers, Painters, Engineers, and Machinists, as it will remove stains of Ink, Grease, Tar, Oil, Paint, etc., from the hands. Continental Life Insurance Company, OF HARTFORD, CONN

THE conception of *Life Insurance* must have been akin to inspiration, since it has become the *Protector of the Unprotected*—the barrier to want, misery and shame. [illegible]

Protection from the cold blasts of indigence, freedom from the shackles of ignorance.

Intelligence, Refinement, Good Health, Harmony, and Comfort follow in its wake and [illegible] among the chief *Blessings* of the earth.

[illegible]

Thousands of men go down into the depths of the far beyond with a smile of joy upon their faces created by the recollection that their *Lives* are *Insured*, and although they must be separated from their beloved ones for a season, still their labors continue with God protects them.

Is there a man with soul so dead who would refuse to *Protect* an aged Mother, an aged Father, a beloved Sister or Brother, or those still more dear, *Wife* and *Children*, from imminent danger? [illegible]

Almost every man of any standing in society belongs to some organization, [illegible] pays in dues that will benefit him and his family, during sickness or inability to work. [illegible] *Widow, Orphan Children* or dependants receive no benefits.

If you lay up money in a *Savings Bank* weekly, and have a guaranteed lease of Life, and that sufficiently long to enable you to accumulate a competency for the protection of your family, then you may with a degree of good grace decline Insurance, that Blessing which *Death* has not the power to rob us of. But without such a guarantee you are in no wise safe as long as you remain outside of the inclosure of Insurance.

At the present day every thing is to be gained and nothing lost by insuring.

The man who insures has the benefit of the risk, and if, after having paid two annual premiums, he cannot keep up his payments, the Company will give him a paid up Policy for all he has paid in, and ten per cent at least on the amount, so he actually gets more than he has paid in. With men of large means, *Life Insurance* is the best and most profitable investment they can make. They cannot invest in any thing upon the face of the earth that will pay the same per cent, on the dollar, nor can they invest in any thing else that will yield their families [illegible]

To persons purchasing property or real estate on time, Life Insurance is a guarantee, really indispensable. A Policy of Life Insurance to the amount of the deferred payment or payments secures in case of death the property to the heirs, and avoids those sacrifices often experienced in the absence of its protection.
